MIX & MINGLE

MEET FACULTY AND STAFF MENTORS

This event is coordinated by the Centre for Teaching & Learning and the International Centre. It is an important part of the Connect-International Student Program, which provides a support team for new international students by creating an opportunity for students to connect with a faculty, staff or admin mentor and a peer mentor.

At this informal mix and mingle event, international students will be put in small groups to connect with a particular faculty, staff, or admin mentor.
