WE ARE HUMBER
YOU’RE INVITED TO BE PART OF HUMBER.

YOU WON’T JUST BE A STUDENT HERE – YOU’LL BE PART OF A COMMUNITY ASPIRING TO BE SUCCESSFUL IN CAREERS THAT HELP MAKE THE WORLD A BETTER PLACE.
“THE BIGGEST THING THAT I’VE NOTICED ABOUT BEING BOTH A STUDENT AT HUMBER AND ALSO AN INSTRUCTOR IS THAT THOSE WHO HAVE PASSION RECOGNIZE PASSION IN OTHERS. AS PROFESSORS, WE WANT TO CONTINUE TO FUEL THAT SPARK.”
—LANRELL LEWIS, PROFESSOR, MUSIC

“THANKS TO OUR HANDS-ON PROJECTS, I NOW KNOW THAT I’VE GOT GREAT SKILLS IN ALL ASPECTS OF THE FIELD.”
—SANGEETH, GRADUATE, MULTIMEDIA DESIGN AND DEVELOPMENT

WHY HUMBER? – WHAT OUR POLYTECHNIC APPROACH TO EDUCATION MEANS FOR YOU
4 Polytechnic Education – We are putting theory into practice.
6 Global/International – We are bringing the world to our classrooms and taking our classrooms to the world.

STUDENT LIFE – ENRICH YOUR EXPERIENCE AT HUMBER
11 Life at Humber – See yourself here.
12 Athletics and Recreation – There’s something for everyone.
14 Sustainability – What we do really does matter.
15 Student Services – Services and more to help you succeed in and out of the classroom.

CAMPUSES – WE HAVE GREAT SPACES
19 Campus Overview – Locations.
20 North Campus – Our North Campus combines industry-standard facilities with a convenient location.
22 Lakeshore Campus – Historic buildings and plenty of green space make our Lakeshore Campus special.
24 Centre for Entrepreneurship at Lakeshore Campus – Get your business off the ground.
25 Orangeville Campus – You don’t have to go far to get far.
YOU COULD WIN
$5,000
TOWARD YOUR TUITION
Visit humber.ca/win to learn more.

* Visit humber.ca/win and fill out our online form. One prize of $5,000.00 (CDN) to be used toward tuition at Humber College is available to be won. Contest will run from September 5, 2017 to July 20, 2018. Draw date July 24, 2018. Winner will be required to answer a skill testing question. Odds of winning depend on the number of entries received. Contest is open to new incoming, domestic, first semester students starting a program at Humber College in September 2018 and must be a resident of Canada excluding Quebec. No purchase necessary. For complete rules visit humber.ca/win.

ACADEMIC INFORMATION –
WE ARE ON THE PATH
TO SUCCESS

27 Academic Schools and
Credentials – Find out about Humber’s eight academic schools and the credentials we offer.

71 Contact Us – Where to find important contact information.

72 Getting to Humber – How to get to our campuses by car, bike or public transit.

“MY EXPERIENCE IN THE JOURNALISM PROGRAM HAS BEEN WONDERFUL. I’D SAY THERE ARE NOW NUMEROUS DOORS OPEN TO ME. I JUST HAVE TO CHOOSE WHERE I WANT TO GO.”
—IEVA, JOURNALISM

“We collaborate with other programs to help clients develop an online presence — I got my digital co-ordinator internship because of this project.”
—KIRAN, DIGITAL BUSINESS MANAGEMENT
Students in the Pre-Service Firefighter Education and Training program learn how to use the “jaws of life.”
OVER OUR 50-YEAR HISTORY, WE’VE BECOME GLOBAL LEADERS IN POLYTECHNIC EDUCATION. WE KNOW THAT GETTING A CAREER-FOCUSED EDUCATION MEANS THAT PRACTICE IS AS IMPORTANT AS THEORY.

At Humber, you’ll get lots of practical experience in facilities that mirror what you’ll see in the working world. And with work or clinical placements in many programs, you’ll have the chance to get on-the-job experience while you’re still in school.

Your professors all have extensive industry experience, so they know what employers are looking for. With small class sizes and instructors who know your name, you’ll never be just a number here.

You’ve also got choices: you can complete a certificate, a diploma, a degree or an apprenticeship. Start with a diploma, then apply for advanced standing in a degree program. Complete a certificate, then pursue a diploma – we’ll help you choose the path that’s best for you.

Along with your classes, you’ll have opportunities to participate in applied research, helping to solve real-world problems and make an immediate difference. If you want to go into business for yourself, we’ll give you the tools and support you need.
GO BEYOND BORDERS AND LEARN IN A WHOLE NEW WAY

Enrol in Humber’s Global Citizenship Certificate – an innovative, free program for students that will give you a career advantage in our culturally diverse and rapidly changing world.

To learn more, visit international.humber.ca/global-citizenship.
More than 4,100 international students from more than 100 countries around the world call Humber home, making our community truly diverse and inclusive.

To learn more, visit international.humber.ca.

Each year, more than 500 Humber students make their world a little more connected by taking advantage of exciting global opportunities:

- Semester abroad
- Summer programs
- Internship/work placement
- Faculty-led study tours
- Service learning

To learn more, visit international.humber.ca/global-opportunities.
Yael
Graduate, General Arts and Science Certificate/Bachelor of Child and Youth Care Degree
“THE CALIBRE OF EDUCATION OFFERED HERE IS BOTH A UNIQUE AND PRACTICAL PATH THROUGH POSTSECONDARY EDUCATION.”

After completing high school, Humber was the first postsecondary institution I attended.

The foundation I received from the General Arts and Science (GAS) program helped me improve my writing skills at a postsecondary level. I chose to continue my studies at Humber because its small classes and relational focus suited my learning style.

From the GAS program, I was able to excel in the Bachelor of Child and Youth Care degree program, where I learned to write research papers, compile incident reports and participate in classroom discussions.

I knew Humber offered practical and hands-on experience, and having the opportunity to complete an undergraduate degree with those qualities meant I could enter directly into a career after graduation. I have now enrolled in the Critical Disabilities Studies master’s program at York University.

As a student with disabilities, I have focused my time on advocacy and accessibility both in the classroom and in the Humber community. Humber has offered me every opportunity to incorporate my ideas for building a more accessible campus.

**BIANKA**

GRADUATE, GENERAL ARTS AND SCIENCE – UNIVERSITY TRANSFER DIPLOMA

“The program is flexible, and students have opportunities to explore different career paths.”

The world of academia is not easy to navigate, especially for those who might be the first in their families to enter higher education. I grew up in Hungary and immigrated to Canada with my family in 2000 where I attended high school.

I applied to Humber as a mature student in the General Arts and Science – University Transfer program to explore possible areas of interest.

I was also involved in the student advisory committee and the mentorship program. This provided further opportunities for bonding and it strengthened the support system Humber strives to provide.

I received a tremendous amount of support, advice and encouragement, which translated into success. I will forever be grateful for the fantastic people who invest so much of themselves into helping others realize their dreams.

Now, I am completing my final year at the University of Toronto studying political science and history. I am exploring volunteer positions with the Canadian Forces and I plan on continuing my studies part-time to obtain a second degree in psychology.

9 athletes named national academic all-canadians

55 players were provincial academic all-stars
ATHLETICS

The Humber Hawks are the most successful college sports program in Ontario, leading both the Ontario Colleges Athletic Association (OCAA) and the Canadian Collegiate Athletic Association (CCAA) in overall medal count. In the 2016/2017 season, the Hawks won four national and 14 provincial gold medals in team and individual sports. As well, 55 players were OCAA Academic All-Stars, while another nine were CCAA Academic All-Canadians.

And if you don’t want to play competitively, there are lots of other ways to get involved in athletics, from free fitness classes and gym access to intramural and extramural teams. Of course, you can always come out and cheer “Hawk Yeah!” from the stands as part of Hawk Nation.

WE HAVE A SERVICE FOR THAT

WE MAKE IT EASY TO FIND WHAT YOU’RE LOOKING FOR

From academic advising, athletics and food services to counselling, financial aid and health services, you’ll have access to support that will help you be your best, in and out of the classroom. Your college experience should be “I can’t wait to see what’s next” instead of “I just can’t figure this out” – so we’re here to help.
NOCT
“KENNY”
STUDENT, GENERAL ARTS
AND SCIENCE – UNIVERSITY
TRANSFER DIPLOMA
I am in the General Arts and Science – University Transfer program with plans to attend Guelph-Humber’s psychology program. I want to be able to work with LGBTQ+ youth, specifically gender diverse youth with mental illness. I want to be able to support them in whatever way they need help to navigate the world better.

At Humber, I’ve met some of the best professors I’ve ever had. Their classes have changed my view on things and opened a whole new world for me.

I initially got involved with the LGBTQ+ Resource Centre when I was on the Gender and Sexual Diversity Committee email list. After that, I started to work at the centre at the North Campus and my life has changed for the better. I’ve been able to help many students who don’t have a support system, those who are looking for their identity (or who are getting comfortable with their lack of identity) and be proud of who they are.

I have also been working with Athletics and their #HereToPlay campaign and with many departments at Humber and IGNITE to inform students to be mindful of their language and gender inclusivity.

The immense support I have received from my parents, my supervisor, my partners and my close friends has helped me be who I am today and I couldn’t be more thankful.

**NOCT’S PATHWAY**

| High school | Humber General Arts and Science diploma | (Future) University of Guelph – Humber Honours Bachelor of Applied Science – Psychology degree |

---

**AMAR’S PATHWAY**

| High school | Humber Honours Bachelor of Applied Arts – Paralegal Studies degree | University of Windsor/University of Detroit Mercy law degree |

---

“**I WANT TO BE ABLE TO SUPPORT THE COMMUNITIES I’M PART OF.**”

---

“I CHOSE THE PARALEGAL DEGREE PROGRAM AT HUMBER BECAUSE IT ALLOWED ME TO STUDY LAW IMMEDIATELY AFTER HIGH SCHOOL. IN FIRST SEMESTER I WAS INTRODUCED TO CANADA’S LEGAL SYSTEM AND TOOK FOCUSED COURSES INCLUDING LEGAL RESEARCH AND WRITING AND A COURSE ON CONTRACT LAW. THE PROFESSORS WERE KNOWLEDGEABLE AND THEIR INFLUENCE ON MY PROFESSION GOES BEYOND WHAT THEY TAUGHT ME AT AN ACADEMIC LEVEL.

DURING MY CO-OP PROGRAM, I WROTE THE LSAT AND APPLIED TO A NUMBER OF LAW SCHOOLS IN CANADA. I GRADUATED FROM THE DUAL JD PROGRAM BASED OUT OF THE UNIVERSITY OF WINDSOR’S FACULTY OF LAW IN PARTNERSHIP WITH THE SCHOOL OF LAW AT THE UNIVERSITY OF DETROIT MERCY.

I NOW PRACTICE LAW OUT OF MY OFFICE NEAR TORONTO PEARSON INTERNATIONAL AIRPORT DEALING WITH BUSINESSES AND ENTREPRENEURIAL CLIENTS AND THE UNIQUE LEGAL ISSUES THEY FACE IN THEIR BUSINESS AND PERSONAL LIVES.

MY ADVICE TO FUTURE HUMBER STUDENTS IS THAT WITH ANY ENDORVEUR, YOU GET OUT OF IT WHAT YOU PUT INTO IT. CONNECT AND NETWORK WITH FACULTY AND OTHER PROFESSIONALS EARLY. TAKE PART IN STUDENT COMPETITIONS TO DISTINGUISH YOURSELF FROM THE REST OF THE PACK. OPEN YOURSELF UP TO THE KNOWLEDGE AVAILABLE TO YOU AND YOU WILL REAP THE BENEFITS IN YOUR CAREER.

**AMAR’S PATHWAY**

“**THIS FOCUSED APPROACH ALONG WITH THE OPPORTUNITY TO WORK IN THE FIELD BETWEEN THIRD AND FOURTH YEAR HELPED ME MAKE MY DECISION.**”
WE ARE A GREAT COMMUNITY

HUMBER HAS THREE CAMPUSES IN AND CLOSE TO THE GREATER TORONTO AREA

Our North Campus is located on the Humber River, close to Pearson International Airport. Our Lakeshore Campus is right on Lake Ontario, just to the west of the city. Our Orangeville Campus is in the town of Orangeville, one hour north of Toronto.
NORTH CAMPUS

Exceptional academics, vibrant cultural expression and peaceful serenity.

Humber’s largest campus is situated on 250 acres of green space at Finch Avenue and Highway 27, right on the banks of the Humber River. The campus is easily accessible from Brampton, Mississauga, Toronto and York Region, and is a public transit ride away from Toronto’s bustling downtown.

Energetic and dynamic, the North Campus is home to the Learning Resource Commons, an open, bright six-storey facility that houses most of the campus’s student services as well as a wide range of study, meeting and socializing spaces. The North Campus residence has space for 1,000 students and features an arboretum with gardens, parkland and hiking trails.
GREAT FACILITIES MEAN YOU’LL LEARN ON-THE-JOB SKILLS – AT SCHOOL

Campus highlights include:

- Digital media studios, radio station and television broadcasting facilities
- State-of-the-art science labs supporting a variety of health sciences programs
- The Design Centre, an open-concept studio-style setup where our design programs are based
- The Centre for Urban Ecology, a LEED gold-certified building, and the Humber Arboretum, a 250-acre park with trails and formal gardens
- The Canadian Centre of Culinary Arts and Sciences, home to Humber’s culinary programs, and the Humber Food Truck – a unique mobile classroom
- The Humber Spa, a full-service spa and boutique staffed by esthetician/spa management and cosmetic management students
Humber’s Lakeshore Campus is where modern conveniences meet historic grandeur. Centred on an academic “village” of 10 restored heritage buildings, the Lakeshore Campus also features the college’s two newest buildings: the Student Welcome and Resource Centre, which houses many of the campus’s student services, and a brand-new Fitness Centre. The Lakeshore Commons provides four floors of classrooms, open-concept meeting, study and socializing spaces, and an art gallery. Our student residence is home to 400 students. The Lakeshore Campus has an incredible variety of ways to put your learning into practice.
THERE’S SO MUCH AT LAKESHORE CAMPUS

- Student Welcome and Resource Centre, which houses a variety of student services
- Black box theatre and theatre production workshops
- The Centre for Entrepreneurship – our innovation incubator
- The Fashion Institute, home of Humber’s Fashion Management degree
- The Centre for Justice Leadership, which includes a simulated crime scene lab, interrogation rooms and a mock court of justice
- A 360-degree high-speed driving simulator
- Professional-level recording studio, as well as practice rooms and performance spaces
- Digital media production studios
- A simulated stock exchange trading floor
- Humber Fitness Centre, a 24,000 square foot, three-storey facility
The Centre for Entrepreneurship provides a focus group room, media production lab and meeting rooms.

“HUMBER’S SUPPORT HELPED US BUILD A SUCCESSFUL BUSINESS.”

Faria: I went to an Ontario university for four years, got my degree, and after working for a few years, realized I’d hit a plateau and decided that I needed more schooling if I wanted to advance my career. I went into the Bachelor of Commerce in Digital Business Marketing, and there I met Courtney.

Courtney: I came to Humber right out of high school. Once I went on a campus tour at the Lakeshore Campus, I knew I didn’t want to go anywhere else. I’ve always loved organizing and tidying, and eventually I realized that it might be possible to turn that into a business.

Faria: She had already organized my sister’s house, and we all said, “Why don’t you make this into a job?” We then started Declutter with CoCo, and applied for and won funding from the New Venture Seed Fund and the HumberLaunch pitch competition – $29,000 in total.

Courtney: Our mentor has been amazing. The money has been great, but working with our mentor has been even more valuable. He has our back 100 per cent, and we couldn’t have asked for better support.

ORANGEVILLE CAMPUS

You don’t have to go far to get far.

Located one hour north of Toronto, our Orangeville Campus is a place where everyone knows your name. We offer some of Humber’s most popular programs at Orangeville:

- Design Foundation
- Early Childhood Education
- Police Foundations
- Social Service Worker

Our campus is a key part of the local community and Dufferin County, with some great facilities: access to a community swimming pool, hockey rinks and an on-site fitness centre, a food court, a library, and free on-site parking.
Humber has eight academic schools, each with its own expert faculty and accomplished staff.

We have more than 180 full-time programs in more than 40 areas of study, all designed to meet your academic and career goals.
ACADEMIC SCHOOLS

SCHOOL OF APPLIED TECHNOLOGY
We offer comprehensive applied technology programs in design, engineering technologies, sustainable energy and skilled trades.

THE BUSINESS SCHOOL
Our in-depth business programs range from marketing and accounting to fashion management, international business and law – as well as many other areas.

SCHOOL OF CREATIVE & PERFORMING ARTS
Practice your craft while learning how to create a successful career in the arts, with internationally recognized programs in comedy, music, publishing, theatre and writing.

SCHOOL OF HEALTH SCIENCES
Prepare for a meaningful career in health care with programs in nursing, early childhood education, paramedic, occupational therapy/physiotherapy assistant, pharmacy technician and funeral services.

SCHOOL OF HOSPITALITY, RECREATION & TOURISM
Our culinary, hospitality, tourism, and fitness and recreation programs prepare you for an exciting, hands-on career in a wide range of industries.

SCHOOL OF LIBERAL ARTS & SCIENCES
Interdisciplinary liberal arts and science programs that include social sciences, humanities and science electives, communications and math courses, and ESL and university/college preparation.

SCHOOL OF MEDIA STUDIES & INFORMATION TECHNOLOGY
Experience the largest combination of media-sector programs in Canada, with programs that include journalism, public relations, graphic design, advertising, digital arts, 3D animation, film and television, web-based media and information technology.

SCHOOL OF SOCIAL & COMMUNITY SERVICES
Make a difference as a criminal justice professional, child and youth care worker, social service worker, or in community and justice services, developmental service, policing or fire services.

For a complete list of programs, visit humber.ca/programs.

CREDENTIALS

FOUNDATION PROGRAMS (TWO TO THREE SEMESTERS)
Our foundation certificates allow you to gain and upgrade the skills you need to pursue further studies or get on track to launch your career. These programs will help you build a portfolio, develop and hone your skills, or take the next step in your career.

CERTIFICATES (TWO TO THREE SEMESTERS)
One-year certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

DIPLOMAS (FOUR TO SIX SEMESTERS)
Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

APPRENTICESHIPS (THREE TO FIVE YEARS)
Apprenticeships offer you the opportunity to learn an in-demand skill in a variety of fields. We help get you ready for the workplace through the in-school training component.

BACHELOR’S DEGREES (FOUR YEARS)
Our honours bachelor’s degrees give you the ideal balance of theoretical, academic knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work and field placements.

ONTARIO GRADUATE CERTIFICATES (TWO TO THREE SEMESTERS)
Intended for students who already have a bachelor’s degree or an appropriate postsecondary credential, an Ontario graduate certificate will give you specialized knowledge in your field of interest.
You’ve checked out the program listings at humber.ca/programs, but you’re still not sure what you want to study. No worries – we have a solution for you.

Use Humber’s career finder tool to help you explore which program may be best suited for you and your career goals.

It’s simple: take our quick quiz to find out which careers match your interests and you’ll get connected with programs you may not have considered.

To get started, visit humbercareerfinder.com.
Our Foundation Certificates and General Arts and Science Programs Help You Make an Informed Choice

You’re ready to begin your postsecondary education, but you need to improve your grades or want to explore your options. Our foundation certificates and General Arts and Science programs can help get you where you want to go.

We have programs that will prepare you to complete a diploma or degree at Humber or another institution. You can also enrol in programs that will help you get ready for further study in health sciences or technology.

You’ll work in small classes, with a dedicated academic advisor to help you plan your future – whatever you choose to do.

Foundation Programs

Choose From:

Art Foundation
This program offers you a comprehensive foundation in the basics of visual arts. Working in a studio environment, you’ll explore the creative process with different types of media.

Design Foundation
This program gives you the skills to put your creative flair and interest in visual arts into focus as you begin a career in design. Train in professional design with a diverse curriculum that features courses in interior, graphic and industrial design.

Media Foundation
With small class sizes and expert instruction in design, writing and computer skills, this program is an excellent stepping stone to more specialized media career training.

For more information, visit humber.ca/programs.

General Arts and Science Programs

Choose From:

College or University Transfer (Two or Four Semesters)
Prepare for further study at college or university with a program combining humanities, math and science courses with instruction in academic writing and critical thinking skills. After four semesters, you may gain advanced standing in degree programs at Humber and other institutions.

Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (Two Semesters)
If you’re interested in a career in health sciences, this program will help you build the basic science and mathematics knowledge you’ll need. You’ll learn writing and critical thinking skills along with foundational knowledge of biology, chemistry, anatomy and physiology.

Technology (Two Semesters)
Gain important background knowledge in physics, chemistry, computer applications, AutoCAD and math, coupled with academic writing and critical thinking.

For more information, visit liberalarts.humber.ca/departments/general-arts-and-science.
Skilled trades play an important role in our economy. The rapid pace of technological change and workforce retirements mean skilled tradespeople will be increasingly in demand in the near future.

At Humber, you’ll use the latest industry software programs and learn in fully equipped labs and shops. Working with skilled instructors, you’ll learn about current trends within the industry and work in a learning environment that mirrors what you’ll see once you’re on the job.

The first step in any apprenticeship is to get a job with an employer who is willing to sponsor you as an apprentice. Once that is done, contact the Ministry of Advanced Education and Skills Development (ontario.ca/page/start-apprenticeship) to start your registration.

Apprenticeship programs are open to domestic students only.

For up-to-date program information, visit humber.ca/programs.
AWARDS AND SCHOLARSHIPS

MORE THAN 1,000 AWARDS AND SCHOLARSHIPS
AWARDED TO ELIGIBLE STUDENTS LAST YEAR

MORE THAN 100 CERTIFICATE AND DIPLOMA PROGRAMS
AT HUMBER

You can choose from more than 100 certificate and diploma programs at Humber.

Our certificate and diploma programs are designed to give you a blend of theoretical knowledge and practical, hands-on experience.

Advanced diplomas take six semesters to complete and usually incorporate a work placement. Diplomas take at least four semesters, while certificates are usually less than four semesters.

To learn more, visit humber.ca/programs.
KATIE
GRADUATE, BACHELOR OF APPLIED ARTS - PARALEGAL STUDIES DEGREE
I am currently taking the Criminal Justice degree program after graduating with a Community and Justice Services diploma in 2015. My best friend introduced me to the Indigenous Knowledge certificate program in our second semester of the diploma program. She’s Indigenous and she wanted to learn more about her own culture but was too shy to go on her own. I wanted to be supportive, and then it turned into this amazing journey.

The program helped me become more involved with the Indigenous community at Humber. This was a great opportunity to extend that desire to learn about the people who lived here before colonization as well as the Indigenous people of modern-day Canada.

As a non-Indigenous person, I have always been appreciated and welcomed by everyone in the Aboriginal Resource Centre (ARC). Working here has strengthened that feeling thanks to the family of staff and students at the ARC.

I have recently been sworn in for the Military Police Reserves in January 2017. My Basic Military Qualifications (BMQ)/training will be completed in the summer of 2017.

“NOT ONLY DID I WANT A THEORETICAL UNDERSTANDING OF THE LAW, I WANTED APPLIED KNOWLEDGE.”

I attended Lakehead University’s Honours Bachelor of Commerce in Administrative Studies. I knew when I chose that program that I wanted to go to law school after finishing the degree. After a year and a half, I decided that I wanted to study the law in my undergraduate studies as well as my graduate studies.

I chose the paralegal degree program because, in addition to a theoretical understanding of the law, I also wanted applied knowledge.

When initially researching the program, I learned that we would be required to complete placement hours obtaining hands-on experience in the field. I also learned that we would be conducting mock trials, mediations, debtor-creditor examinations, and other tasks required in practice. This set the program apart from others.

I have a passion for social justice, and feel that having the qualifications to practice law will give me the ability to help others in ways that I otherwise couldn’t.

KATIE’S PATHWAY

KEVIN

STUDENT, BACHELOR OF SOCIAL STUDIES – CRIMINAL JUSTICE

“I HAVE HOPES OF BECOMING A POLICE OFFICER AND BRINGING POSITIVE CHANGES TO MEMBERS OF OUR SOCIETY, ESPECIALLY TO THE INDIGENOUS PEOPLES OF CANADA.”

I am currently taking the Criminal Justice degree program after graduating with a Community and Justice Services diploma in 2015.

My best friend introduced me to the Indigenous Knowledge certificate program in our second semester of the diploma program. She’s Indigenous and she wanted to learn more about her own culture but was too shy to go on her own. I wanted to be supportive, and then it turned into this amazing journey.

The program helped me become more involved with the Indigenous community at Humber. This was a great opportunity to extend that desire to learn about the people who lived here before colonization as well as the Indigenous people of modern-day Canada.

As a non-Indigenous person, I have always been appreciated and welcomed by everyone in the Aboriginal Resource Centre (ARC). Working here has strengthened that feeling thanks to the family of staff and students at the ARC.

I have recently been sworn in for the Military Police Reserves in January 2017. My Basic Military Qualifications (BMQ)/training will be completed in the summer of 2017.

KEVIN’S PATHWAY
OUR CAREER-FOCUSED HONOURS BACHELOR’S DEGREES ARE THE IDEAL BLEND OF THEORETICAL LEARNING AND PRACTICAL APPLICATION

Classes are taught by professors who have active industry connections and outstanding academic credentials. All of our degree programs offer work placements or clinical experience, many of which are paid – meaning you’ll get valuable job experience even before you graduate.

Add in small class sizes and an industry-guided, job-relevant curriculum, and your Humber degree will give you a definite advantage in a competitive world.

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIP
Humber awards degree scholarships to students entering any Humber honours bachelor’s degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of $2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.
Before attending Humber, I completed an Honours Bachelor of Science in Biomedical Science at the University of Ottawa and a Master of Science in Biochemistry at the University of Toronto.

Throughout my undergraduate degree, I obtained scientific research experience in nanoscience, cellular biology, and microbiology at the University of Calgary, the Children’s Hospital of Eastern Ontario, and the Defence Research and Development Canada.

During my Master’s, I attended a talk given by a Regulatory Affairs professional which piqued my interest in the field.

The Humber program offered the unique opportunity to learn about Regulatory Affairs hands-on. The assignments were highly relevant and represented tasks an RA professional would be asked to do.

It offered an outlook on pharmaceutical, medical devices and food, which would allow me to consider career options in various regulated industries. I had the opportunity to develop high quality work products, refine my oral presentation skills and learn from professionals in the industry.

My professors shared their wealth of knowledge and motivated us to succeed. They went above and beyond to help us attain our learning goals.

I am currently completing an internship with the Policy and Programs Branch of the Canadian Food Inspection Agency. I look forward to applying the regulatory knowledge I obtained at Humber and through my internship to develop new regulations and bridge relationships between industry and regulatory authorities.

“I AM PASSIONATE ABOUT PROMOTING PRODUCT INNOVATION, COMPLIANT DEVELOPMENT AND SAFETY.”
TAKE YOUR EDUCATION TO THE NEXT LEVEL

Humber’s Ontario Graduate Certificate programs (also referred to as a postgraduate program) complement the postsecondary education you’ve already earned. They are offered in an accelerated, intensive format, typically two semesters long, and prepare you for a career in a specific field of work.

ARTS AND PERFORMANCE
- Arts Administration and Cultural Management
- Creative Book Publishing
- Creative Writing - Fiction, Creative Non-Fiction, Poetry
- Humour Writing - Online and Print (Ministry Title - Comedy Writing)
- Music Business
- Music Composition

BUSINESS AND MANAGEMENT
- Alternative Dispute Resolution
- Business Management – Entrepreneurial Enterprise
- Event Management
- Fashion Management and Promotions
- Financial Planning
- Global Business Management
- Human Resources Management
- Insurance Management - Property and Casualty
- International Development
- Marketing Management
- Project Management
- Public Administration
- Supply Chain Management

COMMUNITY AND EMERGENCY SERVICES
- Addictions and Mental Health
- Early Childhood Education – Advanced Studies in Special Needs

HEALTH SCIENCES
- Clinical Research
- Regulatory Affairs

HOSPITALITY, RECREATION AND TOURISM
- Exercise Science and Lifestyle Management
- Hospitality and Tourism Operations Management
- Sport Business Management
- Wellness Coaching

INFORMATION TECHNOLOGY
- Enterprise Software Development
- Information Technology Solutions
- User Experience (UX) Design
- Web Development
- Wireless Telecommunications

LIBERAL ARTS AND SCIENCES
- Professional Writing and Communications
- Research Analyst
- Teaching English as a Second Language (TESL)

MEDIA
- Advertising – Account Management
- Advertising – Media Management
- Advertising Copywriting
- Fundraising Management (Ministry Title - Fundraising and Volunteer Management)
- Journalism
- Post-Production
- Public Relations
- Television Writing and Producing

GET THE CREDIT YOU DESERVE

Whether you have completed a postsecondary program or are looking for a change, Humber can help you determine which pathways and opportunities are available to you. Check out our easy online tools and step-by-step guides at humber.ca/transferoptions.

CHOOSE THE BEST PATH TO ACHIEVE YOUR GOALS

Students who have completed courses or programs at a recognized postsecondary institution may be eligible to apply for individual or block transfer credit at Humber. Humber supports continuous learning, and we have built in many pathways between our credentials to help you find the right program fit.

DIPLOMA TO DEGREE BLOCK TRANSFER CREDIT

Complete your degree with us in less time. Graduates of Humber diploma programs* may be eligible for block transfer credit into one of Humber’s bachelor’s degree programs.

*Graduates of similar Ontario diplomas may also be eligible for block transfer credit into a Humber degree program if their diploma program has the same program learning outcomes as the Humber diploma. Please note that diploma graduates may be required to take courses offered in lower semesters in order to meet the overall degree learning outcomes. Specific program grade point averages (GPAs) and subject requirements are required for admission. View the diploma pathway page for details.

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIP

Humber awards degree scholarships to students entering any Humber honours bachelor’s degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of $2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

To learn more, visit humber.ca/admissions/financial-aid/scholarships-bursaries.

65+ DIPLOMA TO DEGREE PATHWAY OPPORTUNITIES

Learn more at humber.ca/transferoptions.
WHO IS A TRANSFER STUDENT?
You are a transfer student if you have completed or partially completed a program at a college or university and wish to continue your studies at the same or another postsecondary institution.

AS A TRANSFER STUDENT, YOU CAN FOLLOW ONE OF THREE PATHS:

TRANSFER IN
You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

TRANSFER WITHIN
You are a Humber student or graduate wanting to transfer credits or a completed credential into another Humber program.

TRANSFER OUT
You are a Humber graduate wanting to further your education through future study options at other educational institutions.

TRANSFER CREDITS
If you have completed a similar course at another recognized postsecondary institution, you may be eligible to receive transfer credit(s) toward your Humber program. Use our step-by-step guide and online database to get you started. Complete the transfer credit application and attach a sealed official transcript and full detailed course outlines (from the year you completed the course) for review four weeks prior to the start of classes.

Learn more at humber.ca/transferoptions.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)
PLAR is designed to recognize relevant learning acquired through life and work experience and translate this learning into college credit.

To learn more, visit humber.ca/transferoptions.

Have questions? Contact Us
Speak to a transfer advisor at transferopportunities@humber.ca.

60+ EXTERNAL PATHWAYS FROM 36 PROGRAMS
DANIEL
STUDENT, FILM AND
TELEVISION PRODUCTION
ADVANCED DIPLOMA
When I was younger, I wanted to go into film or music. I studied voice in high school, and ended up studying opera at the University of Toronto. Once I finished at U of T, I wanted to have an option for what I was going to do – I knew opera was a risky business, and it was hard to build up a career. I also wanted to take a break and let my voice develop.

I also realized that what I liked most about doing opera was the rehearsal and production process, more than the actual performing – and being able to make creative choices behind the scenes is exactly what I love about working in film.

I felt comfortable in my program right away – the teachers were committed and supportive, and I felt I could trust them to help me figure out where I needed to be to succeed. We're really well-prepared for the practical side of filmmaking – I was able to get some hands-on experience right away.

In my first semester, I got a chance to direct, then I got a chance to do cinematography. That experience actually led to me directing a small-budget music video this summer, which has given me some good contacts in the field. I wouldn’t have been able to do that if it hadn’t been for my experience at Humber.

DANIEL’S PATHWAY

High school → University of Toronto Bachelor of Music degree → Humber Film and Television Production advanced diploma

“I HAVE HUMBER TO THANK FOR KICK-STARTING MY JOURNEY.”

Before attending Humber, I studied geography at another Canadian university. I then worked at a large Toronto hospital in their Corporate Planning and Development department before I decided to quit my job and pursue filmmaking.

This was something that seemed unattainable to me because it felt like something only a privileged few were able to pursue. When I graduated from the diploma program, I discovered that I could be fast-tracked in the degree program, so I decided to complete a degree as well.

My old career path offered little room for creativity and filmmaking was definitely an outlet that could satisfy that urge. With film, you can change the lives and minds of others.

Some highlights at Humber were shooting our studio drama projects and filming my independent project at the end of third year. These projects teach excellent work ethic and push you beyond what you think you’re capable of.

Since graduating, I have worked on a TMN Original TV series called Reelside and I shot my first feature film, Mina Walking, with my independent production partner Yosef Baraki. The film premiered at the Berlin International Film Festival, won a Canadian Screen Award and has played in festivals on six continents.

I am presented with new and exciting projects every month. This is by far the most rewarding choice I have made in my life as it has brought me on adventures I could only have dreamed of.

ANDREW’S PATHWAY

High school → University degree → Work

Humber Film and Television Production advanced diploma

Humber Bachelor of Film and Media Production degree
RESEARCH HUMBER’S PROGRAMS

- Not sure what you want to study? Use Humber’s online Find Your Match career tool at humbercareerfinder.com.
- Research programs at humber.ca.
- Have questions? Book an appointment to speak with a Recruitment Advisor at humber.ca/futurestudents/programadvising.
- Join us for a tour at our North, Lakeshore or Orangeville Campuses at humber.ca/futurestudents/booktour.

APPLY TO HUMBER

- Apply to Humber at ontariocolleges.ca.
- Be sure to submit your application by the equal consideration deadline of February 1, 2018. You may apply to programs after the equal consideration deadline if space permits.
- If you’re an international student, you can apply directly to Humber. Go to international.humber.ca for more details.

TRACK YOUR APPLICATION

- Track the status of your application through Humber’s student portal humber.ca/myhumber. We’ll send you an email with your username and password after you’ve applied.
- Depending on your program, you may have to complete testing, submit a portfolio or come to campus for an assessment or audition. If your program has Additional Requirements, you can see the details under Admission Requirements on the specific program web page.
RECEIVE YOUR OFFER

Congratulations! You’ve received an offer of admission from Humber. There are still a number of steps to complete before you start classes, so be sure to read the rest of this page very carefully.

CONFIRM YOUR OFFER

Confirm your offer at ontariocolleges.ca.
If you’re planning on living in residence, fill out your residence application online at humber.ca/residence as soon as possible. Residence spaces are offered on a first come, first served basis.

YOUR NEXT STEPS

Many Humber programs require placement testing. This testing is not for admission, it’s to make sure you’re placed in the right English and (if applicable) math courses. Check your email for information on booking a test date.
Have questions about services and supports available at Humber? Go to wegotyou.humber.ca for more information.
Transferring from another institution? Learn more about your transfer options at humber.ca/transferoptions.
If you have any questions at this stage of the process, contact enquiry@humber.ca.

PAY YOUR FEES

Find information about applying for bursaries, scholarships and the Ontario Student Assistance Program (OSAP) at humber.ca/admissions/financial-aid.
Pay your deposit of $500 (domestic students) or full semester tuition fees (international students) on humber.ca/myhumber.

REGISTER FOR CLASSES

Register for classes online at humber.ca/myhumber.
For more information about course registration go to humber.ca/registration.

ATTEND ORIENTATION

Attend orientation to find out where your classes are as well as all the other facilities and services available to you as a Humber student.
Go to wegotyou.humber.ca to find out about all the services and support Humber has to offer.

YOU’VE ARRIVED

Welcome to your first day at Humber!
YOU WANT A GREAT EDUCATION AND WE WANT TO HELP YOU GET ONE. THERE ARE MANY WAYS TO MAKE THAT POSSIBLE

AWARDS AND SCHOLARSHIPS

Scholarships and awards are given to students based on merit and academic achievement. We can also help you find information about application-based scholarships both from Humber and from external sources. We awarded more than 1,000 awards and scholarships to eligible students last year, including entrance scholarships and awards for academic achievement.

For more information, go to humber.ca/studentawards.

DEGREE SCHOLARSHIPS

We offer automatic scholarships to newly admitted degree students entering their first year directly from high school.

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIPS

Humber awards degree scholarships to students entering any Humber honours bachelor's degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of $2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

BURSARIES

We provide bursaries to students who have financial emergencies or an ongoing financial need. There are bursaries available for students who are the first in their families to go to a postsecondary school, students who want to study abroad, and many more.

For more information about scholarships and bursaries, visit humber.ca/admissions/financial-aid/scholarships-bursaries.

OSAP

The Ontario Student Assistance Program (OSAP) provides federally and provincially funded loans and grants to eligible postsecondary students.

Learn more at ontario.ca/osap.

WORK STUDY PROGRAM

The Ontario Work Study Program enables you to work part-time on campus to help finance your education. Check with the Academic & Career Success Centre for job postings and eligibility information.

For details, go to careers.humber.ca/work-study.
**Note:** Estimated average cost for one year based on 2017/2018 rates covering two academic semesters. Costs will vary for each program. Co-op and/or lab fees are not included.

WE ARE FOCUSED ON YOUR CAREER

GET THE SKILLS EMPLOYERS ARE LOOKING FOR WITH OUR CAREER-FOCUSED PROGRAMS
### APPLIED TECHNOLOGY

Learn to take your ideas from concept to creation. Offering programs in design, engineering technologies, skilled trades and sustainable energy, we give you the chance to acquire highly sought-after skills using specialized labs, equipment and facilities. On-the-job experience is emphasized through work placements. Professors highlight current trends within their areas of specialty and strive to duplicate situations that you will experience in your career.

Applicants with mature student status, or college or university transfer status, refer to the program page on the website. International students should refer to [international.humber.ca](http://international.humber.ca) for admission requirements and application information.

Meeting minimum eligibility requirements does not guarantee admission.
### Program Name | Academic and Additional Requirements | Possible Career Options | Semesters | Campus/ Semester Start | Work Placement
--- | --- | --- | --- | --- | ---
#### ELECTRICAL TECHNOLOGY – CONTROL SYSTEMS
Electrical Engineering Technology | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Technologists who design, maintain, service or sell automated industrial, electrical machines, electrical control, power systems, power distribution protection and control, and process instrumentation systems and equipment. | 6 | North: Sept/Jan | ✓

#### ELECTRICAL TECHNIQUES
Electrical Techniques | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Electrical apprenticeship programs, working in power generation, and green energy and automation. | 2 | North: Sept/Jan/May | 

#### ELECTROMECHANICAL ENGINEERING TECHNICIAN
Electromechanical Engineering Technician | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Careers in processing, packaging, power generation, mining, machine assembly, troubleshooting and testing, systems integration, application support, maintenance, component testing and assembly, automation programming, robotic maintenance and programming and technical sales and services. | 4 | North: September | 

#### ELECTROMECHANICAL ENGINEERING TECHNOLOGY
Electromechanical Engineering Technology | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Careers in process control, PLC programming, packaging, power generation, mining, machine design, building automated systems, maintenance, transportation, systems integration, component testing, technical sales quality control and a host of other fields. | 6 | North: September | ✓

#### ELECTRONICS ENGINEERING TECHNICIAN
Electronics Engineering Technician | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Careers with broadcasting networks, telecommunication carriers, manufacturers of electronics equipment and manufacturers of scientific, medical and industrial instrumentation. | 4 | North: Sept/Jan | 

#### ELECTRONICS ENGINEERING TECHNOLOGY
Electronics Engineering Technology | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Manufacturers' representatives, technical salespeople, managers and entrepreneurs. | 6 | North: Sept/Jan | ✓

#### HEATING, REFRIGERATION AND AIR CONDITIONING TECHNICIAN
Heating, Refrigeration and Air Conditioning Technician | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Design, install, service and retrofit heating, ventilation, air conditioning and refrigeration (HRAC) equipment professionals. | 4 | North: Sept/Jan | 

#### HEATING, REFRIGERATION AND AIR CONDITIONING TECHNOLOGY
Heating, Refrigeration and Air Conditioning Technology | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Potential employers include heating, ventilating, air conditioning and refrigeration manufacturers, consulting engineers, architects, process industries, wholesalers, distributors, mechanical contractors, building owners, chain stores, energy management firms, property management companies and school boards. | 6 | North: Sept/Jan | ✓

#### INDUSTRIAL WOODWORKING TECHNICIAN
Industrial Woodworking Technician | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Creators of store fixtures, architectural millwork (doors and windows), the kitchen cabinet industry, as well as furniture construction. | 3 | North: Sept/Jan | 

#### INTERIOR DECORATING
Interior Decorating | Grade 12 English (ENG4C or ENG4U), any three Grade 11 or 12, C, M or U courses. Recommended Preparation: Prior to entering the program, it is recommended that students have secondary school studies in drawing and drafting. Students should have the ability to draw along with drawing and sketching training. | Interior decorating magazine editors-in-chief, magazine interior decorators, TV personalities, guest TV decorators, newspaper feature article leaders, interior decorating business owners, event planners, managers of decorating retail stores, design consultants and buyers. | 4 | North: Sept/Jan | ✓

#### LANDSCAPE TECHNICIAN
Landscape Technician | Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses. | Opportunities with landscape contractors, design firms, design-build firms, garden centres, nurseries, municipalities, golf courses and in technical sales. | 4 | North: September | 

#### MECHANICAL ENGINEERING TECHNICIAN
Mechanical Engineering Technician | Grade 12 English (ENG4C or ENG4U), Grade 12 Math (MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C is acceptable at 81 per cent or higher) or equivalent, and two Grade 11 or 12 C, M or U courses. | Potential fields include mechanical design, production, testing, consulting and service industries, machine tool sales and service departments. | 4 | North: September | }

### HEALTH SCIENCES

We have been preparing students for meaningful careers in health care since Humber opened its doors 50 years ago. Clinical simulations, cadaveric bioscience labs, experiential learning and comprehensive work placements allow you to participate in a breadth of experiences before you graduate, giving you the skills, knowledge and attitudes to support people in health, illness and all other life stages.

APPRENTICESHIPS

Apprenticeships offer you a chance to learn a highly skilled trade in a number of industries. We provide the required academic components towards an apprenticeship, including technical theory and in-school training.

Apprenticeships are regulated by the Ontario College of Trades. Applicants are required to register through their local Apprenticeship Branch Office of the Ministry of Advanced Education Skills Development. Apprenticeship programs are open to domestic students only.

### NOTE FOR ALL CERTIFICATE, DIPLOMA, BACHELOR’S DEGREE AND APPRENTICESHIP PROGRAMS

Grade and/or course requirements are used in the selection processes for all programs. If applicants are enrolled in Grade 12 required subjects (as indicated under each program) in the second semester (February to June), Grade 11 marks will be used to determine eligibility; however, successful completion of registered courses and an Ontario Secondary School Diploma (OSSD) or equivalent is required for admission.

For more information, visit humber.ca/admissions/how-apply/admission-requirements.

Applicants with mature student status, or college or university transfer status, refer to the program page on the website. International students should refer to international.humber.ca for admission requirements and application information.

Meeting minimum eligibility requirements does not guarantee admission.

**Additional requirements may include a portfolio, audition, letter of intent, references, etc., and vary by program. Visit the program page on the website for complete details.
THERE ARE LOTS OF WAYS TO GET INFORMATION ABOUT HUMBER

FIND YOUR MATCH

ENVIRONMENTAL IMPACT SAVINGS
By choosing 100% post-consumer recycled paper over 100% virgin fibre paper, we saved:

- 294 trees (20 tennis courts)
- 1,289,767 L of water (3,068 days of water consumption)
- 13,166 kg of waste (1 garbage truck)
- 43,256 kg CO₂ (emissions of 14 cars per year)
- 244 MMBTU (energy consumption of 2 households per year)
- 56 kg NOₓ (emissions of 1 truck during 172 days)

Environmental impact estimates were generated by Rolland Enterprises.

DECLARATION OF WAIVER
The information in this document is accurate as of June 30, 2017. After June 30, 2017, Humber reserves the right to modify or cancel any program, option, course, program objective, fee, and timetable or campus location without notice or prejudice. It is also Humber’s right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course during the evening or on Saturday. Career options listed in this publication are not a guarantee of employment. Our most up-to-date admissions information can be found on our website at humber.ca in the 2018/2019 program pages.
