IMPORTANT INFORMATION FOR GRADUATES AND GUESTS

GRADUATES must arrive **1 hour** prior to the ceremony time and proceed to the gowning area. **GUESTS** should plan to arrive together **1 hour** prior to the ceremony time and proceed to the ballroom to be seated no less than **15 minutes** prior to the ceremony's scheduled start time. Seating is on a first-come first-served basis and each graduate is entitled to bring **2 guests**. In the interest of all concerned, ushers will not permit seats to be held for late arriving guests or personal belongings.

Once the capacity in the ballroom has been reached, all remaining guests will be seated in an overflow room to watch the ceremony via direct video stream. Guests in the overflow room will be provided a ticket and will be seated in the ballroom should there be seats remaining. Due to the length and nature of the Convocation ceremonies, we strongly suggest that if possible, parents should avoid bringing babies and young children with them.
