

## Humber's Accessibility Awareness Training for Educators (AATE) has been Revised

---

The online Accessibility Awareness Training for Educators has undergone recent changes in keeping with the Accessibility for Ontarians with Disabilities Act (AODA). The Centre is happy to report that the module is now available to you for completion.

Please note: All Humber employees are required to complete the online Accessibility Awareness Training for Educators which can be accessed at <https://hrs.humber.ca/training-modules/aodaeducators.html>

---

**Thank you for ensuring Humber's compliance with the AODA**
