

# PRESENTING WITH POWERPOINT

Do you use PowerPoint when you present information? Are you the focus when using slides, or are you hiding behind the slides? Bring one of your PowerPoint presentations to this workshop. You'll give a mini presentation using your slides, and receive professional feedback on how you and your slides are coming across to the audience, and tips for making improvements.

**Note:** Please bring one of your PowerPoint presentations to the workshop.

**NORTH: D236  
MON., FEB. 13, 2017, 11:40 A.M. TO 1:25 P.M.**

**LAKE: F103  
WED., FEB. 15, 2017, 8:55 TO 10:40 A.M.**
