

# WANT TO WIN \$10,000?

## How it Works

### 1) Create or Complete Your Magnet Profile

In just a few minutes, you can create your profile on Magnet and enter to win \$10,000. Sign-up or login to Magnet and build your profile. Once it's complete (your profile is complete when there are no "More Required Fields" notifications on the left side of the "My Resume" page), and you enter the contest, you'll receive 1 entry. If you already have a Magnet profile, just make sure it's complete and then enter!

### 2) Increase Your Odds of Winning

Additional entries increase your odds of winning. Earn up to 1000 bonus entries after you've entered the contest by sharing your unique referral link with others.

You'll receive 10 bonus entries for each person who uses your unique link to sign up for a new Magnet account and enters the contest (with an eligible entry).

## Who is Eligible

To enter the contest, you must:

- be a Canadian citizen or permanent resident of Canada, residing in Canada, excluding residents of Quebec;
- be enrolled in a degree, diploma, certificate or apprenticeship program at a Canadian post-secondary institution at the time of entry or within the previous 3 years;
- be of the age of majority, or have your parent's or guardian's consent to you entering the contest.

## Contest Rules

No purchase is required. The winner will be required to correctly answer a skill testing question and provide proof of eligibility acceptable to Magnet.

The contest ends on May 31, 2015 at 11:00 p.m. EDT.

There is one prize valued at \$10,000. The odds of winning depend on the number of entries received.

## What is Magnet?

Magnet is a new network powered by a data-rich, job-matching technology that quickly and accurately connects job seekers to employers based on skills, preferences and talent needs.
