STUDENTS: Hello.

(music)

WOMAN: So we also should decide on a name for the podcast. What do you want to call this?

STUDENT: I think we make the name already.

STUDENT: I think we did already.

STUDENT: Yeah, I think me and... Yeah.

STUDENT: (indiscernible)

STUDENT: First of all, I'm not (indiscernible). Why you think I made the name?

STUDENT: (indiscernible)

STUDENT: Okay, but I'm not the only one who managed the name. That's your idea, not mine.

STUDENT: (indiscernible).

STUDENT: You did... Did you write it down?

STUDENT: No.

STUDENT: How about something like... Yeah, (indiscernible).

WOMAN: Al, the alligator?

STUDENT: Yeah. Here, Al (indiscernible).

STUDENT: What?

WOMAN: Here's Al, the alligator?

STUDENT: Yeah.

WOMAN: Okay. Should I write down everything people come up with, and then maybe (indiscernible).

STUDENT: We choose the name. Something that's easy (indiscernible). Yes, the CICE.

STUDENT: Okay, I got one.

STUDENT: (indiscernible).

STUDENT: Wait, wait, wait. You never said... You just said you want me to say it.

STUDENT: (indiscernible). All right.

WOMAN: So here's Al, the alligator.

STUDENT: Yeah.

(indiscernible conversations)

WOMAN: What have you got?

STUDENT: Okay, we got the CICE team.

WOMAN: The CICE team.

STUDENT: Yeah, that works.

STUDENT: (indiscernible) CICE team is a good name for this.

ANNE ZBITNEW: Why do you think that's a good name?

STUDENT: Because we just made up a name for this.

STUDENT: (indiscernible) our program. It's our thing that we're in, its name. And it's our group together.

ZBITNEW: So your group together is a team.

STUDENT: Yeah.

ZBITNEW: And your in the CICE program.

STUDENT: Yeah.

ZBITNEW: And this is your podcast.

STUDENT: Yeah.

ZBITNEW: Let's put that on the list.

WOMAN: I've got it. Here's AI, the alligator, and the CICE team. What about down there?

(laughter)

(indiscernible conversations)

STUDENT: Don't you dare say Shawn Mendes.

STUDENT: Shawn Mendes (indiscernible).

STUDENT: Oh, god. I knew you were going to say that.

(indiscernible conversations)

WOMAN: Brainstorming, right? All ideas are good ideas.

(indiscernible conversations)

STUDENT: Okay, let's vote, then. Let's vote.

STUDENT: Well, out of those three names.

ZBITNEW: If you want to.

STUDENT: (indiscernible) you can do it.

STUDENT: Yours or the alligator? (indiscernible) Yours or the alligator?

STUDENT: I don't know. No.

STUDENT: The CICE team? Does... Okay, seven. The Shawn Mendes team?

(laughter)

STUDENT: Oh, god.

STUDENT: Okay. The first one was yours or the alligator. No one wants that?

STUDENTS: No.

STUDENT: Okay. You want that?

STUDENT: Yeah.

STUDENT: Yeah. So one and one. Seven CICE team.

(indiscernible conversations)

WOMAN: So it looks like there's a winner.

STUDENT: Yeah, okay.

WOMAN: You're okay with that?

STUDENT: Yeah, I'm okay.

WOMAN: All right. The podcast is called The CICE Team.
