Centre for Entrepreneurship - JOB POSTING

Position title:	Research and Innovation Associate
Location:	Lake Shore Campus – Centre for Entrepreneurship (Remote)
Rate of Pay:	\$525 Honorarium (Experience Ventures Program)
Hours:	Flexible: Up to 36 hours total
Term:	As soon as possible – November 1, 2021

Job Description

The Centre for Entrepreneurship (CfE) provides experiential learning for Humber students, faculty, staff, and the surrounding community. Our programs are designed to teach the skills needed to pursue dreams of starting a business or advancing career goals.

This opportunity is funded by Experience Ventures. Get paid to hone entrepreneurial thinking skills and work on projects with new companies and technologies shaping the future.

The incumbent will work as a member of a student-led Research and Innovation team to complete a research and design challenge for [SpaceCard](#). The team will independently conduct research into the current virtual reality space landscape, and imagine ways that this innovative technology could be used in your field of study. You must enjoy problem solving, creativity, and imagining solutions. The project will culminate in a presentation of how you would recommend SpaceCard bring their product to market in your industry of specialization.

Qualifications

- Currently enrolled at Humber College; must be a Canadian citizen or PR
- Ability to work independently and within a team (remotely)
- Passionate about innovation, creativity, and solving real world problems
- Excellent communication skills with attention to detail
- Strong organizational skills and an ability to produce clear, concise presentations
- An understanding of research methods and experience conducting research projects
- Design thinking, user design, and virtual reality knowledge are an asset

The CfE's dedication to diversity includes a commitment to welcoming folks of all gender identities, sexual orientations, races, and ages. All students are encouraged to apply.

To apply for this position, please submit your cover letter and resume to Kasey Dunn at Kasey.Dunn@Humber.ca
