

KNOWN ISSUE
HRMS KNOWN ISSUE

Module Affected: Benefits	Process Affected: Benefits Election
End User/s Affected: Employee who would like to enroll in Benefits	Date: May 14, 2020

KNOWN DEFECT DETAILS

Known Issue: As employees go through their benefits election process within the HRMS, they may encounter an issue where the entire screen freezes, which prevents them from proceeding or performing an action.	Workaround: Employees can refresh their browser window, in order to proceed with their benefits election.
---	---

The screenshot shows the HRMS interface with a warning dialog box. The dialog box contains the following text:

Warning

If you plan to designate dependents, then you must add them as contacts from the Contacts section before you proceed to the enrollment pages.

Buttons: Continue Enrollment, Cancel

The background interface shows a progress bar with steps: 1. Medical and Dental, 2. Basic Life, ADD, LTD, 3. Employee Optional Life Insurance, 4. Critical Illness, 5. Pension, 6. Review. The current step is 3. Below the progress bar, there is a section for "Your Total Cost" showing 0.00. Below that, there is a section for "FT Admin Dental Single" with a "Selected" button. Below that, there is a section for "FT Admin Medical Single" with a "Selected" button. At the bottom, there is a table with columns for Employee, Annual Amount, and Employer.

Employee	Annual Amount	Employer
1.24	29.64	52.56
