

TEACHING IN THE HIVES

DROP-IN

Are you teaching in one of the HIVES classrooms (3rd and 4th floor F building, North) this year? Are you curious about Humber's new interactive spaces? Come and explore the features of these rooms and practice using the technology (interactive touchscreen, control panel for wall screens, etc.). We hope that you leave feeling inspired and confident to teach in these classrooms.

Everyone is welcome! You do not need to be assigned to a HIVES classroom to attend.
