

Appendix A: Humber College Honorary Degree Nomination Form

Humber College recognizes and honours selected exceptional individuals who have achieved distinguished status at the provincial, national, or international level, or who have made significant and important contributions to the College and/or the local community, through the bestowing of honorary credentials. Nominations for honorary degrees may be submitted by any member of the College community at any time during the year.

Eligibility:

1. Active employees, active members of the Humber Board of Governors, active politicians, active Program Advisory Committee members, and current students shall not be eligible to receive an honorary degree.
2. Posthumous honorary credentials will be considered. If a candidate passes away after accepting an invitation, but prior to convocation, the honorary credential will be awarded to an individual designated by the recipient's family or other legal representative.
3. In exceptional circumstances, the College may choose to waive these requirements in order to allow the College to honour truly meritorious individuals.

Confidentiality: Humber College will keep all nominations and the information contained therein confidential. To ensure the confidentiality of the nomination process, nominators should keep the nomination confidential from the candidate.
