CONGRATULATIONS

We are Future Focused

Humber is focused on our students' future. In response to rapidly advancing technology and a constantly evolving workforce, a Humber education helps students prepare for their career. Our programs blend theory and hands-on learning, giving students the opportunity to gain practical experience in class and through work-integrated learning.

Students learn from professors with industry experience who know what skills are in demand. A wide range of credentials including certificates, diplomas, advanced diplomas, Ontario graduate certificates and degrees help prepare students for what's next, whether that be furthering their education, or the start of their career. Students also receive credit for current and prior learning through many pathways and transfer opportunities.

Humber's diverse experiential learning opportunities, ranging from placements, internships, applied research projects and more, prepare graduates to be career-ready, global citizens.

With more than 300,000 alumni around the world, our graduates are making their mark in every industry.

Eagle Staff

A shared tradition of Indigenous Nations, the Eagle Staff is considered a sacred item that represents the deeds or accomplishments of a Nation, society, or family. It is used as part of Humber's convocation ceremonies to honour the achievements of graduates and the people who supported them. One of the most common types of eagle staffs are seen in the Grand Entries of Pow Wows and are made up of a stick that has been bent into a curve on one end, like a large cane. Eagle staff carriers are appointed to lead the Grand Entry.

These curved staffs link deeds or accomplishments to the sacred realm, or what can be described as the great mystery. Eagle feathers are tied along the straight end of the stick and are also fastened to the down-facing cane part of the staff, which is held away from the carrier and never held down to be pointed at people. Each eagle feather has a story to represent deeds and accomplishments. Coloured cloth is also added onto the staff to represent the main sacred colour of the Nation, society or family. A song may also be composed by a song-maker to represent the eagle staff.

There is no specific eagle staff design. The maker of the staff is usually gifted to be able to channel a sacred vision for the look of the staff. Once an eagle staff is made, it is then brought into a sweat lodge ceremony to be steamed off, and then activated. Significant care and protocol must then follow in minding the eagle staff.

The dreamcatcher is in a circle with the colours of the medicine wheel, reflecting the medicine wheel teaching and the balance of mental, emotional, physical and spiritual aspects in our lives. The Humber eagle staff is specific to the college, noted by the Hawk and Humber colours in the centre of the dreamcatcher. The seven flowers depicted along the staff represent the seven grandfather teachings and how we want to live our life, values and character through love, honesty, respect, truth, humility, wisdom and bravery. There are seven eagle feathers attached to the coloured cloth reinforcing the importance of the seven grandfather teachings and values important to Humber. Along the curved part of the Eagle Staff, a braid of sweetgrass symbolizes one of the sacred medicines gifted to Indigenous peoples and can provide healing and connection with the creator.

The stand holding the eagle staff was crafted by Humber's Industrial Woodworking and Cabinetmaking students and instructors, which includes the image of a hawk.

Land Acknowledgment

Humber College is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

Humber College takes its name from the Humber River, the watercourse with great significance to the history and development of Toronto. Humber's name is appropriate as the college is an ever-flowing stream of knowledge and ideas, which nourishes Ontario's economy and the lives of our citizens.

Indigenous Medallions

Graduating students who have self-identified as Indigenous and attended the Indigenous awards gala are given medallions ahead of convocation and are asked to wear them during their ceremony to display their pride in their history and culture. The medallions acknowledge the graduates' accomplishments and underscore the importance of the tradition of gift giving to Indigenous peoples.

President's Message to Graduates

Congratulations to Humber's graduates, and the family and friends who helped to get you here.

I applaud your success and look forward to learning about the exciting paths you will take in your future careers and lives.

I am excited to welcome you into the Humber alumni family and, as President and CEO of the College, I am pleased to share this important moment with you and your supporters.

Through your hard work, resiliency, and perseverance, you have demonstrated what it means to be a Humber graduate. You can now count yourselves among the more than 300,000 Humber alumni who have been making an impact locally and around the world for more than half a century. Now, it is your turn to make your mark.

While Convocation may end your time at Humber, it also represents a new beginning. I encourage you to be lifelong learners as you move through your careers. Embrace life's twists and turns because you never know where they may take you. I hope that you will seek out innovation, discovery, new knowledge, and take all that you have learned to be the change you want to see in the world. You have what it takes to make a difference in all that you do, and my wish is that you embrace that challenge wherever you go next.

Congratulations and good luck!

Strategic Pillars and Foundation

CAREER-READY CITIZENS

It is critical that we prepare our students to succeed in a global, knowledge-based economy that is technology-driven and changing at an unparalleled rate.

ACCESSIBLE EDUCATION

As students increasingly juggle work, family and financial responsibilities, their learning needs and expectations are changing.

HEALTHY AND INCLUSIVE COMMUNITY

Transforming education is a powerful vision that must be anchored in the strength of our people.

THE 21st CENTURY INSTITUTION

As we move boldly forward with our strategic plan, a strong foundation will be integral to our success.

Humber's Academic Regalia

The academic regalia worn by Humber's faculty, students and administration represent centuries of tradition. The style and colour of gowns, hoods and caps is specific to individual institutions and disciplines. Faculty and administrative staff wear the academic dress appropriate to the highest credential they have earned.

The gowns, vee stoles and hoods worn by our graduates reflect Humber's official colours of blue and gold.

Graduates of Humber's certificate and diploma programs wear a three-toned vee stole. The vee stole colours consist of antique gold, navy blue and the velvet trim associated with the Faculty.

Recipients of Humber's Ontario graduate certificates wear a gold satin hood with a navy blue stripe around the exterior trim and is lined with navy blue.

Graduates of Humber's Baccalaureate degree programs wear a hood that is three feet long. Each hood has a navy blue shell with one antique gold cord around the exterior trim and is lined with antique gold satin. The colour of the velvet trim on each hood is associated with the discipline of the degree received:

Graduates of the University of New Brunswick (UNB) - Humber Collaborative Bachelor of Nursing program wear academic dress that reflects UNB's traditions, including black gowns, black caps with tassels, and hoods with apricot satin interiors.

Members of the platform party wear a hood based on the institution from which they graduated and the credential they hold. Some members will wear the standard black hood with white velvet trim and antique gold satin lining with two dark blue chevrons.

Honorary degree recipients wear white hoods.

Humber's Mace

The mace is a symbol of authority, deriving from its original function as a weapon. Today, maces are frequently carried in formal processions, especially in ceremonies related to government or higher education.

Humber's mace, commissioned by Joseph Sorbara, former chair of Humber's Board of Governors, honoured the retirement of Dr. Robert A. Gordon, Humber's president from 1982-2007.

The mace was designed and executed by Mark Paddison, of Humber's Cabinetmaking and Industrial Woodworking programs. The mace is hand-carved from walnut wood harvested from the lower Humber River valley.

The ivory inlays were cut from recovered piano keys.

The crown of the

mace, designed by Michael S. DaCosta, features a stylized earth formed by five ribbons, celebrating the students who come to Humber from around the world. The ribbons tie together at the top to form a flame, representing knowledge. The globe, set on top of the mace, emanates from a crown-like circlet.

The sterling silver used to fabricate the crown was donated by Joseph Sorbara and was ethically mined in Canada.

The silver crown sits on the top portion of the mace, which is a coronet in the style used for educational bodies in Ontario.

Design details are taken from Humber's coat of arms. The inlay shows the provincial flower alternating with the hazelnut, a symbol of wisdom. The cogwheel is symbolic of technology and represents bringing inspiration to life using one's skills. The mace culminates in a stylized red-tailed hawk holding a tether in its beak.

Coat of Arms

Arms

The arms, pictured on the shield, are based on Humber's official emblem and incorporate the Humber colours of blue and gold. The Humber River is represented by the blue pile, which conveys a clear, contemporary pathway to achieving one's goals. The ermine tails (spots) represent the concept of excellence, the fur being esteemed in history. Together, these elements symbolize Humber's leadership and direction, balancing history with innovation.

Crest

The coronet, above the arms, shows Ontario's trillium alternating with the hazelnut, a symbol of wisdom. Pegasus represents the creative force at work, and is pictured with a cogwheel, symbolic of technology. Together, these figures represent the ability to bring one's inspiration into reality.

Supporters

On each side of the arms, a red-tailed hawk, an animal common throughout Ontario, holds the shield with a claw. Each wears a blue collar from which hangs a cogwheel charged with an open book. The hawks are used in honour of the name used by Humber's athletic teams. The open books symbolize the concept that knowledge is available to all, and that students will take their learning with them through their lives.

Motto

Humber's motto is: CARPE OPPORTUNITATES, which means "Seize the opportunities".

Humber College Institute of Technology & Advanced Learning – A History

Humber has an international reputation for academic excellence and delivers a polytechnic model of education to more than 86,000 learners.

First building construction at the North Campus - 1968

In response to a growing need for skilled workers across Ontario, provincial legislation established Colleges of Applied Arts and Technology in 1967, and Humber enrolled its first students that year. In the 1990s, Humber became the first college to offer Ontario graduate certificates, providing specialized, job-specific training to students who already held undergraduate and the degrees.

In 2001, Humber began offering the University of New Brunswick-Humber collaborative Bachelor of Nursing (BN) degree. In 2002, Humber welcomed the inaugural class of the University of Guelph-Humber, at which students earn both an honours degree from the University of Guelph and a diploma from Humber.

Humber was designated an Institute of Technology & Advanced Learning by the Ministry of Colleges and Universities (formerly Ministry of Training, Colleges and Universities) in 2003 and began offering career-focused bachelor's degrees that integrate theory, work-integrated learning and applied research opportunities. The year 2017 marked the 50th anniversary of Humber and the Ontario college system.

In 2019, Humber strengthened its model of polytechnic education and industry partnerships with the opening of the Barrett Centre for Technology Innovation and the establishment of the Advanced Manufacturing Skills Consortium.

In early 2020, plans for the Humber International Graduate School were announced. Amid the global COVID-19 pandemic, Humber offered its first-ever fully online term in Summer 2020.

In November 2022, the Humber International Graduate School celebrated its official opening.

Today, Humber offers more than 200 full-time programs divided amongst six faculties, and has graduated more than 300,000 alumni, many of whom have become renowned within their fields, both locally and globally.
