

ONLINE ONE ON ONE COACHING

WITH FACULTY: INFORMATION SESSION

Coaching is a transformative, reflective process that can foster deep growth within us. One-on-one coaching for faculty at Humber is here! Delivered by faculty coaches, through Blackboard Collaborate Ultra, this service is a new opportunity to help you get to where you want to go. Whether you wish to enhance yourself inside of the classroom or out, coaching will help you become your personal best self. If you are faculty interested in receiving coaching in a one-on-one setting, this information session will help you understand what the coaching process can look like for you! Should this be the right fit for you, after an information session you will be able to get started with your own personal coach in the comfort of your own home! As a bonus, you will become familiar with the versatility of Blackboard Collaborate Ultra.

Note: A link will be provided to registrants 24 hours before the webinar.

If you are interested in one-on-one coaching and are unable to attend this session contact lisa.buchanan@humber.ca for more information.
