

Places to Learn and Grow

NAME A LEARNING SPACE AND
HELP SUPPORT STUDENT SUCCESS

“We work closely with industry to ensure our programs reflect the skill sets required in a dynamic labour market, enabling our graduates to get jobs and thrive in their chosen field. We develop lifelong learners with the capacity for resiliency and adaptability required for long-term success.”

Chris Whitaker
President and CEO
Humber College

Student Lounge, First Floor, F Building
Humber College, Lakeshore Campus

Leave Your Mark

Express your support for student success by naming a learning space at Humber College or honour a loved one, friend, student or teacher.

A THOUGHTFUL GIFT

Naming a learning space is a thoughtful and meaningful way to connect your personal experience and memories with Humber College, one of the largest colleges in Canada and one that holds the current and future success of its students as its highest priority.

With your gift, students, alumni and faculty will appreciate your commitment to education and student success for generations to come.

YOU CAN MAKE A DIFFERENCE

Humber's mission is to develop educated, highly skilled and adaptable citizens to be successful in careers that significantly contribute to the communities they serve locally, nationally and globally.

With over 31,000 full-time and 23,000 part-time students across eight academic schools at our three campuses: Lakeshore, North and Orangeville, you can change a student's life with your gift.

By naming a learning space, your gift helps advance student success by supporting important priorities such as:

- Scholarships and awards;
- Bursaries and support for students in need;
- Equipment, tools, learning resources and spaces;
- Special initiatives and experiential learning projects; and,
- Emerging student needs that may arise.

SPACES TO LEARN AND GROW

There are dozens of learning spaces that are used daily by our students for quiet independent study or group learning and collaboration. Spaces available to be named include study carrels, lounges, group study rooms and benches at our campuses:

• Study Carrel	\$1,000
• Bench/Picnic Table	\$1,000-\$2,500
• Computer Study Carrel	\$1,500
• Small Size Group Study Room	\$5,000
• Medium Size Group Study Room	\$10,000
• Large Size Group Study Room	\$15,000
• Student Lounge	\$15,000-\$25,000
• Small Class/Lecture Room	\$20,000

* Please contact us for information on additional spaces not listed above that are also available for naming.

A LASTING TRIBUTE

In recognition of your generosity, we are pleased to offer:

- Signage with your name, dedication or special message placed in or near the chosen space;
- Recognition on our Donor Wall for gifts \$10,000 or more;
- Recognition in select Humber publications where other similar supporters are listed, as appropriate;
- Invitations to Humber events; and,
- Receipt of *Gratitude*, our magazine for alumni and friends.

Gifts to name a learning space can be a one-time gift or paid over a few years. The naming of physical space at Humber is intended to remain in place for the useful life of the space, and should the need arise, the College will make every effort to share any changes.

WE ARE truly grateful. Humber College acknowledges the generosity of individuals and organizations that choose to support students and learning by naming study spaces. Thank you.

You will receive a charitable receipt for the eligible amount of your gift according to the standards as defined by the Canada Revenue Agency. Humber College's Charitable Number is 10749 7273 RR0001.

Humber College, North Campus

“Receiving a scholarship was a great financial help. I work two part-time jobs to make ends meet. The scholarship allowed me to focus more on school and less on money.”

Martin, scholarship recipient

Computer Study Carrel, Third Floor
Learning Resource Commons
Humber College, North Campus

I am fortunate to have attended an educational institution with professors who care deeply for their students. I graduated with the necessary theory and hands-on practical experience that enhanced my communication and collaboration skills. I thank Humber for providing me with the qualification that I now use at work.

Paula, alumna
