STEVE KEAN EXHIBITS

SPINA BIFIDA: FRONT TO BACK

January 9 to January 27, 2017 | Monday to Friday
L Space – Lakeshore Campus | 10:00 AM to 5:00 PM

An exhibit of portraits of people living with spina bifida. “Front to Back” has been a true collaboration between Kean and those he photographs. It is a path to a sense of dignity and control over what happens to those with spina bifida. Audiences for the images in this project will see the people first. People whose lives have meaning and are beautiful.

Opening Reception and Artist Talk by Steve Kean | January 9, 2017 | 11:00 am
