

WE ARE
HUMBER

QUICK FACTS
2017/2018

A MESSAGE FROM THE PRESIDENT

This is an exciting time for Humber, as we look back on 50 years of offering life-changing learning experiences, and celebrate our accomplishments.

With a wide range of programs and pathways for our diverse community of students, Humber offers an in-demand balance of theory and practice that makes our graduates highly attractive to employers.

Building on 50 years of experience, our distinctive style of polytechnic education is positioning our students for success in a quickly changing and interconnected world. I invite you to learn more about us.

Chris Whitaker
President & CEO
Humber College

ABOUT HUMBER

At Humber, we offer our students a polytechnic education. We teach theory, add in practical, hands-on training and work with employers to give students opportunities to learn in real world settings. Set in state-of-the-art and creative learning spaces, this unique approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow.
