Blackboard EXPLORING NEW BB FEATURES AND THE LATEST HUMBER TEMPLATE

The Blackboard team made several updates to our Blackboard environment and the Humber Blackboard Template. Come and see what Blackboard now has to offer, such as the ability to embed HTML5 audio/video files, and updates to the template including a section dedicated to tech spec and Humber policies. Using the Humber Template can help with student satisfaction and online quality. Maximizing Blackboard's new features can enhance the overall teaching and learning experience.
