

## Login to Blackboard 9.1

To log into Blackboard 9.1 go to <https://learn.humber.ca>

Enter the username and password that was provided by ITS service desk or any E-Link lab.

If you are logging in for the first time, you will be given a temporary password from the ITS Service desk or from any E-Link lab. After you log in, you will be prompted to change your password.

Students will have access to their course 2 days before the course starts and two weeks after the course ends.
