

POLICIES CHECKLIST

Our policies and procedures support our vision, mission, values, and strategic goals. These policies and procedures act to guide your actions and decision-making on a particular subject. Our Collective Agreements are the result of a collaborative process between employee representatives and Humber's management to determine and agree on Terms and Conditions that reflect the collective needs of each employee group. At all times and without exception you are required to adhere to Humber's Policies, Standards, Guidelines, Practices, and Collective Agreements that outline and guide your behaviour as an employee of Humber and the University of Guelph-Humber.

Below is a checklist of some key policies. We recommend that you print this checklist and read through them and use during your first month of employment.

To review all policies and procedures, please visit the [Policies and Procedures section](#) on the Humber website.
