Human Rights Training Sessions for 2014/2015

All Humber employees who have attended Humber’s human rights training session prior to August 2008, are required to attend a ‘Pathways to Human Rights Education & Action’ training session. This includes sessional, contract, part-time, full-time, and work-study employees.

Participants at the workshop will:

1. Increase their understanding of key Human Rights terms and concepts in order to more effectively prevent, recognize and respond to human rights related allegations;
2. Receive resources that will assist in enhancing inclusion at Humber; and
