

## **Gordon Schofield**

**Business Administration, 1976**

**Founding Partner, Murphy Business Canada;**

**Owner/President Commerce Harbor Inc**

Gordon Schofield carries over 40-years of experience in the business world. His vast experience includes executive level responsibilities with two major distributors, five information technology vendors, two national IT services providers and ownership of a payroll services provider. He has also operated a successful mid-cap mergers and acquisitions advisory practice completing a number of funding, sale and acquisition transactions. Gordon has seen consistent increases in shareholder value and solid business partnerships as a leader and strategist and had significant success growing complex businesses, focusing on services and applications in competitive markets.
