**BUILDERS OF
BRILLIANCE**

WHY A POLYTECHNIC?

Polytechnics offer hands-on, industry-driven education that equips students with the practical skills and experience that today's employers are looking for. Programs emphasize learning by doing, helping students build real-world skills and competencies so that students graduate career ready.

Why Humber Polytechnic?

Being a polytechnic means Humber delivers career-focused programs that evolve with the demands of the global job market. Our professors bring real-world industry experience to small, hands-on classes where students learn by doing through state-of-the-art simulation labs and work-integrated learning opportunities. At Humber, we help students build and refine their skills and their confidence, so they can discover their edge. By the time students graduate, they are well equipped for their future careers and ready to make their mark.

Career Outcomes

We are reimagining learning to help students achieve their aspirations. With technology rapidly advancing and new ways of working and learning, Humber can help students future-proof their employability.

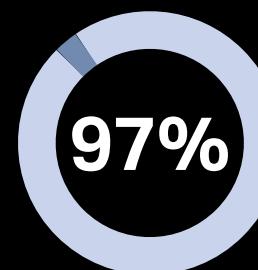

Our in-person and online courses provide an in-demand combination of career-focused theory and hands-on learning, taught by expert faculty with extensive industry experience and connections.

Work with our industry partners, and participate in innovative experiences to gain real-world experience and problem-solving skills, or explore how to become an entrepreneur and turn your side hustle into your main hustle. At Humber, students are supported and equipped to be career ready on their terms.

LAND ACKNOWLEDGMENT

Humber is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

UNLEASH YOUR BRILLIANCE. BUILD YOUR COMMUNITY.

BSSE
BLACK STUDENT SUPPORT & ENGAGEMENT

Black Student Support & Engagement (BSSE) provides students who identify as Black, African and Caribbean with community, resources and support to help them fully maximize and thrive academically and personally throughout their Humber journey. BSSE programs assist with community building, leadership, personal and professional development, and on and off campus engagement.

To learn more, visit humber.ca/bsse.

HUMBER
LGBTQ+
Resource Centre

The **LGBTQ+ Resource Centre** works to promote safer, braver and positive spaces, and offers a dedicated space at both the North and Lakeshore Campuses for students to connect with one another, access resources and build community. The LGBTQ+ Resource Centre also offers drop-in hours where learners can speak to staff to learn about the LGBTQ+ programs and services available both on and off campus.

To learn more, visit humber.ca/lgbtq.

Indigenous Education & Engagement (IE&E) works in partnership with regional Indigenous communities to provide Indigenous students with comprehensive support that connects them academically, culturally and socially to their learning environment. IE&E fosters a strong sense of community by promoting Indigenous perspectives and creating opportunities for connection, growth and success on campus. For future students, IE&E offers guidance to ease the transition into post-secondary education, including assistance with applications and access to free OCAS applications.

To learn more, visit humber.ca/indigenous.

IGNITE is Humber's student government dedicated to supporting learners' wellness, career success and social life with a wide range of services — from health and dental plans to dispute resolution and free in-person and virtual events. They understand post-secondary is a pivotal chapter in learners' lives, so they strive to make it a fun and rewarding experience. Their mission is to empower learners to reach their full potential while building a safe, supportive community where every student feels valued and connected.

THE MOST IN ONTARIO

Humber Global provides a variety of opportunities for students to experience global learning through virtual and in-person programs with international partner institutions or right on campus. These experiences allow students to enhance their academic experience, explore diverse cultures, gain new perspectives and earn academic credit — regardless of their interests, schedule, program or budget.

To learn more, visit humber.ca/global-opportunities.

Humber Esports is part of the college's varsity program and has been recognized by Esport Canada, an organization committed to promoting the growth and development of esports participation and excellence at all levels of play.

Esports is a rapidly growing industry offering entertainment along with career paths for those interested in the world of competitive gaming.

Humber Esports has two primary gaming areas at North Campus. The Barrett CTI Esports Hub and what's known as the Esports Dojo in LB109.

More information can be found at the Humber Esports linktr.ee/HumberEsportsGG.

YOU WANT A GREAT EDUCATION, AND WE HAVE THE FINANCIAL TOOLS TO HELP YOU GET ONE.

Access resources and support through Humber's Financial Aid Office.

Humber has many entrance scholarships, including renewable scholarships for those who maintain an average of 80 per cent or higher as a full-time Humber student. Scholarships are automatically awarded to high school students based on academic achievement.

For more information, visit humber.ca/scholarships.

International Student Ontario Graduate Certificate Tuition & Fees	\$20,153
Books	\$1,500
Supplies	\$500
Public Transit	\$1,540
Residence and Meal Plan	\$11,085 to \$14,953 (approx.)

*NOTE: The fees noted above are the averaged costs from the 2024|2025 academic year. Some programs may have higher fees than those listed and will be noted on the program page online.

Barrett Centre for Technology Innovation, North Campus

NORTH CAMPUS

Humber's North Campus is a living lab with campus spaces designed to foster innovation and connection.

- The Humber Spa – a full-service classroom and retail boutique providing facials, hand and foot care, and body treatments.
- Dining Options – many eating establishments, and the Humber Room, a student-run fine dining restaurant.
- Athletics – varsity and intramural leagues and athletics facilities.
- The Humber Golf Lab – featuring a high-tech simulator and golf equipment fitting tools, it is the only one of its kind across all Canadian colleges.
- The Barrett Centre for Technology Innovation – our facility dedicated to driving the future of innovation and empowering students and industry to solve real-world challenges.

HOUSING OPTIONS

STUDENT RESIDENCE (ON-CAMPUS)

Humber provides residence space for 1,780 students between our North and Lakeshore campuses. On-campus housing is limited and is offered on a first-come, first-served basis.

Once you have confirmed your offer of admission, apply early for a student residence room online at humber.ca/residence.

OFF-CAMPUS HOUSING

There are many options for living off campus. The prices and conditions are not part of your tuition, and you will need to negotiate directly with the housing provider.

To learn more, visit places4students.com.

Centre for Skilled Trades and Technology

CENTRE FOR SKILLED TRADES AND TECHNOLOGY

A career in the skilled trades starts at Humber Polytechnic's Centre for Skilled Trades and Technology.

- State-of-the-Art Labs – experience hands-on learning in labs that simulate worksites in plumbing, carpentry, electrical, welding, industrial woodworking, construction, renovation and more.
- Expansion and Renovation – a \$9.5 million expansion has added 500 skilled trades training opportunities for pre-apprenticeship, apprenticeship and post-secondary students and includes a heating, refrigeration and air conditioning lab as well as a gas and oil lab, an AR/VR/XR simulation studio, a heat plant, study spaces, a remote studio and collaboration pods.

Historic Cottage Buildings, Lakeshore Campus

LAKESHORE CAMPUS

Humber's Lakeshore Campus is located a short distance away from Toronto's museums, theatres and galleries and offers a mix of history and innovation.

- Humber Cultural Hub – Phase 1 is open with Phase 2 scheduled for completion in 2026 that will include a new 500-seat performance hall as well as an Indigenous-themed classroom and an informal interior amphitheatre. There will also be classrooms for use by various Faculties, new film studios, a Comedy Cabaret and more.
- Heritage Buildings – an academic village of 10 restored 19th-century cottage heritage buildings.
- Student Welcome and Resource Centre – also home to the Lakeshore Grounds Interpretive Centre.
- Colonel Samuel Smith Park – just steps away from Lakeshore Campus, perfect for a study break, enjoying a network of paths and a view of Lake Ontario.

Downtown Campus (International Graduate School)

DOWNTOWN CAMPUS (International Graduate School)

Humber's Downtown Campus' location lets you study in the heart of Toronto where the city's energy and diversity enrich your educational experience.

- Cutting-edge classroom technology and innovative teaching methods designed to help you succeed.
- Industry and Community Connector Hub – where students, academia and industry come together to tackle real-world business challenges and drive innovation.
- Resources – the campus offers a blend of in-person and virtual resources alongside partner facilities to ensure your success and well-being both in and out of the classroom.

INDIGENOUS EDUCATION & ENGAGEMENT

Indigenous Education & Engagement builds a sense of community by connecting people through Indigenous perspectives.

INDIGENOUS STUDENT AWARDS, BURSARIES AND SCHOLARSHIPS

Humber provides assistance to Indigenous students in meeting the costs of their tuition and living expenses while studying full time or part time. Humber offers a variety of bursaries and scholarships for Indigenous students. Humber's Indigenous Education & Engagement website also offers a wide range of academic, personal, cultural and career support services.

OUR STUDENT SERVICES

We assist Indigenous students in transitioning to the challenges of post-secondary education, while fostering awareness and appreciation of Indigenous culture and history within the greater campus community.

Services Include:

- Academic & Learning Support
- Bursary & Band Funding Applications
- Peer Tutoring & Student Advising
- Educational & Cultural Programming

To receive a voucher code for a free OCAS application or for assistance in applying to Humber, please contact the Indigenous Education & Engagement Team at humber.ca/indigenous/contact-us.

ADVISORY SERVICES

- Peer tutoring access
- Quiet computer and study space
- Bursary and funding applications
- Indigenous student advising
- Community referrals
- Work-study and volunteer opportunities
- Educational and cultural programming and events throughout the academic year
- Peer-to-Peer Mentorship and the Grad-Ready Program
- Indigenous Camp Choice

OUR RESOURCE CENTRES

The resource centres are available for students to study, access computers, print, meet fellow Indigenous students, attend events and much more!

The spaces are equipped for smudging, and traditional medicines are provided for students to access.

If you are at the North Campus or Lakeshore Campus, please visit us at:

North Campus:

Learning Resource Commons (LRC), 2nd Floor

Lakeshore Campus:

Student Welcome & Resource Centre, 3rd Floor

INDIGENOUS TUITION GRANT

The Indigenous Tuition Grant program is offered to Indigenous students from eight First Nations communities.

- Alderville First Nation
- Chippewas of Georgina Island
- Curve Lake First Nation
- Hiawatha First Nation
- Mississaugas of the Credit First Nation
- Mississaugas of the Scugog Island First Nation
- Mohawks of the Bay of Quinte (Tyendinaga Mohawk)
- Six Nations of the Grand River

These communities were selected due to their geographic proximity to Humber.

For more information, contact indigenous@humber.ca.

Humber is committed to all aspects of campus culture with Indigenous Cultural Markers, art installations and wellness services.

PUTTING THEORY INTO PRACTICE

At Humber Polytechnic, students build a strong foundation for their careers by gaining real-world experience before they leave the classroom. Our Faculties focus on programs that address both current and future employer needs, ensuring graduates are well prepared to thrive into an ever-evolving workforce. With strong ties to industry and community partners, Humber helps students turn their education into meaningful career opportunities – giving them a clear advantage in today's competitive job market.

FIND YOUR EDGE IN ONE OF OUR SIX FACULTIES

- **Faculty of Applied Sciences & Technology**

With programs in design, engineering, engineering technology and skilled trades, this Faculty combines theory and real-world experience to build career readiness.

- **Longo Faculty of Business**

Prepare for various business careers through the degrees, diplomas and graduate certificates that this Faculty offers.

- **Faculty of Health & Life Sciences**

This Faculty provides programs for students preparing for careers in health care and wellness, emphasizing skills, adaptability, compassion and a commitment to social justice.

- **Faculty of Liberal Arts & Sciences**

This Faculty offers a wide range of courses including English, communications, math, literature, social sciences and humanities, providing a foundation for academic, personal and professional development.

- **Faculty of Media, Creative Arts, and Design**

If a creative career is calling, this Faculty's programs in the areas of media, creative arts including music and design might be the right fit.

- **Faculty of Social & Community Services**

This Faculty offers programs for those looking to make a difference in their communities through practical experience and deep theoretical knowledge.

BUILD A STRONG ACADEMIC FOUNDATION AND FAST TRACK YOUR FUTURE

Courses in General Arts and Science and Foundations programs prepare you for future diploma and degree-level studies at Humber.

FOUNDATION PROGRAMS

Our foundation programs get you ready for post-secondary education. Choose from:

[Academic Upgrading \(AU\) Certificate](#)

[Art and Design Foundation Certificate](#)

[English for Academic Purposes \(EAP\) Certificate](#)

[Media Foundation Certificate](#)

GENERAL ARTS AND SCIENCE PROGRAMS

General Arts and Science pathways prepare students to transfer to other Humber programs to continue their education.

[Applied Sciences and Engineering Fundamentals Certificate](#)

[College Transfer Certificate](#)

TRANSFER STUDENTS AND RECOGNITION OF PRIOR LEARNING

ARE YOU A TRANSFER STUDENT?

You are a transfer student if you have completed or partially completed a program at a college, polytechnic or university and wish to continue your studies. You can follow one of three paths:

Transfer In:

You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

Transfer Within:

You are a Humber student or graduate wanting to transfer credits or get advanced standing into another Humber program.

Transfer Out:

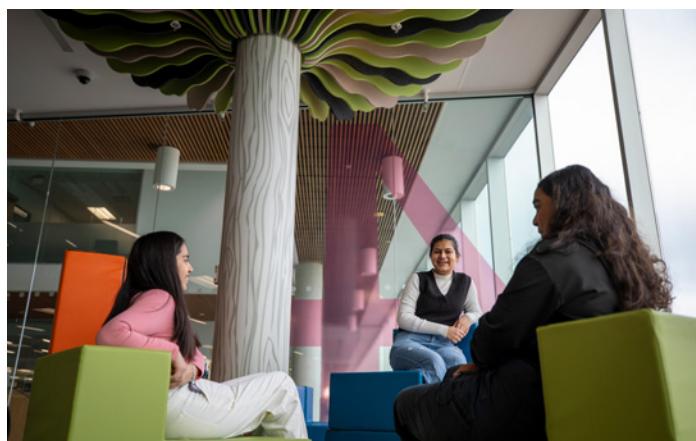

You're looking to advance your education beyond Humber with another credential. Humber has transfer agreements with many post-secondary institutions.

EXPLORE PATHWAYS

Humber offers pathways into, within and out of Humber to achieve your goals. Learn about the range of inbound/outbound pathways, scholarships and more with Humber's Explore Pathways module.

Try our new diploma to degree combo calculator to see how you can save time and money while earning two credentials. humber.ca/combos

To learn more visit humber.ca/transferoptions.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

Humber recognizes that learning happens everywhere. PLAR is the process of recognizing your learning from work, life, volunteer or military experience and awarding academic credit to your Humber program. Learn more at humber.ca/transferoptions/plar or book an appointment to speak to a student mobility officer at humber.ca/transferoptions/contact.

TRANSFER CREDITS

If you have completed a similar course at another recognized post-secondary institution, you may be eligible to receive transfer credits toward your Humber program.

Learn more and check out our database at humber.ca/transferoptions/transfer-in/transfer-credits.

EVENTS

Visit us at one of our many transfer and mature student events at humber.ca/transferoptions/events.

BACHELOR'S DEGREES

(four years)

Humber's degree programs are built to launch your brilliant future.

With industry-informed faculty, real-world projects and hands-on learning that reflects the workplace, you'll graduate ready to dive right into your dream career with the skills you need to succeed.

Humber degree students benefit from:

- Small class sizes (30–60 students)
- 14-week work placements
- Career-focused work-integrated curriculum
- Experienced faculty with industry expertise
- Modern labs, studios and facilities
- Development of 12 key employability skills that employers are looking for
- The confidence to start a career and the flexibility to pursue postgraduate- or master's-level studies

WHY SHOULD YOU CHOOSE A DEGREE AT HUMBER?

Humber's four-year honours degrees are industry informed, and offer real-world projects and hands-on learning that reflect the workplace. They are built to launch your future – whether that is starting your career or pursuing postgraduate- or master's-level studies.

Admission Requirements: To be eligible for admission into a bachelor's degree, you must possess the following: Ontario Secondary School Diploma (OSSD) or equivalent; Six Grade 12 U or M level courses including Grade 12 U English (ENG4U or equivalent) with an overall grade point average of 65 per cent. Additional courses or requirements may apply. Please see below.

CERTIFICATES, DIPLOMAS AND ADVANCED DIPLOMAS

Program Name	Academic and Additional Requirements	SE	C	WIL/EL	Career Options
3D Modelling and Visual Effects Production 11671	Strong design and/or artistic background and knowledge of either digital design software or a 3D computer animation program would be advantageous. Portfolio.	2	N	-	Careers in large or small production houses in the film, visual effects, animation and gaming sectors.
Academic Upgrading (AU) 0659	19 years of age or older; a resident of Ontario; legally able to work in Ontario; assessed in an information and assessment session.	3	N	-	This program provides students with an opportunity to become comfortable in a college environment while building English, math and computer skills – with the option to build biology and chemistry skills in lab-based environments. Students explore educational and career goals. Some students pursue further post-secondary education.
Accounting, Business 02211 	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	4	N OL		Careers in accounts payable, accounts receivable, credit and collections, budget analysis, general/financial accounting, cost/management accounting, payroll accounting, personal tax preparation.
Accounting, Business Administration 02111 	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	6	N		Careers in accounts payable and receivable, cost accounting, general and payroll accounting, internal/external auditing, financial and management accounting, compliance managing, financial planning and data analysis, personal and corporate tax preparation.
Acting for Stage and Screen SS211	Three Grade 11 or Grade 12 C, M or U courses. Audition.	4	L	-	Careers in traditional stage, film and television; webisodes; virtual reality and gaming videos; voice overs for cartoons; commercials; narration; audio dialogue replacement (dubbing).
Advertising and Graphic Design 04701 	Three Gr. 11 or 12 C, M or U courses.	4	L OL		Careers in advertising agencies, design studios, in-house design departments, marketing departments, digital studios, sales promotion companies, freelancer.
Advertising and Marketing Communications 04621 	Three Gr. 11 or 12 C, M or U courses.	4	L OL		Advertising traffic co-ordinator, assistant account co-ordinator, communications co-ordinator, junior account co-ordinator, advertising specialist, marketing specialist, media sales representative, production designer.
Animation – 3D AN311	Three Gr. 11 or 12 C, M or U courses. Portfolio and written statement.	6	N	-	Careers in broadcast television and commercials, live-action and animated films, video games and other real-time applications.

Program Name	Academic and Additional Requirements	SE	C	WIL/EL	Career Options
Applied Sciences and Engineering Fundamentals (NEW) AS111	No additional academic requirements.	2	N	–	Preparation for further study in Humber's applied sciences diplomas and engineering degree programs.
Architectural Technology 03371 	Grade 12 Mathematics (MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U or equivalent) & two Grade 11 or Grade 12 C, M or U courses.	6	N	opt	Construction product manufacturer or sales representative, construction project manager, estimator or specification writer, licensed architectural technologist or facilities planner, municipal building plans examiner, zoning examiner or building inspector, VR/AR operator, BIM manager, licensed house designer.
Architectural Technology - Sustainable Design (NEW) AT311	Grade 12 Mathematics (MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U or equivalent) & two Grade 11 or Grade 12 C, M or U courses.	6	N		Careers in architectural, engineering, construction and building operations (AECO) within industry, government and public organizations.
Art and Design Foundation AD111	Three Gr. 11 or 12 C, M or U courses.	2	N	–	Continued study or introduction into the work world in advertising and graphic design, animation, commercial illustration, visual arts, industrial design, interior design, interior decorating, architecture, multimedia design, and web design.
Baking and Pastry Arts Management 14161	Three Gr. 11 or 12 C, M or U courses.	4	N		Careers at hotels, golf clubs and banquet halls; building online businesses and portfolios; creating and marketing new bakery products; opening bakeries and pastry shops; decorating and designing wedding cakes.
Biotechnology BT211 	Gr. 12 C or U Math; SBI3C, SBI3U or SBI4U; & SCH3U, SCH4C or SCH4U.	4	N	–	Careers in agriculture, development and manufacturing; environmental assessment; protection and remediation; food and beverage bioprocesses; health bioinformatics; industrial product analysis; medical diagnostic testing; pharmaceutical preparation and testing, research and development.
Broadcast Television/Videography 11581	Three Gr. 11 or 12 C, M or U courses.	4	N		Camera operator, audio operator, sound/picture editor, production assistant, technical and floor director, researcher, writer, producer, director.
Business Administration 02511 	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	6	N OL	opt	Marketing analyst, merchandising manager, budget analyst, sales representative, financial planner, human resources administrator, advertising account co-ordinator, event planner, social media analyst.
Business Management 02251 	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	4	N L OL		Marketing/sales assistant, production co-ordinator, account manager, market research co-ordinator.
Cardiovascular Technology (NEW) CT211	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U; SBI3C, SBI3U or SBI4U; SCH3U, SCH4C or SCH4U; SPH3U, SPH4C or SPH4U	5	N		Registered cardiology technologist (RCT), cardiac sonographer, perfusionist, electrophysiology technologist, medical device technician and clinical applications specialist.
Child and Youth Care CY311 	Three Gr. 11 or 12 C, M or U courses.	6	L		Careers in child protection agencies, community-based child and youth development programs, early intervention and prevention programs, open custody group homes, parent education and family support, psychiatric hospitals, residential and day treatment programs in children's mental health centres, school-based programs and school boards, youth and women's shelters.
Child and Youth Care – Accelerated CY321 	A bachelor's degree, advanced diploma, diploma, or equivalent.	4	L		Careers in child protection agencies, community-based child and youth development programs, early intervention and prevention programs, open custody group homes, parent education and family support, psychiatric hospitals, residential and day treatment programs in children's mental health centres, school-based programs, youth and women's shelters.
Civil Engineering Technology 03351 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N		Careers with municipalities, engineering consulting firms, general contractors, builders/developers, architects, land or quantity surveyors, environmental agencies.

Applicants with mature student status, or college or university transfer status, refer to the program page on the website. Not all programming is available to international students. Refer to humber.ca/international for admission requirements and application information. Meeting minimum eligibility requirements does not guarantee admission.

CERTIFICATES, DIPLOMAS AND ADVANCED DIPLOMAS

Program Name	Academic and Additional Requirements	SE	C	WIL/EL	Career Options
Comedy: Writing and Performance 12211	Three Gr. 11 or 12 C, M or U courses.	3	L	–	Careers in standup comedy, sitcom/film performance, production, broadcasting, advertising and voiceovers, sketch comedy, comedy writing, public relations, social media.
Community and Justice Services 11171 	Three Gr. 11 or 12 C, M or U courses.	4	L	–	Community justice worker, provincial or federal adult correctional officer, provincial youth service officer, open custody youth worker, community crime prevention worker, victim services worker, residential worker, law enforcement officer.
Computer Engineering Technology 03501 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	–	Careers in technology companies, organizations and government departments.
Computer Programming CP221	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	DT OL	Computer programmer, database designer, database programmer, software developer, information systems analyst and consultant, mobile app developer, quality assurance tester, web developer.
Computer Programming and Analysis CP311	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	DT OL	Computer programmer, cybersecurity analyst, database administrator, database designer and programmer, information systems analyst and consultant, mobile app developer, quality assurance tester, software designer and developer, web designer and developer.
Computer Systems Technician – Information Technology Infrastructure and Services CS211	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	–	Careers in technology, website and administration management, customer service, information technology (IT) infrastructure and user support.
Construction Engineering Technology CE311	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	opt	Apprenticeship general carpenter in the residential building, commercial or industrial carpentry industry.
Cosmetic Management 21781 	Three Gr. 11 or 12 C, M or U courses.	4	N	–	Account executive, assistant buyer, cosmetic/fragrance brand manager, counter manager, freelance makeup artist, product developer.
Culinary Management 01911	Three Gr. 11 or 12 C, M or U courses.	4	N	–	Careers at banquet halls, catering companies, corporate kitchens, food research and development, golf courses, hospital kitchens and long-term care facilities, hotels and resorts, restaurants, cruise ships, personal or private chef.
Culinary Skills 14071	Three Gr. 11 or 12 C, M or U courses.	2	N	–	Careers at corporations, event venues, golf clubs, hotels and resorts, restaurants, stadiums, trains and cruise ships.
Developmental Services Worker 01101 	Three Gr. 11 or 12 C, M or U courses.	4	L	–	Classroom educational assistant (EA), community support facilitator, day support/programming worker, employment supports worker, life skills development and support, residential counsellor/direct support worker, seniors' support worker.
Early Childhood Education 07911	Three Gr. 11 or 12 C, M or U courses.	4	N	–	Careers in before- and after-school programs, child and family centres, child care and early learning programs, community programs, full-day kindergarten, home child care, parent education programs.
Electrical Engineering Technician – Control Systems 30111	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	–	Careers include installing, operating, maintaining and servicing electrical machines and instruments, processing control systems and power generation equipment.

Program Name	Academic and Additional Requirements	SE	C	WIL/EL	Career Options
Electrical Engineering Technology – Control Systems 30101 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	opt	Careers include programming software, feedback control system and motor control, instrumentation and programmable logic controllers (PLCs), power electronics, power generation, transmission and distribution, power system design, human machine interface (HMI) design, supervisory control and data acquisition (SCADA).
Electromechanical Engineering Technician 3070R	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	-	Careers include roles in automation, automotive and parts manufacturing, communications, maintenance, mining, quality control and automated testing, robotic maintenance and programming, systems integration, technical sales and services, transportation, troubleshooting and testing.
Electromechanical Engineering Technology 3071R 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	opt	Careers include roles in automotive and parts manufacturing, automation and robotics technology and programming, automated system design and operation, quality control and automated testing, machine design and assembly, maintenance, troubleshooting and testing, PLC programming, safety systems integration, technical sales and services.
Electronics Engineering Technician 03531 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	-	Careers with major users of large electronic systems such as broadcasting networks; manufacturers of electronics equipment; manufacturers of scientific, medical and industrial instrumentation; telecommunications carriers.
Electronics Engineering Technology 03511 	Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	opt	Careers with major media and broadcast companies; technology firms; and power generation and distribution corporations using skills in electronic; analog; digital and programmable circuits; photonics; laser technology; electronic materials and devices; intelligent systems; high-definition (HD) and traditional broadcasting systems; robotics; cellular technology.
Emergency Telecommunications ET011	Three Gr. 11 or 12 C, M or U courses.	1	N		Dispatcher, call facilitator, emergency telecommunicator.
English for Academic Purposes (EAP) 09371	English Language Placement test. Domestic applicants who are under the age of 19 must possess an Ontario Secondary School Diploma (OSSD) or equivalent.	8 wks	L	-	Preparation for further post-secondary and postgraduate programs.
Esthetician/Spa Management 20871	Three Gr. 11 or 12 C, M or U courses.	4	N		Careers in day spas, health and wellness clubs, hotels, resort and destination spas, laser clinics, medical spas, nail bars, beauty boutiques, skincare brand sales and marketing, product development.
Fashion Arts and Business FA211 	Three Gr. 11 or 12 C, M or U courses.	4	N		Buyer or associate buyer, retail distribution or marketing manager, cosmetics account manager, wholesale apparel, accessories or cosmetics sales agent, fashion and trade show co-ordinator, visual merchandiser, merchandise allocator, marketing assistant to fashion designers and manufacturers, freelance stylist or image consultant.
Film and Television Production 04831 	Three Gr. 11 or 12 C, M or U courses.	6	N		Careers in camera operation, directing and producing, lighting, location scouting, marketing and distribution, picture and sound editing, sound recording and mixing, screenwriting.
Financial Services, Business Management FI211	MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	4	L		Personal banking officer, investment advisor, financial advisor or planner, consumer credit advisor, life insurance broker, mortgage or loan officer, retirement or investment planner, risk or wealth manager.
Fire Services FS211	Gr. 11 or Gr. 12 Math; Gr. 11 or 12 Biology or Gr. 11 or 12 Chemistry or Gr. 11 or 12 Physics or Gr. 12 Exercise Science or Gr. 12 Introductory Kinesiology; & one Gr. 11 or 12 C, M or U course.	4	N	-	Employment in the public sector such as municipal fire services, provincial and federal ministries, and private sector companies such as fire protection and safety equipment, security, fire inspection, and insurance adjustment.

Applicants with mature student status, or college or university transfer status, refer to the program page on the website. Not all programming is available to international students. SKILLED TRADES

(two to six semesters)

Ontario's trade industry is growing like never before, and Humber is committed to building a strong, skilled workforce.

Your journey in skilled trades starts at Humber in a state-of-the-art facility that takes you beyond the traditional classroom and provides hands-on practice in a simulated worksite where you'll develop specialized skills while learning from industry experts.

Admission Requirements: To be eligible for admissions into an Ontario college certificate, two-year diploma or three-year advanced diploma, you must possess the following: Ontario Secondary School Diploma (OSSD) or equivalent, Grade 12 English (ENG4C or ENG4U or equivalent). Additional courses or requirements may apply.

APPRENTICESHIPS

(three to five years)

Apprenticeships offer you a chance to learn a highly skilled trade in many industries.

These programs offer a balance of working in your chosen trade with an industry employer and the academic learning you need to round out your skills development. Humber provides the required academic components towards an apprenticeship, including technical theory and in-school training.

The first step in any apprenticeship is to get a job with an employer who is willing to sponsor you as an apprentice. Apprenticeship programs are open to domestic students only.

For more information about Humber apprenticeships, visit humber.ca/apprenticeship.

For general information about apprenticeships in Ontario, please visit ontario.ca/apprenticeship.

Admission Requirements: To be eligible for admission to Apprenticeships, you must possess the credentials below.

THE HUMBER HLO DIFFERENCE

At Humber, our emphasis on practical, hands-on learning ensures graduates are prepared to excel in their careers and develop life-long employability. Guided by the Humber Learning Outcomes (HLOs), we focus on developing skills that make our students leaders in their fields, ready to make a significant impact in the global workforce.

HLOs demonstrate our commitment to developing career-ready citizens. No matter which program you choose, you will graduate with the employability skills, mindsets and values that will benefit you throughout your career and life. Embedded within each curriculum, you will have many opportunities to strengthen in these twelve attributes as a value-add to program-specific knowledge and skills. The symbols representing the HLOs have been derived from Humber's connection to the Humber River, its ecosystem and its rich Indigenous history.

YOU COULD WIN \$5,000 TOWARD YOUR TUITION

Learn more at humber.ca/win.*

*Visit humber.ca/win and fill out our online form. One prize of \$5,000.00 (CDN) to be used toward tuition at Humber is available to be won. Contest will run from September 2, 2025 and closes on June 24, 2026. The random draw is on July 28, 2026. Winner will be required to answer a skill-testing question. Odds of winning depend on the number of entries received. Contest is open to new incoming, domestic, first-semester students starting a program at Humber in 2026–2027 and must be a resident of Canada, excluding Quebec. No purchase necessary. For complete rules visit humber.ca/win.

DECLARATION OF WAIVER

The information in this Viewbook is accurate as of August 1, 2025. Humber does its best to update program information regularly so that students are not inconvenienced. However, on occasion, changes do occur. Therefore, after August 1, 2025, Humber reserves the right to modify or cancel any program, profile, course, program objective, fee, timetable or campus location without notice or prejudice. It is also Humber's right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course or courses during the evening or on Saturday. Career opportunities listed in this publication are not a guarantee of employment. Our most up-to-date information can be found on our website at humber.ca in the 2026|2027 program pages.

The Humber Viewbook is published annually by the Marketing and Communications Department at Humber Polytechnic. This print publication is available while supplies last at all Humber campuses and is also available in an alternate format. Humber is not responsible for any errors or omissions, or the results obtained from this publication. Information in this publication does not include a guarantee of completeness or accuracy.
