

Humber College - Lakeshore Campus - Faculty and Staff

YOUR COMMUTE OPTIONS MADE EASY

Humber College - Lakeshore Campus has teamed up with Smart Commute Etobicoke to help staff & faculty experience an easier, healthier, and more enjoyable commute to campus through sustainable commuting programs including:

Smart Commute Tool

Find your carpool partner on the Humber College - Lakeshore Campus Smart Commute tool and track your impact. Register a free account or login at: explore.smartcommute.ca/s/humbercollege-lakeshore

Get your reserved carpool parking spot today. For more information visit humber.ca/sustainability/resources/commuting-campus

Emergency Ride Home Program

Fear being stranded at work in case of a personal emergency or unexpected overtime? Simply arrange your own ride home via taxi, rental car or public transit and submit your Emergency Ride Home claim at emergencyridehome.ca

Smart Commute will cover the cost of the fare up to a maximum of \$75 per ride. Program restrictions apply.

Active Switch Program

Don't miss out on the health benefits associated with physical activity! Get moving with the Active Switch Program by choosing active travel modes for your commute and other daily trips. The tool allows users to set goals, track progress and converts the distance travelled to illustrate the amount of calories burned and greenhouse gas emissions saved. Track all your active trips on activeswitch.ca/campus for a chance to win monthly prizes!

TTC Metropass - Buy it at Humber & Save!

Discounted VIP TTC monthly Metropasses are sold at both the Lakeshore and North Campus bookstores. Get your discounted Metropass today! For more information visit humber.ca/sustainability/resources/commuting-campus

Year-round Events & Promotions

Look out for exciting year-round events & promotions that you can participate in such as Carpool Week, Bike to Campus Day, Active Switch Challenge, Smart Commute Week and much more!

DID YOU KNOW?

You can save up to \$200 a month in gas & maintenance expenses just by carpooling - that's almost \$2,500 per year!

If every commuter used a sustainable travel mode once a week there would be a 20% reduction in traffic. That is equivalent to summer traffic patterns all year long!

REWARDS PROGRAM

Be entered to WIN great monthly prizes when you track your activity on the Active Switch online tool.
