

# PEER ASSISTED LEARNING SUPPORT

All services are available for **FREE** to all Humber and Guelph-Humber students!

## Peer Tutoring

Did you know that all students receive 3 hours of free tutoring per week? [Sign up!](#)

## Peer Assisted Study Sessions (PASS)

For challenging courses, take advantage of these engaging study sessions run by Peer Leaders.

## Learning Skills Workshops

Join us to learn tips & tricks on acing post-secondary life! Attend 5 [workshops](#) to earn a [CCR](#) record and a chance to win monthly gift cards.

## Note Taking Services

Offered as an academic accommodation for students registered with [Accessible Learning Services](#).

## Writing Support

Get help on your essay development and writing skills, structure, formatting, and citation styles for academic, business, and technical documents.

## Writing Workshops

Join our Conversation Circle and Conversation 1-on-1 to practice your skills, and our APA and Academic Integrity workshops to boost your academic writing!

## Engineering Degree Support

Join one of our weekly study sessions or book a 1-on-1 appointment with our engineering tutors for help with math & physics.

## Math Support

Get help with business and technical math, statistics, and more! Our tutors can help you understand and apply concepts to solve math problems with scaffolded steps. We support remedial math, including arithmetic and basic algebra.

## Math Workshop

Join our focused approach workshops to get familiar with the BAII+ calculator, important statistics topics, and specific tutorials and drop-in sessions for business and technical math.
