Where the behaviour and needs cannot be accommodated, the Residence Office may take action that can include, but will not be limited to: suspension from the Residence, termination of the Residence Agreement and/or restriction of future application to Residence. This will only occur when other accommodations have been unsuccessful or where the severity of the behaviour demands immediate response.

In order to preserve the health and safety of all people and animals living or working in the Residence environment, the Resident will notify the Residence Office that they require a service animal and will provide documentation as outlined in the Accessibility for Ontarians with Disabilities Act confirming that the Resident requires the service animal. The Resident will also complete a Service Animal Agreement with the Manager, Residence Admissions or designate, and agrees to adhere to the requirements within it.

All furniture in the room must be returned to its original location and position or the Resident will be subject to additional charges on the Resident's student account. Notices will be posted indicating when suites are scheduled for cleaning. If a unit is found to be in poor condition, the Resident will have 24 hours to remedy the situation. Should the room fail re-inspection, Residence Staff will be dispatched to clean the room and the Resident will be charged a minimum \$100 cleaning fee. Repeated infractions may affect residency. All Residents occupying a suite are jointly and severally responsible for missing items, damages to or cleaning required for shared areas within the suite. The shared areas include the kitchenette and bathroom.
- 7.9 Pest Policy:** The Resident agrees that should the Resident suspect the presence of pests, including bed bugs in the Resident's room, the Resident must notify The Residence Office immediately. The Resident will not be relocated as this may result in the transfer of pests to a new room. The Resident will receive no reduction in Residence fees. Inspections of all rooms for pests by contracted specialists including using canine units occur at least once per year and may occur during the Resident's contract term. All Residents must co-operate during the inspection of their rooms and the treatment process, as detailed online at <http://humber.ca/residence/current-resident/pest-control>.
