

# How to Edit your Course Banner with Unsplash

1

To change your course banner using an image from Unsplash, click "Edit display settings".

The screenshot displays a course management interface. On the left, a sidebar titled "Details & Actions" contains several menu items: "Roster" (with a link to "View everyone in your course"), "Progress Tracking" (with a link to "Turn on"), "Course Image" (with a link to "Edit display settings" highlighted by an orange circle), "Course is open" (with a link to "Students can access this course"), "Attendance" (with a link to "Mark attendance"), "Books & Tools" (with a link to "View course & institution tools"), and "Question Banks" (with a link to "Manage banks"). The main content area on the right lists course topics, each with a document icon and a "Hidden from students" status:
