

The Teaching & Learning  
**BOOKCLUB**

SPRING 2017

You are invited to a discussion of

***Quiet: The Power of Introverts in a World That Can't Stop Talking***

by Susan Cain. Does society undervalue introverts? Does our education system implicitly reward the "Extrovert Ideal"? Do we consider introverts when we design our lessons?

Join us as we eat, chat, and examine the personal and professional implications of this fascinating book.

Participants are kindly asked to read the book prior to attending their discussion session.

**NOTE:** Limited copies of the book are available in the CTL. If you require a copy, please let us know in the comments section of the online registration form and give your school interoffice mail address (**Campus, Building, and Room Number**).
