# LE BOEUF BROTHERS

photo by Shervin Lainez

Le Boeuf Brothers is a modern jazz group based in New York City led by identical twin brothers, Remy Le Boeuf (saxophonist/composer) and Pascal Le Boeuf (pianist/composer). Le Boeuf Brothers are part of a growing New York jazz scene characterized by odd time signatures, shifting harmonies, and the influences of hip hop, electronica, and indie rock. As a jazz group, they have released four albums.
