

## Vince Savoia

**Law & Security Administration, 1981; Paramedic, 1982  
Mortgage Agent, Centum Mortgage Professionals Corp.**

Savoia carries nearly three decades as a transformational leader who has significantly impacted the trajectory of a number of organizations and delivered positive, sustained performance and growth. In 2001, he created the Tema Conter Memorial Trust Foundation to honour the passing of a young woman after he was called to a devastating scene while working as a paramedic. The Foundation provides resources for those affected by post-traumatic stress disorder (PTSD) and help create awareness for critical incident stress. Savoia is a nationally known expert in work-related mental health and wellness, with an extensive background in crisis intervention and peer support. He advocates extensively on behalf of first responders and military personnel suffering from the effects of workplace trauma.
