

● CALL FOR PAPERS ●

2017 LAS Interdisciplinary Conference

WHAT'S NEXT?

October 13th & 14th, 2017

Humber College - 205 Humber College Blvd., Toronto, ON

“Everything changes; nothing stays still,” Heraclitus tells us. All times face change, but in our time, change seems to come with unprecedented speed. We always need to be asking, **WHAT'S NEXT?** What are the best ways to negotiate the changes ahead? What will these changes imperil? What opportunities will they create?

As part of our celebration of Humber's 50 years of change and re-creation, we invite the faculty and staff of all Ontario colleges to submit proposals for conference papers or panels focusing on any aspects of this year's theme. Please join us in exploring **WHAT'S NEXT** in . . .

**Environmentalism • Community Health
Leadership • Social Entrepreneurship
Computing & the Internet • Fashion
Robotics • AI • Virtual Reality
Sustainability • News-Gathering
Nursing • Health Sciences • Media
The Workplace • Biology • Business
Religion • Sociology • Culinary Arts
Fitness & Sport • Gerontology • Trade**

**Physics • Architecture • Political Science
International Development • Policing
Education • Literacy • Philosophy
Linguistics • Astronomy • Design
