# CHOOSE THE BEST PATH TO ACHIEVE YOUR GOALS.

## **FOUNDATION PROGRAMS (2-3 SEMESTERS)**

Our foundation certificates allow you to gain and upgrade the skills you need to pursue further studies or get on track to launch your career. These programs will help you build a portfolio, develop and hone your skills, or take the next step in your career.

## **CERTIFICATES (2-3 SEMESTERS)**

One-year and short-term certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

## **DIPLOMAS (4-6 SEMESTERS)**

Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

## **BACHELOR'S DEGREES (4 YEARS)**

Our honours bachelor's degrees give you the ideal balance of theoretical, academic knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work placements and field placements.

## **ONTARIO GRADUATE CERTIFICATES (2-3 SEMESTERS)**

Our graduate certificates, intended for those who already have an Ontario College diploma, advanced diploma, degree or equivalent, will provide you with specialized knowledge and job experience in your field of interest.

## **AS A TRANSFER STUDENT, YOU CAN FOLLOW ONE OF THREE DIFFERENT PATHS:**

### **TRANSFER IN**

You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

### **TRANSFER WITHIN**

You are a Humber student or graduate wanting to transfer credits or a completed credential into another Humber program.

### **TRANSFER OUT**

You are a Humber graduate wanting to further your education through future study options at other educational institutions.

# YOU ARE TRANSFERRING TO HUMBER FROM ANOTHER COLLEGE OR UNIVERSITY.

### TRANSFER CREDITS

If you have completed a similar course at another recognized postsecondary institution you may be eligible to receive transfer credits toward your Humber program.

To apply to Humber, follow these steps:

- 
- STEP 1** Check your program curriculum to see if there are any courses that may be equivalent to courses you have already taken at another institution.
- 
- STEP 2** Complete the transfer credit application.
- 
- STEP 3** Attach an official transcript and full course outlines for review four weeks before the start of classes. Remember to check our database at [humber.ca/transferoptions](http://humber.ca/transferoptions) for pre-approved transfer credits.
- 
- STEP 4** Submit your application form to the Office of the Registrar with payment.
- 
- STEP 5** Check your application status online through your MyHumber account.
- 
- STEP 6** Stay in your course until your transfer credit is approved. Once approved, be sure to drop the course to avoid any academic penalties.

 To learn more and download the form, visit [humber.ca/transferoptions](http://humber.ca/transferoptions).

### DIPLOMA TO DEGREE

Complete your degree with us in less time. Graduates of similar diploma programs\* may be eligible for block transfer into one of Humber's Bachelor Degree Programs. Diploma pathways can be found on the Pathways section of each program page or at [humber.ca/transferoptions](http://humber.ca/transferoptions).

### PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

PLAR is designed to recognize significant knowledge and skills gained outside the formal classroom environment. Your previous work or volunteer experience may qualify you for academic credit if it's related to your program of study.

 To learn more, visit [humber.ca/transferoptions](http://humber.ca/transferoptions).

\*Diplomas must have the same program outcomes as the Humber diploma in order to be eligible for the block transfer. Please note that diploma graduates may be required to take courses offered in lower semesters in order to meet the overall degree learning outcomes. Specific program grade point averages (GPAs) and subject requirements are required for admission. View the diploma pathway page for details.

# YOU WANT A GREAT EDUCATION AND WE WANT TO HELP YOU GET ONE. THERE ARE MANY WAYS TO MAKE THAT POSSIBLE.

### AWARDS AND SCHOLARSHIPS

Scholarships and awards are given to students based on merit and academic achievement. We can also help you find information about application-based scholarships both from Humber and from external sources. We awarded more than 1,000 awards and scholarships to eligible students last year, including entrance scholarships and awards for academic achievement.

➔ To learn more, visit [humber.ca/studentawards](https://humber.ca/studentawards).

### BURSARIES

We provide bursaries to students who have financial emergencies or an ongoing financial need. There are bursaries available for students who are the first in their families to go to a postsecondary school, students who want to study abroad, and many more.

➔ To learn more, visit [humber.ca/bursaries](https://humber.ca/bursaries).

### OSAP

The Ontario Student Assistance Program (OSAP) provides federally and provincially funded loans and grants to eligible postsecondary students.

➔ To learn more, visit [ontario.ca/osap](https://ontario.ca/osap).

### WORK STUDY PROGRAM

The Ontario Work Study Program enables you to work part time on campus to help finance your education. Check with the Academic and Career Advising Centre for job postings and eligibility information.

➔ To learn more, visit [humber.ca/workstudy](https://humber.ca/workstudy).

### DIPLOMA TO DEGREE

Humber awards degree scholarships to students entering any Humber honours bachelor's degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

➔ To learn more, visit [humber.ca/admissions/financial-aid/scholarships](https://humber.ca/admissions/financial-aid/scholarships).

### Humber Pathways

Humber supports continuous learning, and we have built in many pathways between our credentials to help you find the right program fit.

### KYLEE

**Digital Communications  
Degree & Radio Broadcast  
Diploma Grad**

Humber's environment was so welcoming and the people and staff so approachable that it felt like home. The school has a tremendous amount of resources on campus to assist you, and, having been in a prior college program, Humber made it very easy for me to transfer my credits. It was great to be in a program that had students from so many different backgrounds yet all had the same educational goals.

# SET A STRONG FOUNDATION FOR YOUR EDUCATION

## FOUNDATION AND GENERAL ARTS AND SCIENCE PROGRAMS

You're ready to begin your postsecondary education, but you need to improve your grades or want to explore your options. Our Foundation and General Arts and Science programs can help get you where you want to go. We have programs that will prepare you to complete a diploma at college, a degree at Humber or another university, or prepare you to study health sciences or technology. Study in small classes and work with a dedicated academic advisor to help plan your future.

### Foundation Programs

#### ARTS FOUNDATION

This program offers you a comprehensive foundation in the basics of current visual arts by exploration within a studio environment of different types of media through the creative process.

#### DESIGN FOUNDATION

This program gives you the skills to put your creative flair and interest in visual arts into focus as you begin a career in design. Train in professional design with a diverse curriculum that features courses in interior, graphic, packaging and industrial design.

#### MEDIA FOUNDATION

With small class sizes and expert instruction in design, writing and computer skills, this program is an excellent stepping stone to more specialized media career training.

### General Arts and Science Programs

#### COLLEGE OR UNIVERSITY TRANSFER (2 OR 4 SEMESTERS)

Prepare for further study at college or university with a program incorporating humanities, math and science courses with academic writing and critical thinking skills. After completion, you may be eligible for advanced standing into another Humber program or to programs at other institutions.

#### HEALTH AND SCIENCES (2 SEMESTERS)

If you're interested in a career in health sciences, this program will help you build the basic science and mathematics knowledge you'll need. You'll learn writing and critical thinking skills along with foundational knowledge of biology, chemistry, anatomy and physiology.

#### TECHNOLOGY (2 SEMESTERS)

Gain important background knowledge in physics, chemistry, computer applications, AutoCAD and math, coupled with academic writing and critical thinking.

## GRADUATE CERTIFICATES

Humber's Ontario Graduate Certificate programs complement the postsecondary education you have already earned. They are offered in accelerated, intensive format, typically two semesters long, and prepare you for a career in a specific field of work.

## DIPLOMA TO DEGREE

Complete your degree with us. Humber's degrees are designed with our diploma graduates in mind. We will give you credit for what you've already learned and help you take the next step in less time. Diploma pathways can be found on the Pathways section of each program page or at [humber.ca/transferoptions](http://humber.ca/transferoptions).
