

Humber College - Lakeshore Campus - Students

YOUR COMMUTE OPTIONS MADE EASY

Humber College - Lakeshore Campus has teamed up with Smart Commute Etobicoke South to help students experience an easier, healthier, and more enjoyable commute to campus through sustainable commuting programs including:

Smart Commute Tool

Find your carpool partner on the Humber College - Lakeshore Campus Smart Commute tool and track your impact. Register a free account or login at: explore.smartcommute.ca/s/humbercollege-lakeshore

Get your reserved carpool parking spot today. For more information visit humber.ca/sustainability/resources/commuting-campus

Active Switch Program

Don't miss out on the health benefits associated with physical activity! Get moving with the Active Switch Program by choosing active travel modes for your commute and other daily trips. The tool allows users to set goals, track progress and converts the distance travelled to illustrate the amount of calories burned and greenhouse gas emissions saved. Track all your active trips on activeswitch.ca/campus for a chance to win monthly prizes!

Emergency Ride Home Program

As a registered student at Humber College, if you are part of a carpool group and have a Humber Carpool Permit, you are eligible for the Emergency Ride Home Program. If you have an unforeseen emergency on the day you carpool to campus, you have the opportunity to arrange your own ride home via taxi, public transit, or rental car. Expenses approved by the Humber College Office of Sustainability and Smart Commute will be reimbursed up to \$75 for each emergency.

TTC Metropass - Buy it at Humber & Save!

Discounted VIP TTC monthly Metropasses & TTC Post-Secondary Student Metropasses are sold at both the Lakeshore and North Campus bookstores.

Get your discounted Metropass today! For more information visit

humber.ca/sustainability/resources/commuting-campus

Year-round Events & Promotions

Look out for exciting year-round events & promotions that you can participate in such as Carpool Week, Bike to Campus Day, Active Switch Challenge, Smart Commute Week and much more!

DID YOU KNOW?

You can save up to \$200 a month in gas & maintenance expenses just by carpooling - that's almost \$2,500 per year!

If every commuter used a sustainable travel mode once a week there would be a 20% reduction in traffic. That is equivalent to summer traffic patterns all year long!

REWARDS PROGRAM

Be entered to WIN great monthly prizes when you track your activity on the Active Switch online tool.
