PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR) INFORMATION AND PROCEDURE

Candidates who demonstrate learning acquired through practical experience that corresponds to a specific Humber College course may be granted PLAR credit in that course. Transfer credits **may** be granted for courses taken at other academic institutions. Use the Transfer Credit Application form at [http://www.humber.ca/sites/www.humber.ca/files/exemptions_09\[1\].pdf](http://www.humber.ca/sites/www.humber.ca/files/exemptions_09[1].pdf)

Process for Prior Learning Assessment and Recognition

1. Obtain the course outline from the Academic School responsible for delivering the course.
2. Review the course outline to determine if your knowledge and skills match the course learning outcomes.
3. Collect documents that support your application for PLAR. These might include: your resume, a description of your experiences and learning that relate to the course being challenged, work samples, and letters of verification. Include a letter describing your experiences and the learning that relates to the course outline.
4. Complete the PLAR Application on the reverse of this sheet.
5. Submit this application form, the supporting documents, and the fee* for **each course** challenged to the Office of the Registrar, Humber College, 205 Humber College Boulevard, Toronto, M9W 5L7
*See reverse of this sheet.
6. This form and supporting documents will be passed to the course assessor who may contact you to arrange for additional demonstration of learning (personal interview, test or demonstration).

PLEASE NOTE:

Credit will be granted only if learning is assessed to be comparable (in both theory and practice) to the level expected from students enrolled in that course.

The assessment fee is non-refundable.

In order to verify documentation, the assessor may contact references or employers named in the portfolio or resume.

Apply early. Sufficient time is required for completion of the assessment and processing of paperwork before you are informed of the decision. The process can take up to four weeks to be completed.

A successful assessment will give the applicant credit in the specific course and will appear on the student record as a percentage grade or SAT (for satisfied).

Granting of credit for prior learning does not guarantee entry into the program of study. You must follow the normal admission procedure to gain admission to the College.
