

## Humber College COVID-19 Return to Campus Agreement

In light of the COVID-19 Pandemic, Humber is taking a cautious approach to resuming in-person activities during the Summer and Fall of 2020. This agreement is mandatory for all staff, students and other members of the Humber community and must be signed prior to an individual's first return to campus (meaning all Humber facilities and properties). Failure to sign this Agreement or to respect Humber's directions will prohibit you from visiting Humber Campuses or other facilities.

**I am a member of the Humber Community who has been instructed to resume in-person activities related to my education, training and/or employment. By signing below, I acknowledge and agree that:**

1. I will not under any circumstances attend campus if I feel unwell, exhibit any symptoms, or answer 'Yes' to any of the self-assessment screening questions (see attached Self-Assessment). I acknowledge that I am expected to self-assess prior to each visit to campus through use of the attached questions, or a Humber-approved screening App or the Ontario COVID-19 selfassessment tool. Additional screening protocols may be put in place by Humber at any point to address evolving public health risks.
2. If I have currently or previously been diagnosed with COVID-19 or am under any investigation for COVID-19 diagnosis, I shall not attend campus under any circumstances prior to being medically cleared in accordance with Public Health practices and guidelines.
3. I will only attend campus for scheduled classes, pre-approved work activities or other authorized activities that require in-person participation. When attending campus, I will only attend onsite for the amount of time needed to complete the scheduled activity. I will not remain on campus following the completion of my scheduled activity except in instances where there is only a short break prior to my next on-campus activity. Whenever possible, I will continue to learn, work, access services and attend meetings remotely.
4. I will follow all Humber-issued instructions regarding physical distancing, sanitization, protective wear, restrictions to access and use of space and any other directions that may be given while on campus. I understand this means that in common spaces, such as hallways, I will stay a minimum of 2 meters/6 feet from others, and will wear a mask. I agree to follow any further direction given by my faculty/instructors, Public Safety, the Humber Administration or other responsible staff while on campus
5. I affirm that I will promptly review all orientation and instructional materials provided by Humber related to safety and other COVID-19-related procedures.
6. I acknowledge that Humber may make updates without notice regarding attendance on campus, the activities and services that are available on campus, and practices to observe while on campus for the duration of the COVID-19 Pandemic.
7. I acknowledge that safety is a shared responsibility and that if I fail to follow Humber's instructions regarding return to campus or my responsibilities under this Agreement, I may be asked to leave campus and/or be subject to disciplinary action.
