

Adapting Comics for Blind and Low Vision Readers

01:03

[ominous music]

[sounds of blows landing, punching, a sword being drawn]

UNKNOWN PERSON: Aah!

[noise of laser guns being shot]

NARRATOR: The Program in Visual Impairments, Comic Studies, and the
Longmore Institute on Disability Presents:

[quiet fanfare]

NARRATOR: Adapting Comics for Blind and Low Vision Readers: a Roundtable
Discussion. Join a panel of experts in access, blindness, and comics, as we explore
creative and technological approaches to open up this historically visual medium
to blind and low vision readers.

[computer beeping]

NARRATOR: Tuesday, March 23rd, 5-630pm PT. Panelists: Chancey Fleet, Darren
DeFrain, Scott McCloud, Sky McLeod, Josh Miele, Aaron Rodriguez. SFSU Hosts:
Emily Beitiks, Yue-Ting Siu, Nick Sousanis

NARRATOR: Register at tinyurl.com/accesscomics. Audio description of all
materials provided. For ASL and CART, request by Friday March 19th at 12pm to
beitiks@sfsu.edu.

[loud, reverberating laser sound effect trails off]
