ABOUT HUMBER

At Humber, we offer our students a polytechnic education. We teach theory, add in practical, hands-on training and work with employers to give students opportunities to learn in real-world settings. Set in state-of-the-art and creative learning spaces, this unique approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow.

GIVING CREDIT FOR PRIOR LEARNING

Nearly 50 per cent of Humber's students have some previous work, school or life experience. Explore transfer credits, academic pathways and prior learning opportunities through a variety of online and interactive tools at [humber.ca/transferoptions](https://www.humber.ca/transferoptions).

Supporting our Students

There are \$1,500 to \$2,500 Transfer Scholarship opportunities available to all Ontario college graduates of one-year certificates and two- and three-year diplomas.

Find out more at [humber.ca/admissions/student-fees-financial-resources/scholarships-bursaries.html](https://www.humber.ca/admissions/student-fees-financial-resources/scholarships-bursaries.html).

CENTRES OF INNOVATION NETWORK

Humber's Centres of Innovation (COIs) Network brings together interdisciplinary teams of faculty, students, and community and industry partners to solve complex, real-world problems. COIs provide an experiential learning environment for Humber students and prepare them to become the innovative and strategic problem-solvers of tomorrow.

Humber's COIs are focused in five areas of proven strength and industry sector growth:

- Barrett Centre for Technology Innovation
- Centre for Creative Business Innovation
- Centre for Innovation in Health and Wellness
- Longo Centre for Entrepreneurship
- Centre for Social Innovation

100+

partners engaged across the Network

40

applied research projects

650+

faculty members engaged in COI activities

7,900+

middle and high school students impacted by STEM/STEAM outreach

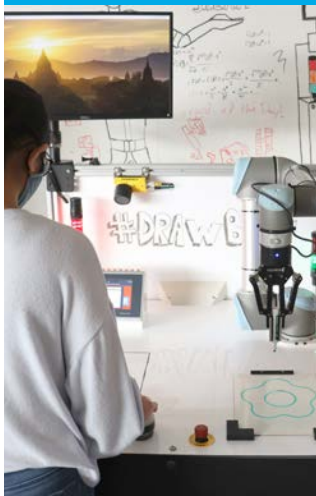

2,200+

students participating in COI activities

47

projects that involved a collaboration with two or more COIs and/or Faculties

study or work abroad experiences

SUSTAINABILITY ON CAMPUS

Humber recognized as one of Canada's Greenest Employers 8 years in a row

1st Ontario College to have Fairtrade Campus designation (North and Lakeshore Campus)

More than 250,000 single use containers avoided landfill since the adoption of Friendlier reusable containers on campus

Building NX is the 1st retrofit in Canada to achieve a Zero Carbon Building Design certification and is one of the most energy-efficient buildings in North America*

Multi-deck Commuter Hub incorporates sustainable features such as 700kW Solar PV and 100 secure bike parking spots

Humber achieved STARS Gold rating and ranked first among Associate Colleges in the 2023 AASHE Sustainable Campus Index for its sustainability performance

1 LEED Platinum,
2 LEED Gold and
2 LEED Silver Buildings

Humber has 23 dual electric vehicle chargers across North and Lakeshore campuses

8 beehives at North and Lakeshore campuses – Humber became a certified Bee Campus in 2021, demonstrating its commitment to native pollinators

Sustainability is a key mindset in Humber's Learning Outcomes

Campus sustainability features can be discovered through the Sustainability Trail plaques and on the Campus Compass app

Students have the opportunity to lead through the Sustainability Ambassadors program and faculty can join the Sustainability Faculty Champions group

*According to the Association of Consulting Engineering Companies Canada

INDIGENOUS RESOURCES

The Indigenous Education and Engagement team works collaboratively to cultivate a respectful and welcoming environment to encourage student empowerment, identity, and cross-cultural communication across all levels of the institution.

2 Indigenous Resource Centres

Open Monday to Friday for students to access in a culturally safe space.
North Campus: LRC 2nd floor;
Lakeshore Campus: WEL 3rd floor, 301

Peer to Peer Mentorship Program: A program that connects upper year Indigenous students with incoming Indigenous students

RBC Grad-Ready Program for Indigenous Students: The program provides Indigenous students and graduates with resources that enable them to reach their full academic and professional potential while also helping them to build the skills they need to obtain employment while maintaining cultural connections

3 Student Spaces

North Campus:

- Wigwamen Lounge (Residence Building)
- Open-access Indigenous Lounge (F Building)

Lakeshore Campus:

- Residence Lounge (Residence Building)

Indigenous students living in residence at Humber are allowed to smudge in their rooms or in the Indigenous Lounges

Indigenous Camp Choice, a three-day, two-night college experiential camp for grade 7/8 students from various First Nation communities in Ontario

Two murals at North Campus to cultivate a more diverse and understanding campus for all learners. Murals are done by Ojibway artist Patrick Hunter and by Chippewa and Potawatomi artist Chief Lady Bird. An Every Child Matters crosswalk is outside the Learning Resource Commons

Truth and Reconciliation cultural awareness training for staff

The month of November is dedicated to celebrating Indigenous knowledge and culture. Hosted in November is the Annual Indigenous Knowledges Gathering which focuses on cross-cultural community building and learning

INTERNATIONAL

A Humber College education inspires globally conscious graduates. Humber's International Graduate School, located in the heart of Toronto's financial and technology district, provides students with a focused educational experience in a professional learning environment. The International Development Institute brings together the Humber community and development partners to contribute to effective and sustainable development around the world. Students around the world are invited to join Humber students for our annual Global Summer School in Toronto in July. All Humber students are encouraged to participate in study and work abroad experiences through our global academic partner network across six continents.

3,800+

students have participated in Global Learning experiences since 2018

6

types of global learning opportunities: semester abroad, summer program abroad, faculty-led trip, work-integrated learning, COIL/virtual global learning, and the Humber Global Summer School in Toronto

20+

years' experience in international development project leadership

40+

global academic partners on six continents

200+

students join Humber's annual Global Summer School in Toronto from 30+ countries

9,300+

international students from 130+ countries
