

2022
Spring Convocation

H U M B E R

CONGRATULATIONS

We are Future Focused

Humber is focused on our students' future. In response to rapidly advancing technology and a constantly evolving workforce, a Humber education helps students prepare for their career. Our programs blend theory and hands-on learning, giving students the opportunity to gain practical experience in class and through work-integrated learning.

Students learn from professors with industry experience who know what skills are in demand. A wide range of credentials including certificates, diplomas, advanced diplomas, Ontario graduate certificates and degrees help prepare students for what's next, whether that be furthering their education, or the start of their career. Students also receive credit for current and prior learning through many pathways and transfer opportunities.

With Humber's diverse experiential learning opportunities ranging from placements, internships, applied research projects and more, students graduate as career-ready, global citizens.

With more than 291,000 alumni around the world, our graduates are making their mark in every industry.

Convocation is a time to celebrate your achievements while at Humber and to look ahead to the new beginnings and abundant possibilities that await you.

Congratulations graduates on your accomplishments and all the best for the future.

Share your convocation experiences on social media using #HumberGrad.

Humber College

is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Alders” in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

Humber College takes its name from the Humber River, the watercourse with great significance to the history and development of Toronto. Humber's name is appropriate as the college is an ever-flowing stream of knowledge and ideas, which nourishes Ontario's economy and the lives of our citizens.

Indigenous Medallions

Graduating students who have self-identified as Indigenous and attended the Indigenous awards gala are given medallions ahead of convocation and are asked to wear them during their ceremony to display their pride in their history and culture. The medallions acknowledge the graduates' accomplishments and underscore the importance of the tradition of gift giving to Indigenous peoples.

President's Message to Graduates

Congratulations graduates. Your Humber family applauds your success and we look forward to the new beginnings and possibilities that await you.

You are now part of an exclusive club of fellow Humber alumni. From the fields of business and technology to healthcare, communications, media, hospitality and the arts, our more than 291,000 alumni have been making an impact locally and around the world for over half a century. No matter the obstacles you encountered during your time at Humber, you rose to every challenge, and you have succeeded.

You have demonstrated your resilience and adaptability and are now part of the growing community of Humber alumni around the world who are leading communities to new opportunities and making a difference. At Humber, we are committed to life-long learning and academic excellence, and I hope that you'll never stop seeking out innovation, discovery, new knowledge and ways to inspire change.

Many of you graduating today will soon begin your careers. You will go on to be our business leaders, educators, public servants, philanthropists, inventors and innovators. You will become our first responders, health-care providers, entertainers, designers, storytellers and community builders.

As you create your path and become role models, you will make choices and challenge the status quo in pursuit of creating a better world. Now is your opportunity to act and show others what's possible.

This is your moment to celebrate. Good luck and stay in touch.

Vision

Transforming postsecondary education through global, polytechnic leadership.

Mission

Humber develops global citizens with the knowledge and skills to lead and innovate.

Values

COURAGE • INNOVATION • EQUITY • HEALTH & WELL-BEING • SUSTAINABILITY

Strategic Pillars and Foundation

CAREER-READY CITIZENS

It is critical that we prepare our students to succeed in a global, knowledge-based economy that is technology-driven and changing at an unparalleled rate.

ACCESSIBLE EDUCATION

As students increasingly juggle work, family and financial responsibilities, their learning needs and expectations are changing.

HEALTHY AND INCLUSIVE COMMUNITY

Transforming education is a powerful vision that must be anchored in strength of our people.

THE 21st CENTURY INSTITUTION

As we move boldly forward with our strategic plan, a strong foundation will be integral to our success.

Humber's Academic Regalia

The academic regalia worn by Humber's faculty, students and administration represent centuries of tradition. The style and colour of gowns, hoods and caps is specific to individual institutions and disciplines. Faculty and administrative staff wear the academic dress appropriate to the highest credential they have earned.

The gowns, vee stoles and hoods worn by our graduates reflect Humber's official colours of blue and gold.

Graduates of Humber's certificate and diploma programs wear a three-toned vee stole. The vee stole colours consist of antique gold, navy blue and the velvet trim associated with the Faculty.

Recipients of Humber's Ontario graduate certificates wear a gold satin hood with a navy blue stripe around the exterior trim and is lined with navy blue.

Graduates of Humber's Baccalaureate degree programs wear a hood that is three feet long. Each hood has a navy blue shell with one antique gold cord around the exterior trim and is lined with antique gold satin. The colour of the velvet trim on each hood is associated with the discipline of the degree received:

- Bachelor of Behavioural Science: Navy Blue
- Bachelor of Child and Youth Care: Maize
- Bachelor of Commerce: Beige
- Bachelor of Community Development: Peacock Blue
- Bachelor of Creative Advertising: White
- Bachelor of Design: White
- Bachelor of Digital Communications: Crimson
- Bachelor of Film and Media Production: White
- Bachelor of Health Science: Salmon
- Bachelor of Industrial Design: Chamois
- Bachelor of Interior Design: Mauve
- Bachelor of International Development: Peacock Blue
- Bachelor of Journalism: White
- Bachelor of Music: Maroon
- Bachelor of Paralegal Studies: Purple
- Bachelor of Public Relations: Crimson
- Bachelor of Social Science - Criminal Justice: Navy Blue

Graduates of the University of New Brunswick (UNB) - Humber Collaborative Bachelor of Nursing program wear academic dress that reflects UNB's traditions, including black gowns, black caps with tassels, and hoods with apricot satin interiors.

Members of the platform party wear a hood based on the institution from which they graduated and the credential they hold. Some members will wear the standard black hood with white velvet trim and antique gold satin lining with two dark blue chevrons.

Honorary degree recipients wear white hoods.

Humber's Mace

The mace is a symbol of authority, deriving from its original function as a weapon. Today, maces are frequently carried in formal processions, especially in ceremonies related to government or higher education.

Humber's mace, commissioned by Joseph Sorbara, former chair of Humber's Board of Governors, honoured the retirement of Dr. Robert A. Gordon, Humber's president from 1982-2007.

The mace was designed and executed by Mark Paddison, of Humber's Cabinetmaking and Industrial Woodworking programs. The mace is hand-carved from walnut wood harvested from the lower Humber River valley.

The ivory inlays were cut from recovered piano keys.

The crown of the

mace, designed by Michael S. DaCosta, features a stylized earth formed by five ribbons, celebrating the students who come to Humber from around the world. The ribbons tie together at the top to form a flame, representing knowledge. The globe, set on top of the mace, emanates from a crown-like circlet.

The sterling silver used to fabricate the crown was donated by Joseph Sorbara and was ethically mined in Canada.

The silver crown sits on the top portion of the mace, which is a coronet in the style used for educational bodies in Ontario.

Design details are taken from Humber's coat of arms. The inlay shows the provincial flower alternating with the hazelnut, a symbol of wisdom. The cogwheel is symbolic of technology and represents bringing inspiration to life using one's skills. The mace culminates by a stylized red-tailed hawk holding a tether in its beak.

Coat of Arms

Arms

The arms, pictured on the shield, are based on Humber's official emblem and incorporate the Humber colours of blue and gold. The Humber River is represented by the blue pile, which conveys a clear, contemporary pathway to achieving one's goals. The ermine tails (spots) represent the concept of excellence, the fur being esteemed in history. Together, these elements symbolize Humber's leadership and direction, balancing history with innovation.

Crest

The coronet, above the arms, shows Ontario's trillium alternating with the hazelnut, a symbol of wisdom. Pegasus represents the creative force at work, and is pictured with a cogwheel, symbolic of technology. Together, these figures represent the ability to bring one's inspiration into reality.

Supporters

On each side of the arms, a red-tailed hawk, an animal common throughout Ontario, holds the shield with a claw. Each wears a blue collar from which hangs a cogwheel charged with an open book. The hawks are used in honour of the name used by Humber's athletic teams. The open books symbolize the concept that knowledge is available to all, and that students will take their learning with them through their lives.

Motto

Humber's motto is:
CARPE OPPORTUNITATES, which means
"Seize the opportunities."

Humber College Institute of Technology & Advanced Learning – A History

Humber has an international reputation for academic excellence and delivers a polytechnic model of education to more than 38,000 full-time and 19,000 part-time and professional learners.

In response to a growing need for skilled workers across Ontario, provincial legislation established Colleges of Applied Arts and Technology in 1967 and Humber enrolled its first students that year. In the 1990s, Humber became the first college to offer Ontario Graduate Certificates, providing specialized, job-specific training to students who already held undergraduate degrees.

In 2001, Humber began offering the University of New Brunswick-Humber collaborative Bachelor of Nursing (BN) degree. In 2002, Humber welcomed the inaugural class of the University of Guelph-Humber, at which students earn both an honours degree from the University of Guelph and a diploma from Humber.

Humber was designated an Institute of Technology & Advanced Learning by the Ministry of Training, Colleges and Universities in 2003 and began offering career-focused bachelor's degrees that integrate theory, work-integrated learning, and applied research opportunities. 2017 marked the 50th anniversary of Humber and the Ontario college system.

In 2019, Humber strengthened its model of polytechnic education and industry partnerships with the opening of the Barrett Centre for Technology Innovation and the establishment of the Advanced Manufacturing Skills Consortium.

In early 2020, plans for the Humber International Graduate School were announced. Amid the global COVID-19 pandemic, Humber offered its first-ever fully online term in Summer 2020.

In 2021, Humber launched its independent nursing degree, one of the first in the Ontario college sector.

Humber offers more than 220 full-time programs divided amongst six faculties.

Humber has graduated more than 291,000 alumni, many of whom have become renowned within their fields, both locally and globally.

Humber Learning Resource Commons, North Campus

Lakeshore Commons, Lakeshore Campus

Barrett Centre for Technology Innovation (Barrett CTI), North Campus

International Graduate School (IGS Campus)

Indigenous Cultural Marker (ICM), Barrett CTI, North Campus
This ICM represents the Seven Stages of Life, as told within the Anishinaabe Life Path Story.

Indigenous Cultural Marker (ICMs), East Campus Courtyard, Lakeshore Campus
These ICMs tell the story of the Great Migration of the Anishinaabe people in the region.

WE ARE
WITH YOU ALL THE WAY

Graduates of the Class of 2022: Welcome to a world of unlimited possibilities!

Congratulations! Today, you become a new graduate with an instant network of over 291,000 outstanding alumni who are realizing their unlimited potential in a variety of different paths.

Though your studies may now be complete, your connection to Humber does not end today. No matter where your journey takes you, you're a lifelong member of a thriving Humber community.

The Humber Magazine will keep you up to date on all of the College's most exciting news and inspiring stories that showcase the potential of alumni just like you. Through our monthly Alumni e-News and social media, we will also keep you posted on the many ways you can get involved, including upcoming events and networking opportunities such as the Humber Café. Visit humber.tenthousandcoffees.com to sign up.

Your alumni status also brings exclusive benefits and perks. Download our new app, Humber Alumni Connect, to get savings close to home, and beyond. Save on sporting events, attractions, retail services, and more. Also get special rates for insurance and health coverage, exclusive access to contests and invitations to events. Sign up for your membership today: humberalumniconnect.com

As you set off on your next chapter, we will continue to celebrate your hard work and accomplishments. You are an important part of the Humber story, and we hope you will take the time to share your personal and professional milestones with us as you embark on a future full of possibility.

Please make sure we have your contact information by visiting us at humber.ca/alumni and keep us updated when moving or changing jobs, so you can continue to stay current on all things Humber. Once again, congratulations on your achievement. An unlimited future awaits.

Sincerely,

Krista O'Donnell

Achievement Awards

Governor General's Academic Medal

The Governor General's Academic Medal is presented to the graduating student who completes a minimum of 50 per cent residency and achieves the top academic standing across all diploma and degree programs in the academic year. It was established in 1873 and is one of the most prestigious awards that can be received by a student in a Canadian educational institution for exceptional academic achievement.

The COLLEGIATE BRONZE medal is awarded to the student who achieves the highest overall average upon graduation from a diploma-level, post-secondary program (minimum two-year, full-time duration).

The SILVER medal is awarded to the undergraduate who achieves the highest academic standing upon graduation from a bachelor's degree program (minimum four year, full-time duration).

Board of Governors' Achievement Award

The Board of Governors' Achievement Award is presented to one graduating student in each faculty who has achieved their academic goals or maintained a good overall academic standing while attending to significant college, community and personal responsibilities, as selected by the Senior Dean.

President's Medal

The President's Medal is presented to one graduating student in each faculty who has maintained a good overall academic record and has made a significant contribution to the faculty program by demonstrating commitment to leadership and actively participating in student life on campus, as recommended by faculty to the Senior Dean.

Academic Award of Excellence

The Academic Award of Excellence is presented to graduating students who achieve the highest honours academic standing in their program.

Achievement Award Recipients

Governor General's Academic Medal

Bachelor of Social Science; Criminal Justice Cassandra Jade Kekich
Heating, Refrigeration and Air Conditioning Technician Nicolas Marcelo Espinosa

Honorary Degree Recipients

Humber College Institute of Technology & Advanced Learning recognizes and honours selected exceptional individuals who have achieved distinguished status at the provincial, national or international level, or who have made significant and important contributions to the College and/or the local community, through the bestowing of honorary credentials.

Christiane Germain

Dedicated and passionate about the hotel industry since forever, Christiane Germain has held the reins of Germain Hotels next to her brother Jean-Yves Germain for more than 30 years.

At the head of a successful Quebec company, it goes without saying that Christiane's entrepreneurial qualities allow her to stand out both professionally and personally. Her dynamism, tenacity and inventiveness have all been honored on several occasions by the business world as well as by Canada's tourism community.

Christiane is proud to co-lead a company that promotes the great values of the Germain family and to offer careers within a growing company. Having the economic vitality of the country at heart, Christiane attaches great importance to Canadian talent, which she supports in particular through the local procurement policy implemented by the company. In addition to presiding over the destinies of a growing company, Christiane Germain is president of the board of directors of the Musée National des Beaux-Arts du Québec and is involved in numerous charitable causes.

Frank Siracusa

After graduating from the Film and Television program in 1984, Siracusa's journey began as a Production Assistant in what was then a fledgling Industry in Canada. Because of his entrepreneurial spirit and passion for the Arts, Siracusa founded Whizbang Films in 1999, producing programs that garnered him Golden Globe and Emmy Awards.

As an independent boutique producer, Whizbang Films has navigated an evolving television landscape meeting changing audience and delivery platforms. His ability to produce at the highest standards has formed TV production partnerships with MGM, CBS, NBC and most recently producing for streaming platforms. Canadian Content production is also an important aspect of Whizbang Films directive.

With the eye to further expansion of the Canadian industry, Siracusa oversaw the launch of the CBS Stages Canada. In 2020 Siracusa launched his second facility, the Plymouth Studios Stages and a third Augmented Reality Facility called Wilkinson Stages, the largest AR volume in Canada.

The evolution of Whizbang Films and Siracusa's endeavors continue to grow, producing over 400 million dollars in production spending in Ontario alone in just 18 months. As a proud Alumni, Siracusa and Whizbang Films owe their success in part due to encouragement, training and hope he was offered at Humber College in the Film and Television Production program.

Faculty of Media & Creative Arts

Humber's Faculty of Media & Creative Arts offers the most comprehensive mix of media, arts and communications programs in Canada. We specialize in storytelling of all forms: journalism and writing; film, acting and television; advertising and public relations; interaction design and animation; music and fine arts. Live Labs and work-integrated learning opportunities complement the industry-specific business skills that are woven through each of our programs. Our graduates are collaborative, highly skilled, career-ready professionals with the creative aptitude, entrepreneurial ability, and resourcefulness needed to lead and innovate wherever their story takes them.

Faculty of Social & Community Services

The Faculty of Social & Community Services does more than teach students, we change students' lives so they can change the lives of others. From community and child studies, to human services and justice studies, graduates leave Humber prepared for a lifetime of making a difference in their communities.

Longo Faculty of Business

The Longo Faculty of Business at Humber offers more than 50 programs in a wide range of fields covering the broad spectrum of business in the evolving marketplace. Our students receive authentic learning experiences through industry projects, competitions and work integrated learning opportunities. We are educating future entrepreneurs, business leaders and global citizens.

The success of the Faculty's alumni inspired a transformational \$5-million gift from the Longo Family Foundation. In recognition of the Foundation's support, the Faculty and Centre for Entrepreneurship have been named **the Longo Faculty of Business** and the **Longo Centre for Entrepreneurship**. The Foundation hopes to create a "flywheel effect" of innovation and productivity and encourage others to join the Humber family and give back. Support of Humber's business and entrepreneurship programs help students reach their full potential by providing limitless opportunities that will pave the way for a new generation of entrepreneurs.

Faculty of Health Sciences & Wellness

The Faculty of Health Sciences & Wellness prepares students for meaningful careers in the health care and wellness sector. Advanced facilities, clinical simulation, cadaveric bioscience labs, experiential learning environments, expert faculty, and extensive industry partnerships support student participation in a breadth of experience before they graduate. Graduates gain the knowledge, skills and abilities to support people across the health continuum.

Faculty of Liberal Arts & Sciences

Humber's Faculty of Liberal Arts & Sciences offers interdisciplinary courses in social sciences, humanities and natural sciences, as well as math, communications and English as a Second Language (ESL). These allow students to build a solid academic foundation to go on to the next phase of their post-secondary education. The Faculty is home to a variety of programs, ranging from college and university transfer programs in the fields of arts, health sciences and technology to graduate certificate programs in research and adult education.

Faculty of Applied Sciences & Technology

Students learn to take their ideas from concept to creation in Humber's Faculty of Applied Sciences & Technology. Offering programs in design, construction, advanced manufacturing, information technology and skilled trades, the Faculty gives students the chance to acquire highly sought-after skills using specialized labs, equipment and facilities. On-the-job experience is emphasized through work placements. Professors highlight current trends within their areas of specialty and strive to duplicate situations that graduates will experience in their everyday working life in the classroom environment.
