Moving In, What To Do, What To Bring

Completing Your Residence Registration

Read all information on the residence website <http://www.humber.ca/residence>. To maintain your space in residence, your fees must be paid by the following due dates:

July 10, 2023: First Installment of Residence Fees due (For Guelph-Humber students, \$500 deposit is also due.)

November 13, 2023: Second installment of Residence Fees due.

Cancellation

If, prior to arriving, you decide NOT to move into Humber Residence, you must cancel your application online by logging into the residence portal at <https://humber.starrezhousing.com/StarRezPortalX/>. Phone calls and emails are not acceptable methods of cancellation. Students who cancel AFTER August 1, 2023 forfeit their \$500 deposit and will be responsible for Residence Fees for up to 60 residence nights beginning Move In Day, unless a suitable external replacement is found.

Insurance

As the Resident, you are responsible for ensuring that you have sufficient personal insurance to cover any damages or loss to your belongings or personal injury, including for your guests. Check to see if your guardians' insurance policy includes coverage while living in Residence.

First Year Resident Move In

Residence Move In Day for first year residents is on Sunday, August 27, 2023. To ensure a smooth move experience, your move in time slot is as follows:

- **8am - Noon:** Residents with last names from A - K
- **Noon - 4 pm:** Residents with last names from L - Z

Returning Resident Move In

Move in for returning residents begins on Friday, September 1, 2023.

Planning For Your Move

Make sure you read the "What to Bring" section, as items not meeting residence guidelines will be turned away. We have had students arrive with a truckload of items which had to be sent back as there is no space, so read this section carefully!

Remember: Pack your items in proper boxes. Bags rip quickly!

- Bring your own cart/dolly for moving your things in. There is usually a substantial distance from your vehicle to your room. We do not have carts available.
- Additional furnishings cannot block entrance/exit doors or vents in your room/suite. Furnishings must be free-standing and in good condition. Additional furnishings become the responsibility of the resident and are used at your own risk. Upholstered furnishings (your own mattress, futons, couches) are not permitted due to potential pest issues.
- Unusual pieces must be approved by the Residence Manager upon move in. Unacceptable pieces must be removed immediately. Additional furnishing must be removed at time of move out or you will be charged disposal fees.
- Please leave your family pets at home. We love pets, too, however, we cannot allow your pets to enter the buildings. Our parking lot is not shaded and can become extremely hot and dangerous for pets left in a car.
- If you cannot move in by 12:00p.m. noon on the first day of class, you must advise the Residence Office at: resmail@residence.humber.ca or your space may be forfeited.

Inventory Report

Each student must complete their room inventory report within 48 hours of checking in. To complete the inventory report, please go to <https://humber.starrezhousing.com/StarRezPortalX/>. You must indicate the condition of the items in your room on this report. Your inventory report is only for comparison purposes when you move out, and is not reviewed for immediate issues or repairs. At move out you will be charged for any damages, cleaning or missing items which were not indicated on your inventory report upon move in.

Room Repairs

To report any maintenance issues, room repair requirements, or safety issues, you MUST complete a work order on: <https://humber.starrezhousing.com/StarRezPortalX/> OR contact the front desk for assistance. Any urgent matters, such as water leaks, should be reported immediately to avoid damage.

Decorating Your Room

Remember that you will be held responsible for any damages to your room or suite. Do not make permanent changes, such as painting, installing tiles or permanent carpeting, putting nails in the walls or using duct tape for posters. Use painter's tape ONLY to hang your posters and photos, and remove gently to avoid damage to the paint in your room. We suggest using wall decals that cling to the wall without leaving adhesive residue on the wall. Residents are also not permitted to post or paint anything on exterior windows or doors. Each room has a bulletin board outside the room to post materials.

As stated in the Code of Conduct, no postings will be permitted on hallway and common area walls in residence. Please keep in mind that your personal bulletin board postings must be appropriate for community living standards and the comfort level of all residents.
