How to Browse Classes

Login
a. Login to MyHumber
b. Click Student
c. Click Registration

Browse Classes

a. Click Browse Classes
b. Select a Term
c. Enter a Subject and Course Number
d. Click Search

Search Criteria can include course code (subject and course number, with campus locations. Users can also search for course and elective attributes. Use the Advanced Search to include open sections.

Search Results
The Search Results will include the section details for all courses found. Select the Meeting Times field for course details such as date, time and location.
Click on the **Course title** to view additional course information, such as:

- **Class Details** – which includes the CRN, Course Title details

- **Restrictions** – which may include Level, Academic School, Program, Campus and Semester restrictions

- **Prerequisites** – which can be course and/or testing requirements
