

VIA University College - Aarhus, Denmark

SUMMER ABROAD 2025

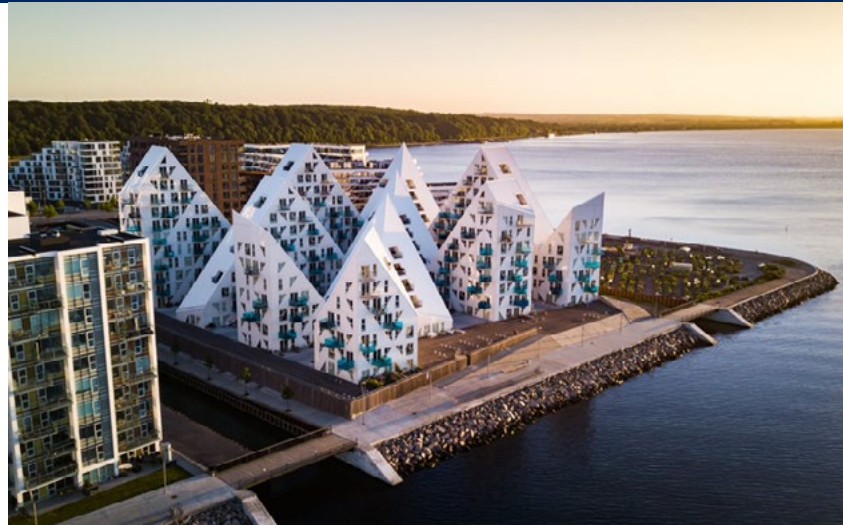

Dates: July 28 to August 22, 2025

Price: Accommodations (there is no program fee for this program for students approved for academic credit)

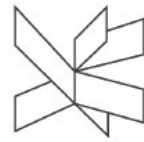

Bursaries will be available for eligible students!

United Nations' 17 Sustainable Development Goals Summer School

This Summer School unfolds the United Nations' sustainable development goals through student participation in a cross-cultural and cross-educational context. The goals derive from the United Nations' international agreements on processing towards explicit sustainability in 2030. The course will focus on global topics related to the sustainable development goals.

Earn 2 Humber GNED electives, lower-level breadth electives!

Bring ideas to life
VIA University College

VIA University College

VIA University College, located in the central region of Denmark, offers more than 40 programs at eight campuses across the region. VIA is one of Denmark's largest and most international universities of applied sciences. Through research and development, they make sure that their programs are based on the latest knowledge. They cooperate closely with public and private companies and help develop industries and societal solutions.
