

SUPPLY CHAIN AWARENESS TECHNOLOGY AND EMPLOYMENT (SCATE)

The Supply Chain Awareness Program for Employment (SCAPE) is a unique 12-week Supply Chain Bridging Program for internationally trained professionals with education and experience in Supply Chain Management, Logistics or Purchasing.

This program is designed to provide you with the skills and knowledge required to secure commensurate employment in the Ontario Supply Chain sector. Not only will you acquire and develop technical skills, but also the communication and interpersonal skills currently being sought after by employers in this field.

Most importantly, by participating in this program, you will have access to an Employment Advisor as well as a Job Developer to ensure that you build connections with hiring employers and are positioned to secure employment in the Supply Chain sector upon graduation.

PROGRAM INTAKE: January, May, September

DURATION: 12 Weeks

CLASS TIMINGS: Evenings and Weekends

TUITION: Refer to website

(Financial Aid available for eligible participants)

COURSES INCLUDE:

- Logistics & Business Foundations

STUDENT TESTIMONIAL

"The Bridging program with Humber College really helped me a lot to kick start my career in Supply Chain Management in Canada. It helped me refresh and hone my skills as well as build my first network of Supply Chain professionals. All the components of the program were very well designed and really helped me understand the nuances of the Canadian Supply Chain.

- **Ashish G.**

Procurement Manager, Reve Pharma
