Academic Regulations

Purpose/Rationale:

The Humber College Institute of Technology & Advanced Learning's (hereafter referred to as "Humber" or "the College") admissions and academic policies are outlined in Humber's Academic Regulations.

This document is available in alternate format on request.

Scope:

The policies in Humber's Academic Regulations apply to all applicants to Humber and all current students enrolled in any program or course offered by Humber, in any location. Deriving from this policy, the circumstances of a particular program may require supplementary interpretation or minor variation in procedure. (Note: Students enrolled in the UNB/Humber Collaborative Bachelor of Nursing Program and the University of Guelph-Humber programs are subject to the Academic Regulations and Policies pertaining to these programs.)
