► Apply today.
[humber.ca](https://www.humber.ca)

Follow these steps to get into your dream program at Humber.

1

RESEARCH PROGRAMS

Visit [humber.ca/programs](https://www.humber.ca/programs) to find information about all of our programs. Visit [humber.ca/openhouse](https://www.humber.ca/openhouse) for resources, including virtual tours of our campuses.

2

APPLY TO HUMBER

Apply to Humber through [ontariocolleges.ca](https://www.ontariocolleges.ca).

3

TRACK YOUR APPLICATION

Track the status of your application through Humber's student portal [humber.ca/myhumber](https://www.humber.ca/myhumber).

4

RECEIVE YOUR OFFER

Congratulations! You've received an offer of admission.

5

CONFIRM YOUR OFFER

Confirm your offer through [ontariocolleges.ca](https://www.ontariocolleges.ca).

6

PAY YOUR FEES

Pay your tuition deposit to secure your spot. Tuition fees can be paid through your MyHumber account. Keep track of fee deadlines and important dates at [humber.ca/academic-calendar](https://www.humber.ca/academic-calendar).

7

YOUR NEXT STEPS

Plan your on-campus stay in residence, apply for transfer credits and submit your photo online for your Humber student ID at [humber.ca/myhumber](https://www.humber.ca/myhumber).

8

REGISTER FOR CLASSES

Register for classes online at [humber.ca/myhumber](https://www.humber.ca/myhumber). Check out the Registration Road Map at [humber.ca/registration](https://www.humber.ca/registration).

9

ATTEND ORIENTATION

Find out where your classes are and learn more about student services. Visit [humber.ca/orientation](https://www.humber.ca/orientation).

10

YOU'VE ARRIVED

Welcome to your first day at Humber!

Find the right program, get advice, take a virtual tour or browse upcoming recruitment events at [humber.ca/future-students](https://www.humber.ca/future-students).

Humber Admissions

Find the right program, get advice, take a virtual tour or browse upcoming recruitment events at [humber.ca/future-students](https://www.humber.ca/future-students).

Find Your Match

LAND ACKNOWLEDGMENT

Humber College is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagig language, the region is uniquely situated along Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

A Humber education will help you gain the knowledge and experience you need to move forward and into your chosen career.

CAREER OUTCOMES

We are focused on your future success. With technology rapidly advancing and new ways of working and learning, Humber can help you chart a sure path to your career.

Our in-person and online courses provide an in-demand combination of career-focused theory and hands-on learning. In small classes, you will develop knowledge and skills, and have the opportunity to apply them practically. You will learn from expert faculty who have extensive industry experience. They know what employers are looking for and have connections and advice that can help you beyond graduation. Work with our industry partners and participate in innovative work-integrated learning opportunities to gain real-world experience and problem-solving skills, or explore how to become an entrepreneur in your field.

86.5% OF HUMBER GRADS ARE EMPLOYED WITHIN SIX MONTHS OF GRADUATION.*

92% of employers believe that Humber graduates perform tasks accurately and pay attention to detail.*

95% of graduates would recommend Humber to someone else.*

FAST FACTS

220+
full-time programs in more than **40 AREAS OF STUDY**

100+
diploma to degree pathway opportunities 

278,000 HUMBER ALUMNI

60+ online programs and more than **100** online courses and workshops

200 PART-TIME CERTIFICATES

 **80+** pathways from Ontario Graduate Certificates to master's programs at partner institutions

Over **30%** of incoming students have previous experience or education

Student Commitment

Here's our commitment to you.

WE WILL:

Give you a great learning experience, no matter how you learn

Whether you are learning in-person or online, your courses will cover key learning outcomes of your program and will help you build on your knowledge and integrate your education into your professional and personal life, preparing you for the next step in your educational journey if you choose to pursue Humber's many pathway options. Your professors have designed your courses with activities and tasks that inspire thinking and creative applied learning experiences.

All courses are based on a common set of design principles to ensure consistency and equity of access. We will also ensure that information about your courses and program is easily available.

Help keep you connected

You can expect opportunities for meaningful interactions with your professors, Humber staff and your classmates. Your professors will connect regularly with you and you will have opportunities to collaborate with other students. Our student success team is available to help you navigate our services and supports, or just to chat about how you are doing.

We will provide you with clear, transparent and timely communications through conversations, emails and our social media channels.

Foster an environment of wellness, kindness and inclusion

We know that every student at Humber has their own story to tell and their own set of unique circumstances. We will work to understand your needs and to connect you with the right supports.

We will continue to expect that all members of our community interact in respectful ways that support Humber's commitment to equity and diversity.

Do our best to be flexible

As things continue to evolve, we will all need to adjust and adapt. We know that in needing to adapt quickly and in trying out new approaches, we will likely make some mistakes. When that happens, we will acknowledge them, learn from them and work together to fix them.

We will continue to seek out your feedback and keep you informed of any impacts on your studies or our services.

Teaching and Learning Online

The world can change quickly, but no matter what happens, we remain committed to our students, our mandate and our values. At Humber, these commitments guide us in all that we do.

With health and safety top of mind, Humber has continued to offer both in-person and online learning for students. We continue to prioritize hands-on learning and finding new ways to ensure our students get this invaluable experience.

Work-integrated learning remains to be an important part of our program delivery. Each program has its own approach to incorporating these activities whether through field and clinical placements or industry-based projects.

Quality learning experiences and exceptional supports are foundational to a Humber education, whether it is delivered online or in-person.

Online learning at Humber uses the Internet, digital classroom platforms and different types of software. Online courses are designed by Humber faculty using a common set of design principles: simplicity, usability and accessibility.

Humber is committed to giving you a great online learning experience.

The digital classroom allows students to:

- interact and collaborate with their peers
- contribute to class dialogue
- learn various ways to create digital content
- make connections outside of the classroom
- leverage a degree of self-paced learning
- develop your digital fluency skills

A variety of resources and supports, including **[humberonline.ca](https://www.humberonline.ca)**, are available to guide and support students in their online courses.

At the time of this publication, we intend to deliver all programs as advertised (or indicated) for the 2022–2023 academic year. As the COVID-19 pandemic evolves, we may need to alter our 2022–2023 plans to follow the guidance of public health agencies and keep our community safe. For regular updates on Humber's response to COVID-19, please visit **[humber.ca/updates](https://www.humber.ca/updates)**.

You want a great education and we want to help you get one. There are many ways to make that possible through Humber's Financial Aid office.

AWARDS AND SCHOLARSHIPS

Receive up to **\$16,000** with a Bachelor's Degree Entrance Scholarship (see Page 8).

Receive up to **\$2,500** with a Diploma or Certificate to Degree Transfer Scholarship (see Page 10).

Scholarships and awards are given to students based on merit and academic achievement. We can also help you find information about application-based scholarships, both from Humber and external sources.

► To learn more, visit humber.ca/financial-resources.

BURSARIES

Bursaries are available for certificate, diploma and degree programs and are awarded primarily based on financial need, although academic excellence, extracurricular activities and community involvement may all be considered. Residency restrictions may apply.

► To learn more, visit humber.ca/financial-resources.

ONTARIO STUDENT ASSISTANCE PROGRAM (OSAP)

OSAP is an Ontario government financial aid program that offers funding to post-secondary students through grants (money you don't have to pay back) and student loans (money you need to repay once you're done school).

► To learn more, visit osap.gov.on.ca.

You could win **\$5,000** toward your tuition. Learn more at humber.ca/win.

WORK-STUDY BURSARY PROGRAM

Part-time employment opportunities with Humber are available to eligible full-time, domestic students. Eligibility for the work-study program is primarily based on financial need.

► To learn more, visit careers.humber.ca/work-study.

FEES CHART*

Domestic Diploma or Certificate Tuition & Fees	\$3,886
Domestic Bachelor's Degree Tuition & Fees	\$7,240
Domestic Ontario Graduate Certificate Tuition & Fees	\$6,242
International Student Diploma or Certificate Tuition & Fees	\$15,900
International Student Bachelor's Degree Tuition & Fees	\$19,028
International Student Ontario Graduate Certificate Tuition & Fees	\$17,871
Books	\$1,500
Supplies	\$500
Public Transit	\$1,250
Residence and Meal Plan	\$9,169 to \$12,198 (approx.)

* NOTE: The fees noted above are the averaged costs from the 2021-2022 academic year. Some programs may have higher fees than those listed and will be noted on the program page online.

A Humber education prepares you to take on a rapidly changing world and the future of work — no matter which program you choose.

We have more than 220 full-time programs and a wide range of credentials across many areas of interest. All are designed to meet your academic and career goals.

Skilled Trades & Apprenticeships

CREDENTIALS

Foundation Certificates (two to three semesters)

Our foundation certificates allow you to gain or upgrade the skills you need to pursue further studies. These programs will help you build a portfolio and hone your skills.

Certificates (two to three semesters)

One-year certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

Apprenticeships (three to five years)

Apprenticeships give you the opportunity to learn an in-demand skill in a variety of fields. We help get you ready for the workplace through the in-school training component.

Diplomas and Advanced Diplomas

(four to six semesters) Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

Bachelor's Degrees (four years)

Our honours bachelor's degrees give you the ideal balance of theoretical knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work and clinical placements.

Ontario Graduate Certificates (two to four semesters)

Intended for students who already have a bachelor's degree or an appropriate post-secondary credential, an Ontario Graduate Certificate will give you specialized knowledge in your field of interest and prepare you for career success.

Continuous Professional Learning

Professionals looking to upskill, reskill or build a foundation for a new career, and organizations ready to empower employees to help meet strategic goals can find options within Humber's Continuous Professional Learning programming. To learn more, visit [humber.ca/cpl](https://www.humber.ca/cpl).

Power Up Your Future

As a leader in polytechnic education, Humber maximizes choice, access and flexibility for our students. Whether you are looking to begin post-secondary, transfer to another program or further your education, Humber has the pathway for you. If you are looking to explore your options and gain valuable post-secondary experience, a foundational or transfer program may be the right fit for you. These programs allow you to power up your future as you plan for what's next.

GENERAL ARTS AND SCIENCE PROGRAMS

Some students benefit from improving their grades and/or taking a transition program to settle into school life. Humber General Arts and Science (GAS) pathways provide that opportunity and prepare students to transfer to other Humber programs to continue their education.

College or Degree Transfer Certificate (two semesters)

Prepare for further study at college or university with a program combining humanities, math and sustainability courses with instruction in academic writing and critical thinking skills. These programs are designed for mobility between GAS programs to support choice and flexibility for your future academic options.

Pre-Health Sciences Pathway to Advanced Diplomas and Degrees Certificate (two semesters)

If you're interested in a career in health sciences, this program will help you build the basic science and mathematics knowledge you'll need. You'll learn writing and critical thinking skills along with foundational knowledge in biology, chemistry, anatomy and physiology.

Technology Certificate (two semesters)

A unique program with many pathways. Gain important skills and knowledge in critical thinking, math and academic writing in this unique program with course options in tech, IT and trades.

University Transfer Diploma (four semesters)

If your goal is to earn a diploma and go on to degree-level studies, Humber's General Arts and Science — University Transfer Diploma is a great choice for you.

FOUNDATION PROGRAMS

Our foundation programs get you ready for post-secondary education and help you make an informed choice for your future studies and career path.

Art Foundation Certificate

This program offers you a comprehensive foundation in the basics of visual arts. Working in a studio environment, you'll explore the creative process with different types of media.

Design Foundation Certificate

This program gives you the skills to put your creative flair and interest in arts into focus. Train in professional design with a diverse curriculum that features courses in interior, graphic and industrial design.

Media Foundation Certificate

With small class sizes and expert instruction in design, writing and computer skills, this program is an excellent stepping stone to more specialized media and multimedia career training.

Academic Upgrading (AU) Certificate

Improve your essential English, math and computer skills at the college level.

English for Academic Purposes (EAP) Certificate

Integrate your reading, writing, listening and speaking skills in English with an academic focus.

Certificates and Diplomas

Certificates and diplomas prepare students for careers in their chosen field with a combination of theoretical and work-integrated learning.

You can choose from more than 100 certificate and diploma programs at Humber. Our programs have industry-focused curriculums and provide the opportunity to work on real-world challenges, ensuring graduates can be career-ready. They also provide the foundation for students who wish to pursue further education at Humber or at another post-secondary institution.

“When I graduated from Humber, I felt confident in the skills I gained throughout the course of the program and in my ability to go out and find a position in the pharmacy profession. The practical experience and mentorship from all my instructors made me feel ready to conquer the workforce as a new graduate. I would definitely recommend Humber’s Pharmacy Technician program to prospective students. The instructors, facilities and curriculum delivery make Humber a top choice in my mind.”

– Kayla, Graduate, Pharmacy Technician Diploma (2020)

► To learn more about Kayla’s story, visit humber.ca/today/kayla.

HUMBER-SENECA POLYTECHNIC PARTNERSHIP

The Humber-Seneca Polytechnic Partnership (HSPP) promotes co-operation and collaboration between Humber and Seneca College while enhancing and expanding learning opportunities for students at both institutions. More than 200 pathways have been established between the two polytechnic institutions, creating opportunities for degree completion in business, public safety, mental health, data science and analysis and interdisciplinary studies. This partnership will also include joint efforts on developing programs, creating shared curriculums and expanding program offerings. Leveraging our combined strengths as providers of comprehensive polytechnic education, our work with Seneca provides you with broader options and greater access to world-class education.

► Visit humberseneca.ca for more information.

Bachelor's Degrees

Our honours bachelor's degrees give you the ideal balance of theoretical knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work and clinical placements.

A Statistics Canada study shows professionals with a college degree earn more annually compared to university degree holders.

► Read the full HumberToday story at humber.ca/today/news/college-degree-equals-strong-start-your-salary.

BACHELOR'S DEGREE ENTRANCE SCHOLARSHIPS

Academic Average	Total four-year amount
95%+	\$16,000 (\$4,000 per year)
90 – 94.9%	\$14,000 (\$3,500 per year)
85 – 89.9%	\$12,000 (\$3,000 per year)
80 – 84.9%	\$8,000 (\$2,000 per year)
75 – 79.9%	\$1,500 one time

Humber has a number of entrance scholarships, including renewable scholarships for those who maintain an average of 80 per cent or higher as a full-time Humber student. Scholarships are automatically awarded to high school students based on academic achievement.

“I was interested in the Paralegal program because it offers a unique focus on oral advocacy, which I consider to be the foundation of a great legal

practitioner. I intend to use my bachelor's degree from Humber to pursue a law degree in Canada or overseas.”

– **Caitlyn**, 3rd-year student, Bachelor of Paralegal Studies and winner of the Top Ten Distinguished Advocates Award at the Osgoode Cup National Undergraduate Mooting Competition.

► To learn more about Caitlyn's story, visit humber.ca/today/caitlyn.

Apprenticeships

Apprenticeships offer you a chance to learn a highly skilled trade in a number of industries. These programs offer a balance of working in your chosen trade with an industry employer and the academic learning you need to round out your skills development. Humber provides the required academic components towards an apprenticeship, including technical theory and in-school training.

The first step in any apprenticeship is to get a job with an employer who is willing to sponsor you as an apprentice. Apprenticeship programs are open to domestic students only.

- ▶ For more information about Humber apprenticeships, visit [humber.ca/apprenticeship](https://www.humber.ca/apprenticeship).
- ▶ For general information about apprenticeships in Ontario, please visit [ontario.ca/page/start-apprenticeship](https://www.ontario.ca/page/start-apprenticeship).

Ontario Graduate Certificates

Take the next step with post-graduate education at Humber. You can build on what you've achieved at university, or with an appropriate college credential, expand your network and get industry-relevant, hands-on experience that will advance your career.

Humber offers more than 50 Ontario Graduate Certificates.

- ▶ For more information, visit [humber.ca/postgrad](https://www.humber.ca/postgrad).

Get the Credit You Deserve

ARE YOU A TRANSFER STUDENT?

You are a transfer student if you have completed or partially completed a program at a college or university and wish to continue your studies at Humber. As a transfer student, you can follow one of three paths:

Transfer In

You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

Transfer Within

You are a Humber student or graduate wanting to transfer credits or get advanced standing into another Humber program.

Transfer Out

If you're looking to advance your education beyond Humber with another credential, Humber has transfer agreements with many post-secondary institutions throughout Canada and abroad.

TRANSFER CREDITS

If you have completed a similar course at another recognized post-secondary institution, you may be eligible to receive transfer credits toward your selected Humber program. Use our step-by-step guides and online database to get you started.

DIPLOMA TO DEGREE BLOCK TRANSFER CREDIT

Complete your degree with us in less time. Graduates of Humber's many Ontario college diploma programs may be eligible for block transfer credit into one of Humber's bachelor's degree programs.

Graduates of similar Ontario diplomas may also be eligible for block transfer credit into a Humber degree program if their diploma program has the same program learning outcomes as the Humber diploma.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

PLAR is designed to recognize relevant learning acquired through life and work experience and translate this learning into college credit.

\$1,500 AND \$2,500 DEGREE TRANSFER SCHOLARSHIPS

Humber awards degree scholarships to students entering any Humber honours bachelor's degree program who have completed a one-year college certificate or two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80 per cent or higher will be awarded a one-time scholarship of \$1,500 for a certificate program or \$2,500 for a diploma program.

Look for the Pathways icon in our Program and Admission Requirements indicating which programs offer a pathway to advanced standing in a degree program (pages 18 to 33).

► To learn more, email a transfer advisor at transferoptions@humber.ca or visit [humber.ca/transferoptions](https://www.humber.ca/transferoptions).

Putting Theory into Practice

Humber programs offer unique work-integrated learning opportunities to prepare students for their future careers. Students apply what they've learned in class and in real-world environments through a wide range of academic, community and industry partnerships. These work-integrated and experiential learning opportunities may include field placements, practicums, clinical placements, co-operative education work terms, internships, applied research projects or service learning. You can work with industry partners to help solve real-world problems or work with us to explore how to start your own business. Students may also volunteer on- and off-campus or even participate in global opportunities. Check the program pages on [humber.ca/programs](https://www.humber.ca/programs) to learn more about specific opportunities.

“I saw Humber and the diverse courses available within its programs and what labs and resources it had to offer, and I was pretty swept away. I got involved with Humber’s Skills Varsity Team and learned a lot about building systems and programming as a whole. It also gave me the skills to train and mentor future competitors. It was so nice to walk into a classroom as a third year and interact with all the first years and have a relationship with them.”

– **Jessica**, Graduate, Electromechanical Engineering Technology Advanced Diploma (2020)

► To learn more about Jessica’s story, visit [humber.ca/today/jessica](https://www.humber.ca/today/jessica).

► Use this QR code to jump to a few of our favourite lab virtual tours.

North Campus

Humber's North Campus has everything you need to be successful, all in one place. When you step onto North Campus, you enter a 'living lab' with endless learning opportunities for the more than 19,000 students who study there. Sit down to a meal in the Humber Room, our student-run restaurant, hire a student fitness trainer at our fitness centre or visit our high-tech Golf Lab for a swing assessment.

The spaces at North Campus are designed to foster innovation and connection. Humber's Building NX, for example, is one of the oldest structures on campus and was recently transformed into an award-winning retrofit renowned for its sustainability.

The Humber Arboretum and Centre for Urban Ecology boasts 250 acres of beautiful public gardens and natural areas for you to discover and doubles as an outdoor classroom.

A new open learning lab brings nature indoors and features grass-like carpet, collaborative study spaces and a dedicated area to unplug – all designed with accessibility in mind.

At Humber, there's room for everyone.

Providing services like counselling, health appointments and IT assistance are just a few of the ways Humber College demonstrates its commitment to student safety and success, helping to shape your future and reach your goals, whatever they may be.

93,000 sq. ft. of state-of-the-art labs and classrooms:
Barrett Centre for Technology Innovation at North Campus

Indigenous Cultural Marker, North Campus

HUMBER CAMPUS COMPASS

Humber Campus Compass is our wayfinding app for iOS and Android mobile smart devices to help students and visitors find a wide range of campus features including classrooms, parking pay stations, vending machines, eateries, ATMs, accessible routes and much more.

► [Download Humber Campus Compass on Google Play or the Apple App Store.](#)

► Meet Maria, your tour guide for the North Campus virtual tour.

Housing Options

STUDENT RESIDENCE (ON-CAMPUS)

Humber provides residence space for 1,450 students between our two campuses.

On-campus housing is limited and is offered on a first-come, first-served basis.

- ▶ Once you have confirmed your offer of admission, apply early for a student residence room online at residence.humber.ca.

OFF-CAMPUS HOUSING

There are many options for living off campus. The prices and conditions are not part of your tuition, and you will need to negotiate directly with the housing provider.

- ▶ To learn more, visit places4students.com.

Lakeshore Campus

Humber's Lakeshore Campus is located minutes away from Toronto's museums, theatres and galleries, but it's a destination all its own that offers a mix of history and innovation in the vibrant neighbourhood of South Etobicoke.

When you study at the Lakeshore Campus, you can learn in diverse environments, from a classroom in a historic 19th-century cottage to a booth in a state-of-the-art recording studio. The campus is one of the GTA's most recognized historic restoration projects with sustainability at the forefront.

The Humber Cultural Hub, which is being built right now, will be a destination for arts and culture and offer world-class film, media and performance facilities. It will also be one of the most sustainable developments in the country and a showcase for best practices in sustainability and energy efficiency.

Lakeshore is home to more than 10,600 full-time students, with 400 living in residence and hosts events and initiatives that engage both students and area residents. It's a place where college meets community.

Historic Cottage Buildings
Lakeshore Campus

- ▶ Meet Shay, your tour guide for the Lakeshore Campus virtual tour.

Humber is committed to all aspects of campus culture with Indigenous Cultural Markers, art installations and wellness services.

Humber Global

Some of our programs offer you a chance to earn credits while studying with one of our international partner institutions. Numerous international learning opportunities and events also occur on-campus for students to explore different cultures and hear new perspectives.

ACADEMIC SUMMER PROGRAMS

Study and live abroad for two to four weeks while earning academic credits.

GLOBAL CITIZENSHIP CERTIFICATE

Gain global skills, knowledge and perspective with this unique program that runs alongside your Humber academic studies.

GLOBAL SUMMER SCHOOL AT HUMBER

Learn from experts and work with peers from around the world on practical projects that address global issues.

► To learn more about these and other study abroad opportunities, visit humber.ca/global-opportunities.

3,800+

Students participated in global learning opportunities since 2010

40+

Academic partners on six continents

300+

Global citizenship certificate participants in 2020

Sustainability at Humber

1st institutional building retrofit to achieve **Passive House Institute EnerPHit certification** (Building NX at North Campus is one of the most energy-efficient in Canada)

2,910 textbooks donated, repurposed or recycled in 2019

6 years in a row, Humber recognized as one of Canada's Greenest Employers

3 car-share vehicles on campus for Humber community use

14 beehives at North and Lakeshore Campuses

20 electric vehicle (EV) charging stations at North and Lakeshore Campuses - the most of any Ontario college

6.5 MILLION+ single use plastic bottles saved from landfill since 2014

Healthy Campus and Community

Humber has set the goal to become the healthiest campus in Canada. Health and wellness are always top of mind, and students can take advantage of online and in-person services and experiences. Enjoy the beautiful scenery at our North and Lakeshore Campuses while getting a breath of fresh air and some vitamin D outside.

Humber is the first public college or polytechnic in Canada to adopt the **Okanagan Charter**, an International Charter for Health Promoting Universities and Colleges.

The **Humber Food Learning Garden** is a collaborative project where students and the Humber community learn about local food harvesting, sustainable agriculture, food security and healthy living.

Humber's North Campus Massage Therapy Clinic offers appointments to staff, students and the public with students in the Massage Therapy program.

The **Tzu Chi Clinic of Traditional Chinese Medicine** (TCM) provides a unique health-care option to students and staff. HumberTCM students perform procedures supervised by professional, registered practitioners.

ATHLETICS AND FITNESS CHOICES

- Professionally led drop-in group fitness classes scheduled throughout the day, open year-round.
- Weight and cardio machine areas for individual cardio/strength workouts, open year-round.
- Certified personal trainer and wellness professionals provide you with fitness and choices to stay well and healthy.
- Personal trainer services by Fitness Diploma, Exercise Science Ontario Graduate Certificate and Kinesiology Degree University of Guelph-Humber students.
- Seasonal varsity and intramural/extramural teams.

Enjoy wellness services like the Massage Therapy Clinic, our Traditional Chinese Medicine Clinic and the Humber Spa as a client, or as a student, to put theory into practice in your related program.

VARSITY SPOTLIGHT 2019*

8 National medals **13** Provincial titles

15 Athletes named Academic All-Canadians

59 Athletes named Provincial Academic All-Stars

Humber Hawks lead overall medal counts:

147 Nationally **621** Provincially

*Due to COVID-19, Varsity sport did not run in 2020/2021.

We got you! Whether you need academic or personal support, we have services to help you succeed and to engage with life on campus.

ACADEMIC ADVISING & SUPPORT

Finding the right fit in an academic program can be both exciting and challenging, so we have advisors ready to help. Struggling to write a paper or solve a tricky math equation? Get help from a peer tutor or staff in our writing and math centres.

CAREER SERVICES

Looking for a part-time or summer job? Stop by our Academic and Career Success Centre to learn how to job search. Have a job interview lined up? We have experienced advisors who can review a resumé and prepare you for the interview.

FINANCIAL AID

Discover options for funding your education. Scholarships, bursaries and the Ontario Student Assistance Program (OSAP) are available. See page 4 for more details.

GET INVOLVED

Do you want to develop leadership skills, volunteer in the community, be active in student government or just meet new friends? Introduce yourself – we'll show you how to take it from there.

ACCESSIBILITY LEARNING SERVICES

Our accessibility consultants help you address potential barriers so you can focus on your studies.

CAMPUS SECURITY

Humber's Department of Public Safety ensures we all have a safe and pleasant campus experience 24 hours a day.

FIRST YEAR LIFE

You're ready to dive into college life but might want help figuring out how it all works. We're here to help, from Orientation week all the way to final exams.

RIGHTS & RESPONSIBILITIES

As a student, you have the right to come to school in a harassment- and discrimination-free environment, and the responsibility to treat your classmates, professors and staff with respect.

The **STUDENT WELLNESS & ACCESSIBILITY CENTRE** provides services to help you, with doctors, nurses and professional counsellors providing free, confidential support. The Centre promotes an environment that is wellness-enhancing, inclusive and welcoming to students.

▶ To learn more, visit humber.ca/student-life/swac.

COMMUNITY CONNECTIONS

Black Academic Success & Engagement (BASE) supports the development of practices that foster and enhance academic success among African, Black and Caribbean students.

▶ To learn more, visit humber.ca/thebase.

Indigenous Education & Engagement (IE&E) at Humber works in partnership with regional Indigenous communities to ensure Indigenous students are supported and connected to their learning environment academically, culturally and socially. Explore your roots or learn more about Indigenous peoples.

▶ To learn more, visit humber.ca/indigenous.

The **LGBTQ+ Resource Centre** works to promote safer, braver, positive spaces at Humber and offers a dedicated space at both the North and Lakeshore campuses for students to connect with one another, access resources and build community.

▶ To learn more, visit humber.ca/lgbtq.

IGNITE is your Humber student government – offering everything from health and dental plans to dispute resolution and free in-person and virtual events to make your time at Humber the best it can be.

▶ To learn more, visit ignitestudentlife.com.

“I would not be half the person I am today without the experiences from the BASE. Every day and every semester that went by, I would learn more about myself, my potential and what I wanted to do. It’s important that we build railroads. We build them with intention, always looking back to bring others along. As we step forward and gain more access for ourselves, we create a space for others to have access as well.”

– **Everton**, Graduate, Bachelor of Child & Youth Care, Child & Youth Care Advanced Diploma

▶ To learn more about Everton’s story, visit humber.ca/today/everton.

Program and Admission Requirements

Admission Requirements: Admission requirements for certificates, diplomas and bachelor's degrees require an Ontario Secondary School Diploma (OSSD) or equivalent including the required courses listed under the Academic and Additional Requirements column.

 Humber Degree Completion. For all pathway options, see the pathways section of the program page online.

LEGEND C – Campus CI – Continuous Intake CO – Co-Op F – Fall L – Lakeshore N – North OL – Online (opt) – Optional

CERTIFICATES, DIPLOMAS AND BACHELOR'S DEGREES

Program Name	Academic and Additional Requirements*	SE	C	SD	WP/CO	Career Options
APPLIED TECHNOLOGY & ENGINEERING						
Certificates and Diplomas						
Architectural Technology 03371 	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	WP	Construction product manufacturer or sales representative, construction project manager, estimator or specification writer, licensed architectural technologist or facilities planner, municipal building plans examiner, zoning examiner or building inspector, VR/AR operator, BIM manager, licensed house designer.
Civil Engineering Technology 03351 	ENG4C or ENG4U; MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C accepted at 81% or higher; & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	WP	Careers with municipalities, engineering consulting firms, general contractors, builders/developers, architects, land or quantity surveyors, environmental agencies.
Construction Engineering Technology CE311	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F	CO (opt)	Apprenticeship general carpenter in the residential building, commercial or industrial carpentry industry.
Electrical Engineering Technician – Control Systems 30111	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	F, W	–	Careers in designing, maintaining, servicing or selling automated industrial electrical machines, and electrical control, power and process instrumentation systems and equipment.
Electrical Engineering Technology – Control Systems 30101 	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	CO (opt)	Programming software, feedback control system and motor control, instrumentation and programmable logic controllers (PLCs), power electronics, power generation, transmission and distribution, power system design, human machine interface (HMI) design, supervisory control and data acquisition (SCADA).
Electromechanical Engineering Technician 3070R	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	F, W	–	Automation, automotive and parts manufacturing, communications, maintenance, mining, quality control and automated testing, robotic maintenance and programming, systems integration, technical sales and services, transportation, troubleshooting and testing.
Electromechanical Engineering Technology 3071R 	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	CO (opt)	Automotive and parts manufacturing, automation and robotics technology and programming, automated system design and operation, quality control and automated testing, machine design and assembly, maintenance, troubleshooting and testing, PLC programming, systems integration, technical sales and services.
Electronics Engineering Technician 03531 	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	F, W	–	Careers with major users of large electronic systems such as broadcasting networks; manufacturers of electronics equipment; manufacturers of scientific, medical and industrial instrumentation; telecommunications carriers.
Electronics Engineering Technology 03511 	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	CO (opt)	Careers with major media and broadcast companies; technology firms; and power generation and distribution corporations using skills in electronic; analog; digital and programmable circuits; photonics; laser technology; electronic materials and devices; intelligent systems; high-definition (HD) and traditional broadcasting systems; robotics; cellular technology.

Applicants with mature student status, or college or university transfer status, refer to the program page on the website. Not all programming is available to international students – refer to international.humber.ca for admission requirements and application information. Meeting minimum eligibility requirements does not guarantee admission.

* Additional requirements may include a portfolio, audition, letter of intent, references, etc., and vary by program. Visit the program page on the website for complete details.

Program Name	Academic and Additional Requirements*	SE	C	SD	WP/CO	Career Options
Landscape Technician 01521	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	4	N	F	-	Landscape contract firms, design firms, design-build firms, garden centres, nurseries, municipalities, golf courses, technical sales.
Mechanical Engineering Technician 30601	ENG4C or ENG4U; MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C accepted at 81% or higher; & two Gr. 11 or 12 C, M or U courses.	4	N	F, W	-	Automotive and parts manufacturing, CNC programming, quality control and inspection, manufacturing, testing, consulting and careers in service industries, food, packaging.
Mechanical Engineering Technology 30731 ⊕	ENG4C or ENG4U; MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C accepted at 81% or higher; & two Gr. 11 or 12 C, M or U courses.	6	N	F, W	CO (opt)	Advanced manufacturing, automation systems, engineering design, quality control, renewable energy.
Sustainable Energy and Building Technology 31551 ⊕	ENG4C or ENG4U, Gr. 12 C or U Math, & two Gr. 11 or 12 C, M or U courses.	6	N	F	CO (opt)	Building automation technician, business operator/entrepreneur, energy auditor/analyst/modeller, government energy policy analyst, project manager, sustainable building analyst, sustainable building technologist, sustainable energy project manager, technical support specialist.
Degrees						
Information Systems Engineering (Bachelor of Engineering) IS411	ENG4U or equivalent, SPH4U, MCV4U, MHF4U or MDM4U, & two Gr. 12 U or M courses; final grade of 65% in each course.	8	N	F	CO	Information systems analysts and consultants, computer programmers and software developers, software engineering, embedded systems designers, IoT system designers, IoT programmers, IoT hardware developers, IoT specialists, IoT product developers, wireless data network engineering, network systems engineering, network designers, network analysts, cybersecurity specialists, cybersecurity engineering, and cybersecurity analysts.
Mechatronics (Bachelor of Engineering) ME411	ENG4U or equivalent, SPH4U, MCV4U, MHF4U or MDM4U, & two Gr. 12 U or M courses; final grade of 65% in each course.	8	N	F	CO	Careers in advanced manufacturing, energy, health care, food and pharmaceutical, packaging, consulting, transportation, and automotive, as well as in other emerging industrial sectors.
The Built Environment (Bachelor of Engineering) BE411	ENG4U or equivalent, SPH4U, MCV4U, MHF4U or MDM4U, & two Gr. 12 U or M courses; final grade of 65% in each course.	8	N	F	CO	Careers in construction, architecture and urban design as project managers, consultants, estimators, BIM designers and co-ordinators, and geomatics and infrastructure specialists, as well as in other emerging industrial sectors.
BUSINESS, ACCOUNTING & MANAGEMENT						
Certificates and Diplomas						
Accounting, Business 02211 ⊕	ENG4C or ENG4U; MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	4	N	F, W, S	WP	Accounts payable, accounts receivable, credit and collections, budget analysis, general/financial accounting, cost/management accounting, payroll accounting, tax preparation.
Accounting, Business Administration 02111 ⊕	ENG4C or ENG4U; MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	6	N	F, W, S	CO	Accounts payable and receivable, cost accounting, general and payroll accounting, internal/external auditing, financial planning and analysis, financial and management accounting, tax preparation, compliance managing.
Business Administration 02511 ⊕	ENG4C or ENG4U; MAP4C, MCT4C, MDM4U, MCB4U, MGA4U, MCV4U, MHF4U, MCR3U or MCF3M; & two Gr. 11 or 12 C, M or U courses.	6	N	F, W, S, L, F, W	WP	Marketing analyst, merchandising manager, budget analyst, sales representative, financial planner, human resources administrator, advertising account co-ordinator, event planner, social media analyst.

DECLARATION OF WAIVER

The information in this viewbook is accurate as of July 15, 2021. Humber does its best to update program information regularly so that students are not inconvenienced. However, on occasion, changes do occur. Therefore, after July 15, 2021, Humber reserves the right to modify or cancel any program, profile, course, program objective, fee, timetable or campus location without notice or prejudice. It is also Humber's right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course or courses during the evening or on Saturday. Career opportunities listed in this publication are not a guarantee of employment. Our most up-to-date information can be found on our website at humber.ca in the 2022-2023 program pages.

Students and alumni talk about their experiences and what made their time at Humber memorable.

Today, I proudly say that I graduated from @humbercollege in Information Technology Solutions - Post Graduation Certificate...I express my gratitude to the @humberapptech, and our awesome program co-ordinator Shahdad Shariatmadari for making this learning opportunity a milestone success. I also thank all the faculty members of @humbercollege for making immense efforts in shaping the best out of me.

— Prem, Graduate

So I started this internship last month. It came at the right place and the right time. I knew it would be illustrative and exciting, but I never thought I'd be having such a blast! Thank you, **#RadioHumber** (Humber College), for this opportunity and for publishing my article. This is so rewarding!

#RadioHumber #publishing #internship

— Tatiana, Student

It was great to attend the FYE appreciation part organized by Humber College where I and all my Senior Peer Mentors and Peer Mentors were recognized for their efforts with FYE. I want to thank my student life coordinator and senior peer mentors for being so nice to me and it was great to work with you. Hope in future to also connect with you.

#fye #humbercollege

— **Monika**, Student & Peer Mentor, First Year Experience program

Can't believe this has come to an end but as they say every beautiful journey has a destination. Mine is this. I would like to take this opportunity to thank John Hinz, Rina Di Mito and Saddiya Rose for making my journey so easy and joyful. It is not easy for anyone to start a career in a new country but you, my mentors, did a commendable job in showing me the right direction. Now I feel ready for the real test.

**#thankyuhumber #humbergrad2020
#proudalumni #humberconvo**

— **Gurwinder**, Graduate

So, I graduated again.

Ontario college certificate in Design Foundation with Honours at Humber College. Thank you so much Humber and Humber faculty. And a special thank you to my family, without them I wouldn't be here chasing my dream of studying, living abroad and exploring the world!

By choosing 100 per cent post-consumer recycled paper over 100 per cent virgin fibre paper, Humber has saved:

98 trees
(15 metric tons of wood)

28m³ world eq. of water
(293 10-minute showers in North America)

6457 kg CO₂
(25,730 km driven by car)

172 GJ
(794,745 60-W light bulbs for one hour)

32 kg NMVOC
(31,349 km driven by car)

Environmental impact estimates were generated by Rolland.

100%
This publication
is printed on 100
per cent post-
consumer waste
paper stock.

The Humber Student Viewbook is published annually by the Government Relations, Marketing and Communications Department at Humber College Institute of Technology & Advanced Learning. This print publication is available while supplies last at all Humber campuses and is also available in an alternate format.

TORONTO SPOTLIGHT

Toronto is Canada’s economic and cultural hub, internationally recognized for business, research and innovation, health sciences, media and the arts. No matter which area of study you choose, there are excellent opportunities to establish your career, make industry contacts and learn from world-leading professionals and organizations.

YOU COULD WIN \$5,000 TOWARD YOUR TUITION

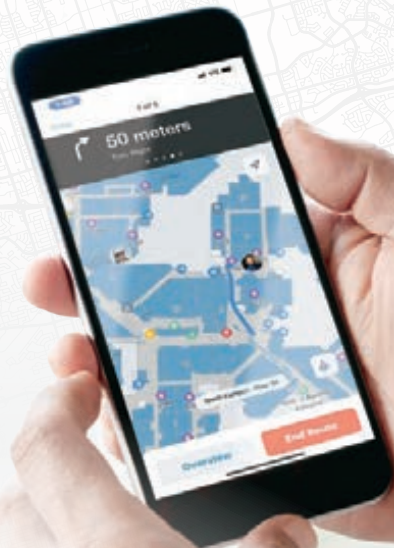

➔ Learn more at humber.ca/win.*

* Visit humber.ca/win and fill out our online form. One prize of \$5,000.00 (CDN) to be used toward tuition at Humber College is available to be won. Contest will run from September 7, 2021 to July 22, 2022. The random draw is on July 26, 2022. Winner will be required to answer a skill testing question. Odds of winning depend on the number of entries received. Contest is open to new incoming, domestic, first semester students starting a program at Humber College in 2022-2023 and must be a resident of Canada excluding Quebec. No purchase necessary. For complete rules visit humber.ca/win.
