FORM OVERVIEW - There are 4 primary areas to fill in on the form below – they are primarily drop down menus

	Report Problem	
$\boldsymbol{\mathcal{C}}$	Requestor	
	Requested By*	GENERIC REQUESTOR
		generic.requestor@humber.ca
	Requestor Phone	
$\left( \right)$	Location	
		Use your assigned workspace location
	Location*	SITE BUILDING FLOOR ROOM Building is required. Enter floor and room number to help us process your request faster.
	Describe the location	
	$\frown$	Enter the location specifically enough that maintenance can find it, such as "Problem is on back wall, below window."
$\subseteq$	Problem	
	Type of Problem	•
		View All Problem Types
	$\frown$	The more precisely you specify your problem, the better we can route it to people who can help.
$\left( \right)$	Description	
	Description*	
		Select Description
		Workflow Response required within 30 Minutes Workflow Stans:
		On status of Requested: Edit and Approve is required by HUMBER DISPATCH

# FIELD 1 – REQUESTOR

- 1. Your Humber HCnet ID and your email will have automatically populated in red when this form opened
- 2. Please enter your contact phone number.

## FIELD 2 –LOCATION

This is done by clicking on the light blue select value icon that will appear in each field when you float your cursor over the area **NEW** - FIND A ROOM – If you do not know a room number click

A floorplan will open. This is the floorplan for North D Building 01 Floor.

Choose the room you want by **clicking on the Room Number text** the area will turn yellow, the floorplan will close and the selected room number will automatically be added to your Work Order request.

We chose Room D134L.

Step 2 – if required you may describe the location further to provide more specifics – such as "at the very back of the classroom"

Describe the location at the very back of the classroom 0 Enter the location specifically enough that maintenance can find it, such as "Problem is on back wall, below window.".

# FIELD 3 - Problem

1. SELECT a the Type of Problem from the first dropdown menu

# FIELD 4 – DESCRIPTION

- 1. Write what needs to be done and any details you wish us to know.
- 2. If this is an Event Setup provide dates and times for the event and the quantity of tables required
- 3. If this is a Moving request you must provide a departmental FOAP

Description*  Select Description  Workflow  Response required within 1 Days Completion required within 1 Days No Steps Required Request will be dispatched to NORTH CUSTODIAL SERVICES Request will be dispatched to N CUSTODIAL  Submit Add Documents Cancel

**NEW** – at the bottom of the form **WORKFLOW** information will appear that will tells you

- When a craftsperson will see the request
- When you can expect service to be completed
- Who it has been assigned to

In this case it was will be automatically issued to the Custodial Staff at North Campus. Work requests are routed automatically depending on their location and problem types, that's why it is important to use the correct Problem Types and Categories

An ID number window will show up and in the Building Operation Console you can see your Request
