Payment by valid credit card or PayPal is required. This is activated with a Visa, Mastercard or American Express. A PayPal account will need to be active and funded.

As this is truly an extraordinary offer, it is a one-time offer and will be available to your company for **30 days** from the time it was initially offered.

3. Is the price really the same for Meetings + Online or Online subscriptions?

For the first three months, yes! Whichever option you select, the fee is \$9.99 + tax/month and Join FREE! When the three months are over, the plans will renew at the regular rate for that subscription type:

- Meetings + Online currently CAD \$56.29 + tax/month

4. What happens when the three months is over?

Your plan will automatically renew, at the regular rate for that subscription plan, until you cancel.

5. Can I cancel any time?

Yes!

6. I am an existing Weight Watchers member. Can I take advantage of this offer?

No. This offer is valid for:

- New members (or rejoining members), and
- At Work Members who's series has expired.

7. Can I call Weight Watchers Customer Service, or go to a local Meeting to sign up for this offer?

No. This is an exclusive web-link just for your company. You must access it through that link and sign yourself up. There are some specific FAQs below if you need more assistance with that.

8. How do I know when and where Weight Watchers Meetings are held?

Just go to our [Find a Meeting](#) feature at www.weightwatchers.ca and enter in the town or postal code where you want to attend.

You can also call Weight Watchers Customer Service at 1-800-651-6000 and inquire.

9. What happens if I missed out on the Extraordinary Offer through my company's unique web-link and it has now expired?

It was a one-time and limited time offer that was available for 30 days. It cannot be re-offered to your company, or through Weight Watchers Customer Service or through your local Meeting room.

10. I have another question that I don't see covered here. Who can I reach out to?

We'd be happy to help. Please send your question by email to healthsolutions@weightwatchers.ca. We'll get back to you as soon as possible!

Section 2: For the At Work Member in a series which has ended

[Back](#)

- A) I've never activated my free eTools voucher provided to me in my At Work Meeting: *please go to Section 4*, and follow instructions as if you are a new member.**
- B) I want to *continue my journey with community meetings + online tools*:**
- *After the conclusion* of your last At Work Meeting, call Weight Watchers Customer Service at 1-800-651-6000 and cancel your free eTools **prior** to taking advantage of the *Extraordinary Offer*.
 - The *Extraordinary Offer* cannot be added to a current subscription, therefore, your eTools subscription must be cancelled.
 - Advise your Customer Service Representative that you need to cancel *today*, because you wish to take advantage of the *Extraordinary Offer* to join community meetings presented to your company before it expires. (The *Extraordinary Offer* is a one-time only offer, valid for 30 days from the time it is shared with your company.)
 - It is possible that you may still have free weeks of eTools available in your account, as we often 'over compensate' our members with digital tools in the At Work setting, as the series may have delays or closures due to Statutory Holidays, company events or closures, weather-related closures, etc. Therefore, you have received the free digital tools for the period of your At Work Series, as promised. If the Customer Service Representative advises you that you still have free weeks, you can let them know that you need to cancel now, in order to purchase a Monthly Pass and sign up for the *Extraordinary Offer* before it expires.

C) I want to *continue my journey entirely Online* (no meetings)

- After your At Work Series ends, and you wish to continue as an Online member, you may wish to take advantage of as many free weeks of digital tools you may have available to you, prior to the expiry of the *Extraordinary Offer*. If you are not sure how many weeks of free eTools you still have, you can call Weight Watchers Customer Service at 1-800-651-6000 to inquire.

- The *Extraordinary Offer* is a one-time, limited time offer, valid for 30 days from the time it was shared with your company. Therefore, you may wish to continue with a few weeks of free eTools (if you have them available) prior to signing up for the *Extraordinary Offer*.
- The *Extraordinary Offer* cannot be added to a current subscription, therefore, your eTools subscription must be cancelled prior to signing up for it.
- You can cancel your eTools as of the date you wish to sign up for the *Extraordinary Offer* by calling Weight Watchers Customer Service at 1-800-651-6000. Advise your Customer Service Representative that you wish to cancel as of today (not end of plan) because you intend to sign up for the *Extraordinary Offer* offered to your company, for a limited time.

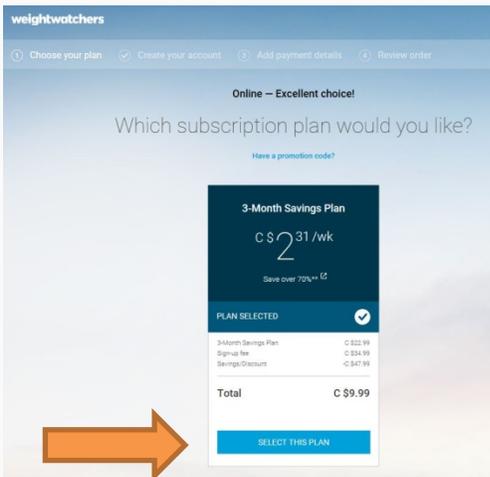

Please note, it is entirely up to you, the individual member to assess which option you feel suits your needs best. Whether to:

- continue with the duration of free eTools (even if it goes beyond the expiry date of the *Extraordinary Offer*, thereby not taking advantage of it); or

- continuing with free eTools without cancelling, which would result in recur billing of \$22.99+ tax / month in accordance with the initial subscription agreement, or
- to ask the Weight Watchers Customer Service Agent to cancel your eTools *end of plan* which will cancel online membership and eTools access as of the end of the subscription period, and not result in any recur billing, or
- cancel your eTools while the *Extraordinary Offer* is still valid for your company, and then sign up for that offer using your pre-existing username and password, and maintaining all your data. The illustrations below assume you have selected this option:
