

WE ARE HUMBER

QUICK FACTS
2018/2019

A MESSAGE FROM THE PRESIDENT

Whether you are entering postsecondary studies directly from high school or after working for a period of time, we are committed to your success. Our wide range of credentials, including honours bachelor's degrees, diplomas, certificates, graduate certificates and apprenticeship programs, allow you to choose a program that's best suited to your specific needs. Every program is designed with input from industry experts to ensure career-readiness. You'll also learn from award-winning faculty who are focused on your personal and academic success.

Our faculty and students excel in applied technology, business, creative arts, community services, health and wellness, hospitality and recreation, liberal arts and sciences, media and social innovation.

Humber also offers a vibrant campus life featuring top varsity teams, leading-edge facilities and student support services to help our students achieve their personal, educational and professional goals.

Our distinctive model of polytechnic education is positioning our students for success in a quickly changing and interconnected world. I invite you to learn more about us.

Chris Whitaker
President & CEO
Humber College

ABOUT HUMBER

At Humber, we offer our students a polytechnic education. We teach theory, add in practical, hands-on training and work with employers to give students opportunities to learn in real world settings. Set in state-of-the-art and creative learning spaces, this unique approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow.
