

This is the last chance to be
a part of our new

Cutting EDGE initiative.

We are targeting innovative educators at Humber that want to try out some new tools in their teaching, as part of a research project that we are running.

What's involved:

- Lunch and learn session next week
- Use 3 polling tools in class for 3 weeks each
- Come back for lunch to tell us about your experience
- Complete a final survey
- Receive a \$25 gift card as a token of thanks

Interested?
