

Letter of Permission Application Form – Humber Degree Students

The completed form, along with a detailed course outline, must be submitted to the Office of the Registrar, along with a \$25.00 fee, before registering at the other post-secondary institution, and **at least 30 days prior** to the start of term. Separate application forms must be submitted for each course, from each host institution.

The completed form, along with course description, will be submitted to the Program Coordinator for consideration and approval by the Office of the Registrar. The Office of the Registrar will inform the student of the decision. Once the course has been completed, the student must arrange to have an official transcript sent directly from the host institution to Humber’s Office of the Registrar within 20 business days of the end of the course.

Credits earned on a Letter of Permission will be noted on the student’s transcript with a grade of LOP. Courses completed through an LOP will not be included in the calculation of the students Cumulative Grade Point Average. Students completing their last course on a Letter of Permission must have their official transcript from the host institution to the Office of the Registrar forty-five (45) days prior to their applicable Spring or Fall Convocation.

For a detailed description of the definition and the process of a Letter of Permission, it is strongly suggested that students review Section 7.4 of the *Admission Requirements and Academic Regulations*.
