CONGRATULATIONS

# We are Future Focused

Humber is focused on our students' future. In response to rapidly advancing technology and a constantly evolving workforce, a Humber education helps students prepare for their career. Our programs blend theory and hands-on learning, giving students the opportunity to gain practical experience in class and through work-integrated learning.

Students learn from professors with industry experience who know what skills are in demand. A wide range of credentials including certificates, diplomas, advanced diplomas, Ontario graduate certificates and degrees help prepare students for what's next, whether that be furthering their education, or the start of their career. Students also receive credit for current and prior learning through many pathways and transfer opportunities.

With Humber's diverse experiential learning opportunities ranging from placements, internships, applied research projects and more, students graduate as career-ready, global citizens.

With more than 291,000 alumni around the world, our graduates are making their mark in every industry.

Convocation is a time to celebrate your achievements while at Humber and to look ahead to the new beginnings and abundant possibilities that await you.

Congratulations graduates on your accomplishments and all the best for the future.

# Humber College

is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Aadoobiigok, the “Place of the Alders” in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Aadoobiigok continues to provide a vital source of interconnection for all.

Humber College takes its name from the Humber River, the watercourse with great significance to the history and development of Toronto. Humber’s name is appropriate as the college is an ever-flowing stream of knowledge and ideas, which nourishes Ontario’s economy and the lives of our citizens.

## Indigenous Medallions

Graduating students who have self-identified as Indigenous and attended the Indigenous awards gala are given medallions ahead of convocation and are asked to wear them during their ceremony to display their pride in their history and culture. The medallions acknowledge the graduates’ accomplishments and underscore the importance of the tradition of gift giving to Indigenous peoples.

Transforming education is a powerful vision that must be anchored in strength of our people.

### **THE 21st CENTURY INSTITUTION**

As we move boldly forward with our strategic plan, a strong foundation will be integral to our success.

# Humber's Academic Regalia

The academic regalia worn by Humber's faculty, students and administration represent centuries of tradition. The style and colour of gowns, hoods and caps is specific to individual institutions and disciplines. Faculty and administrative staff wear the academic dress appropriate to the highest credential they have earned.

The gowns, vee stoles and hoods worn by our graduates reflect Humber's official colours of blue and gold.

Graduates of Humber's certificate and diploma programs wear a three-toned vee stole. The vee stole colours consist of antique gold, navy blue and the velvet trim associated with the Faculty.

Recipients of Humber's Ontario graduate certificates wear a gold satin hood with a navy blue stripe around the exterior trim and is lined with navy blue.

Graduates of Humber's Baccalaureate degree programs wear a hood that is three feet long. Each hood has a navy blue shell with one antique gold cord around the exterior trim and is lined with antique gold satin. The colour of the velvet trim on each hood is associated with the discipline of the degree received:

- Bachelor of Behavioural Science: Navy Blue
- Bachelor of Child and Youth Care: Maize
- Bachelor of Commerce: Beige
- Bachelor of Community Development: Peacock Blue
- Bachelor of Creative Advertising: White
- Bachelor of Design: White

Graduates of the University of New Brunswick (UNB) - Humber Collaborative Bachelor of Nursing program wear academic dress that reflects UNB's traditions, including black gowns, black caps with tassels, and hoods with apricot satin interiors.

Members of the platform party wear a hood based on the institution from which they graduated and the credential they hold. Some members will wear the standard black hood with white velvet trim and antique gold satin lining with two dark blue chevrons.

Honorary degree recipients wear white hoods.

# Humber's Mace

The mace is a symbol of authority, deriving from its original function as a weapon. Today, maces are frequently carried in formal processions, especially in ceremonies related to government or higher education.

Humber's mace, commissioned by Joseph Sorbara, former chair of Humber's Board of Governors, honoured the retirement of Dr. Robert A. Gordon, Humber's president from 1982-2007.

The mace was designed and executed by Mark Paddison, of Humber's Cabinetmaking and Industrial Woodworking programs. The mace is hand-carved from walnut wood harvested from the lower Humber River valley.

The ivory inlays were cut from recovered piano keys.

The crown of the

mace, designed by Michael S. DaCosta, features a stylized earth formed by five ribbons, celebrating the students who come to Humber from around the world. The ribbons tie together at the top to form a flame, representing knowledge. The globe, set on top of the mace, emanates from a crown-like circlet.

The sterling silver used to fabricate the crown was donated by Joseph Sorbara and was ethically mined in Canada.

The silver crown sits on the top portion of the mace, which is a coronet in the style used for educational bodies in Ontario.

Design details are taken from Humber's coat of arms. The inlay shows the provincial flower alternating with the hazelnut, a symbol of wisdom. The cogwheel is symbolic of technology and represents bringing inspiration to life using one's skills. The mace culminates by a stylized red-tailed hawk holding a tether in its beak.

# Coat of Arms

## Arms

The arms, pictured on the shield, are based on Humber's official emblem and incorporate the Humber colours of blue and gold. The Humber River is represented by the blue pile, which conveys a clear, contemporary pathway to achieving one's goals. The ermine tails (spots) represent the concept of excellence, the fur being esteemed in history. Together, these elements symbolize Humber's leadership and direction, balancing history with innovation.

## Crest

The coronet, above the arms, shows Ontario's trillium alternating with the hazelnut, a symbol of wisdom. Pegasus represents the creative force at work, and is pictured with a cogwheel, symbolic of technology. Together, these figures represent the ability to bring one's inspiration into reality.

## Supporters

On each side of the arms, a red-tailed hawk, an animal common throughout Ontario, holds the shield with a claw. Each wears a blue collar from which hangs a cogwheel charged with an open book. The hawks are used in honour of the name used by Humber's athletic teams. The open books symbolize the concept that knowledge is available to all, and that students will take their learning with them through their lives.

## Motto

Humber's motto is:  
CARPE OPPORTUNITATES, which means  
"Seize the opportunities."

# Humber College Institute of Technology & Advanced Learning – A History

**Humber has an international reputation for academic excellence and delivers a polytechnic model of education to more than 38,000 full-time and 19,000 part-time and professional learners.**

In response to a growing need for skilled workers across Ontario, provincial legislation established Colleges of Applied Arts and Technology in 1967 and Humber enrolled its first students that year. In the 1990s, Humber became the first college to offer Ontario Graduate Certificates, providing specialized, job-specific training to students who already held undergraduate degrees.

In 2001, Humber began offering the University of New Brunswick-Humber collaborative Bachelor of Nursing (BN) degree. In 2002, Humber welcomed the inaugural class of the University of Guelph-Humber, at which students earn both an honours degree from the University of Guelph and a diploma from Humber.

Humber was designated an Institute of Technology & Advanced Learning by the Ministry of Training, Colleges and Universities in 2003 and began offering career-focused bachelor's degrees that integrate theory, work-integrated learning, and applied research opportunities. 2017 marked the 50th anniversary of Humber and the Ontario college system.

In 2019, Humber strengthened its model of polytechnic education and industry partnerships with the opening of the Barrett Centre for Technology Innovation and the establishment of the Advanced Manufacturing Skills Consortium.

In early 2020, plans for the Humber International Graduate School were announced. Amid the global COVID-19 pandemic, Humber offered its first-ever fully online term in Summer 2020.

In 2021, Humber launched its independent nursing degree, one of the first in the Ontario college sector.

Humber offers more than 220 full-time programs divided amongst six faculties.

Humber has graduated more than 291,000 alumni, many of whom have become renowned within their fields, both locally and globally.
