

# THE SCHOLAR'S *Cafe*

The Scholars' Café is a chance to discuss the latest in the teaching and learning literature. It is like a book club, but for journal articles. Each month, faculty will gather to chat informally about a selected paper from a scholarly teaching and learning journal. Please join us for coffee and a collegial discussion!

**Note:** A pdf of the article will be sent after receiving your registration. **The session at the Lake will be by satellite.**
